

# As Easy as 1, 2 ...

*LIPA's free DirectPay program is so easy there is no 3!*

Let your bank do all the work to pay your LIPA bill! DirectPay arranges for your electric bill to be automatically paid from your bank account.

It works like this:

1. You'll receive your bill just as you do now, at the usual time.
2. At your convenience, look over your bill and you'll also see the date that the bill will be paid automatically.

Your payment will then be made from your bank account on the date shown on your bill. You'll have plenty of time to review each bill before it's paid. Sign up for FREE with LIPA's "My Account" at [www.lipower.org/account](http://www.lipower.org/account).
