### **Proposed Action**

It is proposed that the Finance and Audit Committee of the Board of Trustees of the Utility Debt Securitization Authority (the “Securitization Authority”) recommends that the full Board adopt a resolution to (i) authorize the issuance by the Securitization Authority of up to \$369,471,000 aggregate principal amount (the “Remaining Authorized Principal Amount”) of Restructuring Bonds, Series 2017 in one or more series (collectively, the “2017 Bonds”) for the purposes described herein, (ii) authorize execution and delivery of related documentation including a Bond Indenture, one or more Bond Purchase Agreements, a Restructuring Property Purchase and Sale Agreement, a Servicing Agreement, an Administration Agreement, preliminary and final Official Statements, and miscellaneous other documents related to the 2017 Bonds and (iii) authorize officers of the Securitization Authority to do all acts necessary, convenient or desirable for carrying out the issuance of the 2017 Bonds.

### **Plan of Finance**

The Long Island Power Authority is requesting that the Securitization Authority issue the 2017 Bonds for the purpose of allowing the Long Island Power Authority to refinance certain of its outstanding indebtedness through the purchase of Restructuring Property (described below) and the rights related thereto created by Restructuring Cost Financing Order No. 5 (“Financing Order No. 5”) approved and adopted on July 26, 2017 by the Board of Trustees of the Long Island Power Authority pursuant to Part B of Chapter 173 of the Laws of New York, 2013, as amended by Chapter 58 of the Laws of 2015 (as so amended, the “LIPA Reform Act”) and to pay other Upfront Financing Costs (as defined in Financing Order No. 5). In accordance with the LIPA Reform Act, Financing Order No. 5 was approved by the New York State Public Authorities Control Board on September 20, 2017.

Financing Order No. 5 permits the Securitization Authority to issue up to the Remaining Authorized Principal Amount of bonds for the purpose of refinancing certain debt of the Long Island Power Authority, as described in Financing Order No. 5. Financing Order No. 5 creates the Restructuring Property as defined therein, which includes, among other things, the right to bill and collect from customers the non-bypassable charges which will be allocated towards payment of the principal of and interest on the 2017 Bonds and other Upfront Financing Costs defined in Financing Order No. 5.

The Long Island Power Authority has recommended and requested that the Securitization Authority designate RBC Capital Markets, LLC as representative (the “Representative”) of a group of underwriters for the 2017 Bonds listed in and Exhibit A to the Authorizing Resolution (hereinafter defined), such underwriters (the “Underwriters”) having been selected by the Long Island Power Authority pursuant to a competitive process.

The Long Island Power Authority has also recommended and requested that The Bank of New York Mellon be designated by the Securitization Authority as Trustee and Paying Agent

for the 2017 Bonds, such institution having been selected in connection with the initial securitization Bond offering in 2013.

### **Bonds Proposed to be Authorized**

The 2017 Bonds shall bear interest, payable on the payment dates and on applicable redemption dates as shall be set forth in the 2017 Bond Indenture, at a true interest cost on the 2017 Bonds of not to exceed 6.5% per annum, and shall have redemption terms and other provisions, as shall be approved by an Authorized Officer. A resolution authorizing the 2017 Bonds (the “Authorizing Resolution”) and various agreements and other documents that will be entered by the Securitization Authority in connection with the 2017 Bonds is attached hereto as Attachment 1.

The 2017 Bonds may be issued in one or more series as fixed rate bonds and sold on a negotiated basis to the Underwriters, for resale to investors. 2017 Bonds may be issued as federally tax-exempt or taxable bonds.

Financing Order No. 5 provides that the Long Island Power Authority may elect to make a cash contribution to fund the Reserve Subaccount to be established under 2017 Bond Indenture in lieu of the Securitization Authority funding the same with 2017 Bond proceeds and, if so directed by the Long Island Power Authority, the Bond Issuer would issue a Subordinate Note (as defined in Financing Order No. 5) to the Long Island Power Authority in an amount not to exceed the initial cash contribution, if any, by the Authority to the Reserve Subaccount.

### **Agreements Related to the 2017 Bonds**

In connection with the issuance of the 2017 Bonds, the Securitization Authority will enter into a Bond Indenture, one or more Bond Purchase Agreements, a Restructuring Property Purchase and Sale Agreement, a Servicing Agreement, an Administration Agreement, a Continuing Disclosure Agreement and miscellaneous other documents related to the 2017 Bonds.

The Bond Indenture will provide for the form and terms of the 2017 Bonds, including interest rates, terms of repayment, and redemption provisions, and will pledge the Restructuring Property and other rights as collateral for the repayment of the 2017 Bonds. Each Bond Purchase Agreement will provide for the sale of all or a portion of the 2017 Bonds by the Securitization Authority to the Underwriters for resale to investors.

The Restructuring Property Purchase and Sale Agreement will provide for the sale of the Restructuring Property by the Long Island Power Authority to the Securitization Authority. The Securitization Authority will pay consideration to the Long Island Power Authority in the form of a purchase price to be funded with the proceeds of the 2017 Bonds. The Servicing Agreement will provide the terms under which the Long Island Power Authority’s subsidiary, Long Island Lighting Company d/b/a LIPA (“LIPA”), as Servicer, will undertake to service the Restructuring Property, including billing and collection services related to the

restructuring charges charged to LIPA's customers. The Securitization Authority will pay an annual fee to LIPA for the services provided pursuant to the Servicing Agreement, as described in the form of Servicing Agreement attached as an Exhibit to the Authority Resolution. The Administration Agreement will require LIPA, as Administrator, to perform additional duties with respect to the 2017 Bonds, including preparation of documents, reports, filings, instruments, notices, certificates and opinions to be prepared on behalf of the Securitization Authority, to the extent those duties are not performed by the Long Island Power Authority in its capacity as Servicer. The Securitization Authority will pay a semi-annual fee to LIPA for the services provided pursuant to the Administration Agreement, as described in the form of Administration Agreement attached as an Exhibit to the Authority Resolution.

Preliminary and final Official Statements will be provided to investors to disclose the material information related to the issuance of the 2017 Bonds, and the Continuing Disclosure Agreement will provide the terms pursuant to which the Securitization Authority and the Long Island Power Authority, as agent for the Securitization Authority, will be obligated to assist the Underwriters in complying with their on-going disclosure requirements, such as their requirements to provide financial and operating information related to the Long Island Power Authority and the Securitization Authority and notices regarding material events related to the 2017 Bonds, all pursuant to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934, as amended.

The agreements and the other documents delivered in connection with the Series 2017 Bonds are expected to be in substantially similar form to those delivered in connection with the Securitization Authority's Series 2016B Bonds, with such modifications thereto as may be approved by designated officers of the Authority. The terms of such agreements and other documents are also described in the form of preliminary official statement attached hereto as Attachment 2.

#### **Authorized Officers**

Pursuant to the Authorizing Resolution, the Securitization Authority also will authorize certain officers and persons to do all acts necessary, convenient or desirable for carrying out the issuance of the 2017 Bonds, all as described in the Authorizing Resolution.

#### **Proposed Resolution**

If the Trustees determine the foregoing to be acceptable and appropriate, it is proposed that the Trustees adopt the Authorizing Resolution attached hereto.

*The Chair made a motion that the Committee recommend adoption of the resolution by the full UDSA Board, which was seconded. The Committee unanimously adopted the following resolution:*
