**Requested Action**

The Oversight Committee of the Board of Trustees (the “Committee”) is requested to adopt a resolution (attached as Exhibit A) recommending approval of the proposed Board of Trustees (the “Board”) Policy on Oversight (the “Policy”, attached as Exhibit B) for the Long Island Power Authority and its subsidiary, LIPA (collectively the “Authority”).

**Discussion**

Under the LIPA Reform Act and the Amended & Restated Operations Services Agreement (the “OSA”), the Authority has oversight rights and responsibilities with respect to the operation and maintenance of the Long Island electric grid and the generation assets under contract to LIPA.

The Authority utilizes a contracted business model for operations services, fuel and power procurement, and power supply. The Policy seeks to provide guidance regarding Staff’s oversight of the activities provided by these various service providers.

The recommended Policy seeks to ensure that the Authority’s oversight is conducted in a proactive and systematic manner that meets the needs and interests of the Authority’s customer-owners. The Policy establishes the expectations of the Board and requires regular performance reporting by Staff to enable the Board to assess the oversight called for by the Policy.

**Recommendation**

Based upon the foregoing, I recommend approval of the above requested action by adoption of the resolution in the form attached hereto.
A motion was made and seconded, and the Trustees unanimously adopted the following resolution:

RESOLUTION RECOMMENDING APPROVAL OF THE BOARD POLICY ON OVERSIGHT

WHEREAS, the Oversight Committee of the Board of Trustees (the “Committee”) recognizes that oversight of service providers is one of the Authority’s primary responsibilities; and

WHEREAS, the Committee recognizes that effective oversight requires a systematic approach; and

WHEREAS, the Committee has considered and agrees with the Policy on Oversight described in and attached to the accompanying memorandum:

NOW, THEREFORE, BE IT RESOLVED, that consistent with the accompanying memorandum, the Committee hereby recommends to the Board of Trustees the approval of the Policy.

The Charter was last amended by the Board of Trustees in March 2017. It establishes the purpose, membership, meeting requirements and responsibilities of the Oversight Committee (the “Committee”) and serves as the governing document for the Committee.

Consistent with the Charter, the Committee has undertaken a thorough review of the Charter’s adequacy and compliance with applicable law, and has noted certain changes that
provide consistency with the New York State Open Meetings Law and New York State Public Officers Law and those provisions relating to a “quorum” of the Committee.

Based upon the foregoing, I recommend approval of the above-requested action by adoption of the resolution attached hereto.

A motion was made and seconded, and the Trustees unanimously adopted the following resolution:

RECOMMENDATION FOR THE APPROVAL OF THE REVISED LONG ISLAND POWER AUTHORITY OVERSIGHT COMMITTEE CHARTER

WHEREAS, the Trustees last amended, in March 2017, an Oversight Committee Charter (“Charter”) which establishes, among other things, the purpose, powers, composition and key responsibilities of the Governance Committee (the “Committee”); and

WHEREAS, the Committee has reviewed the proposed revised Charter and believes it is reasonable and appropriate to revise it for the reasons set forth in the accompanying memorandum.

NOW, THEREFORE, BE IT RESOLVED, that the Oversight Committee hereby recommends to the Board of Trustees the adoption of the Long Island Power Authority’s “Oversight Committee Charter (January 24, 2018)” in the form presented at this meeting.
