

Fall Checklist

It's fall...seasons are changing and the carefree ways of summer are over! As you enjoy the pleasures of autumn...pumpkin pie, crisp red apples, and falling leaves in golden hues, make sure you:

1. Fall BACK – set your clocks back one hour at 2:00 a.m. on November 1, 2009.
2. Call LIPA at 1-800-490-0025 and update your telephone number with our Automated Service. Having an accurate telephone number on file helps us to locate your address in case of a power outage. It also helps us to easily locate your account information.
3. Drive carefully – schools are open! Be especially careful while driving in the rain after the leaves have fallen. The roads can be slippery.
4. Change the batteries in your smoke detector.
5. ENJOY THE COOL TEMPERATURES AND THE BEAUTY OF THE FALL SEASON!
6. Save time and money...sign up for LIPA's "My Account" at www.lipower.org and sign up for Balanced Billing, e-LERT and more!
