*Suffolk County Open Space Acquisition Parcels*

In 2004, Suffolk County drafted a *Master List and Maps of Proposed County Open Space Acquisition*. The list of Proposed County Open Space Acquisitions was prepared for Introductory Resolution No. 1338-2004. The document provides maps that identify 60 proposed open space sites totaling 3,812 acres. Within the ½-mile study area, there were no sites identified as priority parcels for preservation. p3-14

*Master List of Maps of Proposed County Open Space Acquisition*

In 2004, Suffolk County drafted a *Master List of Maps of Proposed County Open Space Acquisition*. With this document, the County identified numerous parcels that should be considered for preservation. No parcels in the ½-mile study area have been identified for open space acquisition. p4-12
