

Thinking About Central Air Conditioning? You Need to Read This!

With LIPA's Cool Homes Program, you don't have to sacrifice quality for savings.

Not every central air conditioning (CAC) system or installation of that system is the same. Cool Homes ensures you get a high-efficiency system with a high-quality installation. That means more savings and more comfort for you. Rebates of up to \$700 on a new system are available.

Whether you're installing CAC for the first time, or replacing an old unit with our Cool Homes Early Retirement program, your new system will save you hundreds of dollars year after year in reduced energy and maintenance costs.

Choose from our list of pre-qualified Cool Homes contractors, or ask your contractor to participate in the program. Visit www.lipower.org/efficiency or call 1-800-692-2626 to start saving hundreds of dollars. That's pretty cool.

Less Waste Less Clutter Go Paperless

LIPA's e-*LERT* paperless billing program is a step in the right direction.

Join thousands of other Long Island customers who have saved stamps, saved time, and reduced paper clutter; all while helping to protect the environment. With paperless billing through e-*LERT* and our electronic payment services, you get security and convenience for FREE!

Simply visit us online at **www.lipower.org/account** and sign up for e-*LERT* paperless billing. While you're there, don't forget about DirectPay for automatic paperless payment services.
