Section 1. **Number, Term, Appointment and Vacancies.** The number and term of Trustees and the appointment and process of filling vacancies shall be governed by Title I-A of Article 5 of the Public Authorities Law, Chapter 517 of the Laws of New York, 1986 (the “LIPA Act”), as amended by Chapter 173 of the Laws of New York, 2013 (hereinafter referred to as the “LIPA Reform Act”).

Notwithstanding the foregoing, a Trustee who shall have failed to attend six consecutive meetings of the Trustees or at least fifty percent of the meetings of the Trustees during a consecutive 12-month period shall thereupon and without further action be deemed to have resigned as a Trustee of the Authority.

Section 2. **Powers and Duties.** The powers and duties of the Trustees shall be governed by the LIPA Act, the LIPA Reform Act and any other applicable provisions of the Public Authorities Law, including Title 2 of Article 9, Chapter 766 of the Laws of New York, 2005, as amended.

Section 1. **Place of Meetings.** Meetings of the Trustees shall be held at the principal office of the Authority or at such other place as the Chair may from time to time designate.

Section 2. **Meetings.** Meetings of the Trustees may be called by the Chair or upon the request of any six (6) Trustees. The Secretary shall give notice of the time, place and purpose or purposes of each meeting by mail at least three (3) days before the meeting or in person or by telephone, email or facsimile at least two (2) days before the meeting to each Trustee. The notice required to be given under this section may be waived by the Trustee to whom such notice
is required to be given. Attendance of a Trustee of the Authority at a meeting without objection shall constitute waiver of notice of the meeting.

Section 3. **Quorum.** As set forth in Section 2826 of the Public Authorities Law, five (5) Trustees of the Authority shall constitute a quorum for the transaction of any business or the exercise of any power of the Authority and shall only have the power to act by a vote of five (5) Trustees.

Section 4. **Adjournment of Meetings.** A majority of Trustees, whether or not a quorum is present, may adjourn any meeting to another time and place. Notice of such adjourned time and place shall be given to each Trustee not present at such meeting or, if no announcement of such adjourned time and place was made at such meeting, at least three (3) days’ notice of the newly scheduled meeting must be given to all Trustees. No such adjournment shall be used to defeat a notice provision.

Section 5. **Open Meetings.** All meetings of the Trustees shall be conducted in compliance with the provisions of the Open Meetings Law, set forth in Article 7 of the Public Officers Law.

**ARTICLE IV**

The Finance and Audit Committee will have responsibility to directly oversee the performance of the audits performed by the Authority’s independent accountants and to review the results of the annual internal control review and changes in accounting policies that may be required. The Finance and Audit Committee will present these results and changes with their recommendation to the Trustees. Any audit of the Authority by the State or any other agency which is conducted and results in the issuance of interim and/or formal reports shall also be reported to the Finance and Audit Committee for conveyance to the Trustees. ARTICLE VIII

ARTICLE X

Indemnification of Trustees, Officers and Employees

Section 1. Purpose and Definitions. The purpose of this Article is to provide for indemnification of Trustees, officers and employees of the Authority so as to encourage the service of the most competent and civic-minded persons to effectuate the purposes of the Act. In this Article, the following terms shall have the meanings indicated below:

(1) “action or proceeding” shall be broadly construed and shall include, without limitation, the investigation, preparation, defense, settlement and appeal of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrating or investigative;

(2) “party to an action or proceeding” means a person made, or threatened to be made, a defendant or respondent or otherwise a party in an action or proceeding, and includes a person called upon, voluntarily or by subpoena, to give testimony, produce documents or respond to interrogatories in connection with any action or proceeding;

(3) “Trustee” means each Trustee of the Authority appointed pursuant to the LIPA Reform Act, including the Trustee designated as Chair;

(4) “officer” means each officer of the Authority hired pursuant to the LIPA Act and these By-Laws;

(5) “employee” means each employee of the Authority who is not also a Trustee or officer;

(6) “Trustee,” “officer” and “employee” of the Authority each includes persons who formerly served in such capacity and the estates of deceased persons who had served in such capacity, and the legal or personal representative of such persons;
“Authority” shall include any wholly owned subsidiary created or acquired in accordance with section 1020-i of the LIPA Act; and

“applicable standard of conduct” means that the Trustee, officer or employee seeking to be indemnified hereunder acted (or omitted to take action) in good faith for a purpose which he or she reasonably believed to be in the best interests of the authority and, in criminal actions or proceedings, had reasonable cause to believe his or her action or inaction was lawful; and in no case shall any acts or omissions by the Trustee, officer or employee which may be determined to constitute negligence, recklessness, or gross negligence be deemed violative of the applicable standard of conduct. Furthermore, the termination of any action or proceeding by judgment, settlement, conviction or upon plea of nolo contendere, or its equivalent, shall not in itself create a presumption that any such Trustee, officer or employee did not act in accordance with the applicable standard of conduct.

Section 2. General Scope of Indemnification. The Authority hereby confers the benefits of Section 18 of the New York Public Officers Law (“POL § 18”) on the Authority’s Trustees, officers and employees and agrees to be held liable for the costs thereof. Further, the Authority shall, to the fullest extent permitted by law, including, but not limited to, POL § 18, indemnify and hold harmless any person who becomes a party to an action or proceeding by reason of the fact that he or she is or was a Trustee, officer or employee of the Authority against judgments, penalties, amounts paid in settlement and reasonable expenses, including attorney’s fees actually and necessarily incurred as a result thereof, unless the conduct of such Trustee, officer or employee in the matters at issue in such action or proceeding is found by a final judgment of a court of applicable jurisdiction, in the manner prescribed in the Article, not to have met the applicable standard of conduct.

Neither the failure of the Authority (including its Trustees or counsel) to have made a determination that the person seeking indemnification or advancement of expenses is entitled to indemnification or advancement of expenses in the circumstances nor an actual determination by the Authority (including its Trustees or independent legal counsel) that the person seeking indemnification or advancement of expenses is not so entitled shall be a defense to an action or create a presumption that the person seeking indemnification or advancement of expenses is not so entitled.

Section 3. Representation of Persons Indemnified. Where not otherwise inconsistent with law, the Authority may, either by its own in-house counsel or by outside counsel of its choice, assume the representation of any person entitled to indemnification by the Authority who becomes a party to an action or proceeding, except in situations in which the Authority’s Chief Executive Officer or counsel determines that it is a conflict or otherwise inappropriate or inadvisable for such person to be represented by counsel chosen by the Authority. In the event that the Authority does not assume such representation, such person shall have the right to engage private counsel of his or her choice and the Authority shall have the obligation of indemnification for the reasonable fees and expenses of such private counsel as provided in this Article; provided however, that the Authority as a condition to such indemnification for the cost of private counsel may, and where the Attorney General has so required as a condition to indemnification by the State of New York shall, require appropriate groups of persons to be represented by the same counsel except when there is a conflict.
Section 4. **Advances of Expenses**

(a) A Trustee, officer or employee who becomes a party to an action or proceeding may request that the Authority advance expenses pending the final disposition of such action or proceeding. Upon such request, the Authority shall promptly pay, from time to time in advance of the final disposition of the action or proceeding, reasonable expenses as described in Section 2 of this Article X incurred by such Trustee, officer or employee in connection with such action or proceeding.

(b) The Authority shall require each person receiving amounts under paragraph (a) of this Section 4 to agree in writing that the same shall be repaid if the person receiving such advance is ultimately found not to be entitled to indemnification, or to the extent the expenses so advanced by the Authority exceed the indemnification to which he or she is ultimately found to be entitled.

Section 5. **Indemnification on Final Disposition**

(a) A person who has been wholly successful, on the merits or otherwise, in the defense of an action or proceeding shall be deemed to have met the applicable standard of conduct and shall be entitled to indemnification against reasonable expenses as described in Section 2, and the Authority shall make such indemnification without necessity for any authorization, findings or other action by the Trustees prior to such indemnification.

(b) A Trustee, officer or employee who has not been wholly successful in the defense of an action or proceeding, or who was a party to an action or proceeding without being a defendant or respondent therein, may request indemnification from the Authority. Upon such request:

1. if there is a quorum of Trustees who are not parties to such action or proceeding, the Board shall make a finding as to whether the requesting Trustee, officer or employee has met the applicable standard of conduct; or
2. if such a quorum of Trustees is not obtainable with due diligence, the Board shall obtain an opinion in writing of outside legal counsel as to whether such standard of conduct has been met by the requesting Trustee, officer or employee. If a quorum of Trustees makes such finding or outside legal counsel gives such opinion, the Board shall authorize, and the Authority shall make, indemnification as provided in Section 2, upon a determination by the Trustees (or a person or body designated by the Trustees) that expenses sought to be indemnified were reasonable and actually and necessarily incurred as a result of the action or proceeding, and that any amounts paid in settlement (unless approved by the Trustees prior to such settlement) were reasonable in the circumstances.

Section 6. **Insurance**. The Authority may purchase and maintain insurance, at its expense, to protect itself and any Trustee, officer or employee of the Authority against any expense, liability or loss sought to be indemnified, whether or not the Authority would have the power to indemnify such person against such expense, liability or loss under this Article.

Section 7. **Applicability of this Article**

(a) This Article is to be construed liberally in favor of each Trustee, officer or employee to the fullest extent permitted by law, and any ambiguity, uncertainty or reasonable
doubt as to facts, interpretation or legal conclusions shall be resolved in favor of such Trustee, officer or employee.

(b) The provisions of this Article shall not impair, limit or modify the rights and obligations of any insurer under any policy of insurance.

(c) The provisions of this Article shall be in addition to and shall not supplant any indemnification by the State heretofore of hereafter conferred upon any Trustee, officer or employee by section 1020-bb of the LIPA Act, by applicable provisions of the Public Officers Law, or otherwise. The indemnification hereby granted by the Authority shall be in addition to and not in restriction or limitation of any other privilege or power which the Authority may lawfully exercise with respect to the indemnification or reimbursement of Trustees, officers or employees.

(d) Unless and until this Article shall be amended, supplemented or repealed in accordance with Article IX, including, without limitation, paragraph (e) below, the provisions of this Article shall constitute a contract between the Authority and each Trustee, officer or employee for indemnification in accordance with the provisions of this Article, which contract shall survive the termination of the term of service of such Trustee, officer or employee. In the event that any Trustee, officer or employee shall be aggrieved by a determination of the Authority or the Trustees or outside counsel made under this Article, or by a failure of the Authority or Trustees to act as provided herein, he or she shall be entitled to seek appropriate relief against the Authority in any court of competent jurisdiction within the State of New York in accordance with the standards for indemnification set forth herein.

(e) This Article shall be applicable to any claim for indemnification made after its adoption as a By-Law of the Authority, whether the action or proceeding to which such claim relates commenced, or the matters at issue therein occurred, before or after the adoption of this Article. It is contemplated that no subsequent amendment, supplement or repeal of this Article which deprives a Trustee, officer or employee of any substantial right or benefit conferred herein will be made applicable with respect to any claim for indemnification arising out of conduct of such Trustee, officer or employee occurring or alleged to have occurred after the adoption of this Article and prior to such amendment, supplement or repeal.

(f) The provisions of this Article are severable, and if any section, provision, or clause of this Article or the application thereof to any person or circumstances is held unconstitutional or invalid in whole or in part by any court of competent jurisdiction, such holding of unconstitutionality or invalidity shall in no way affect or impair any other section, provision or clause of this Article or the application of any such provision to such person or circumstances or to any other person or circumstance; and the Authority shall nevertheless indemnify each Trustee, officer or employee to the fullest extent permitted by any applicable portion of this Article that shall not have been invalidated, or by any other applicable law.

The annual report shall be certified in writing by the Chief Executive Officer and the Chief Financial Officer in accordance with Section 2800 of the Public Authorities Law.

Section 3. **Severability.** In case any one or more of the provisions of these By-Laws shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of these By-Laws and the By-Laws shall be construed as if such illegal or invalid provisions had not been contained herein.
