# Getting paid to recycle appliances has never been easier!

After the expense of the Holidays we can all use some cash – now is a good time to consider getting rid of that old refrigerator and LIPA will pay you \$50 to take it away for free and recycle it safely. To date, over 15,000 of your neighbors and LIPA customers have had their old, working refrigerator or freezer picked up, free of charge and properly recycled. Best part is, LIPA will pay you \$50 for each refrigerator or freezer and you get the added bonus of saving up to \$200 a year on your energy bill.

Plus, right now LIPA will also recycle up to three room air conditioners or dehumidifiers in conjunction with a scheduled pick-up of a qualifying refrigerator or freezer free of charge. Any air conditioner or dehumidifier recycled will earn you \$20 at LIPA's online store!\*

**It pays to follow the crowd! Call today and schedule your free appliance pickup and start cashing in.**
