

As Easy as 1, 2, ...

Make your bank do all the work of bill payment! LIPA's free DirectPay program lets you have all of your electric bills paid automatically from the bank account of your choice.

It's as easy as 1, 2. That's right, there is no 3.

1. Receive your bill just as you do now, at the usual time.
2. Review your bill, including the date it will be paid automatically.

Your payment will then be made from the bank account you tell us to use on the date we'll show you on your bill. You'll have plenty of time to review each bill before it's paid.
