

New Issue—Full-Book-Entry

In the opinion of Hawkins Delafield & Wood LLP as Bond Counsel to the Authority (“Bond Counsel”), under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Offered Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Offered Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations for taxable years beginning prior to January 1, 2018. See “TAX MATTERS” herein.

SUMMARY STATEMENT

This Summary Statement is subject in all respects to more complete information contained in this Official Statement and should not be considered a complete statement of the facts material to making an investment decision. The offering of the Offered Bonds to potential investors is made only by means of the entire Official Statement. Certain terms used herein are defined in this Official Statement.

The Authority	The Long Island Power Authority (the “Authority” or the “Issuer”) is a corporate municipal instrumentality and political subdivision of the State of New York. The Authority has a wholly-owned subsidiary, the Long Island Lighting Company, which does business under the name of LIPA and Power Supply Long Island (“LIPA”).
LIPA	LIPA owns and operates the electric transmission and distribution system (the “T&D System”) located in its service area, which includes the New York Counties of Nassau and Suffolk (with certain limited exceptions) and a portion of Queens County, New York known as the Rockaways. LIPA also owns an 18% interest in the Nine Mile Point 2 nuclear generating facility located in Oswego, New York.
The Purpose of the Offered Bonds	The Offered Bonds are being issued (i) to fund certain system improvements and (ii) to pay costs relating to the issuance of the Offered Bonds. See “PLAN OF FINANCE” herein.
Outstanding Indebtedness	As of October 1, 2018, the Authority had senior lien Electric System General Revenue Bonds and other senior lien indebtedness outstanding in the aggregate principal amount of approximately \$3.74 billion. The Offered Bonds are on a parity with all of such senior lien indebtedness. The Authority also had outstanding, as of October 1, 2018, subordinate lien indebtedness in the aggregate principal amount of \$0, except for certain obligations of the Authority to make swap payments as described herein. Also, the Authority currently expects to issue additional bonds to finance system improvements in the future. See “DEBT SERVICE” herein.
System Operation	<p>The Authority is managed by a senior management team supported by a small staff. To assist management in the supervision of its principal agreements and to provide other functions requiring specific expertise, the Authority employs outside consultants.</p> <p>The day-to-day operations of the electric system are accomplished through certain principal contracts with various service providers. From 1998 until 2014, the service providers had generally been subsidiaries of National Grid with some exceptions.</p>
The LIPA Reform Act	<p>The LIPA Reform Act was enacted on July 29, 2013 (the “LIPA Reform Act”) and is divided into two parts.</p> <p>Part A of the LIPA Reform Act addressed a variety of matters relating to restructuring the Authority and LIPA, and imposed new substantive obligations on PSEG Long Island and effectively shifted major operational and policy-making responsibilities for the T&D System. The Amended and Restated Operations Services Agreement (“OSA”) with PSEG Long Island reflects the changed</p>

relationship between the parties in connection with the provision of electric service in LIPA’s Service Area. Beginning on January 1, 2014, PSEG Long Island, became the retail brand for electric service on Long Island. Pursuant to the OSA and in furtherance of the objectives of the LIPA Reform Act, beginning on January 1, 2015, a PSEG Long Island affiliate became responsible for providing energy and fuel management services.

Part A also created a new Long-Island-based office in the Department of Public Service (“DPS”), which is the staff arm of the New York Public Service Commission (“PSC”), to assist with oversight of core utility operations of PSEG Long Island.

Part B of the LIPA Reform Act created the Utility Debt Securitization Authority (“UDSA”) and authorized the issuance of the restructuring bonds to retire a portion of the Authority’s existing debt.

See “INTRODUCTION TO THE AUTHORITY – Restructuring of the Authority and LIPA and Relationship to PSEG Long Island” and “INTRODUCTION TO THE AUTHORITY – The LIPA Reform Act and the OSA” in the ADR (hereinafter defined).

**Authority to Set Electric Rates;
2016- 2018 Rate Plan.....**

Under current New York law, the Authority is empowered to set rates for electric service in its service area without being required to obtain the approval of PSC or any other State regulatory body.

Part A of the LIPA Reform Act established a rate review process that required that on or before February 1, 2015, the Authority and PSEG Long Island submit for review to DPS a three-year rate proposal for rates and charges to take effect on or after January 1, 2016. After the 2016-2018 period, the Authority and PSEG Long Island are only required to submit a proposed rate increase for DPS review if it would increase the rates and charges by an amount that would increase the Authority’s annual revenues by more than 2.5%. The Authority’s Board retains final rate-setting power.

The Authority does not expect to increase rates and charges by an amount that would increase its annual revenues by 2.5% in 2019.

See “RATES AND CHARGES – Authority to Set Electric Rates” in the ADR.

Current Rate Structure

The Authority has adopted a set of customer rates, which include base rates, the Power Supply Charge (as described herein) and certain riders and credits. See “RATES AND CHARGES – Rate Tariffs and Adjustments” in the ADR.

Service Area.....

LIPA’s service area includes approximately 1.1 million customers and during the period 2013 through 2017 experienced its peak usage of approximately 5,602 MW in the summer of 2013. In the year ending December 31, 2017, approximately 54.2% of LIPA’s annual retail revenues were received from residential customers, 43.8% from commercial customers and 2.0% from street lighting, public authorities and certain others. The largest customer in the service

area (the Long Island Rail Road) accounts for less than 2.0% of total sales and less than 2.0% of revenue.

Transmission and Distribution

Facilities

LIPA’s transmission system includes approximately 1,400 miles of overhead and underground lines with voltage levels ranging from 23 kV to 345 kV. The distribution system has approximately 14,000 circuit miles of overhead and underground line (9,000 overhead and 5,000 underground) and approximately 189,000 line transformers with a total capacity of approximately 13,000 MVA. See “THE SYSTEM” in the ADR for a discussion of the service area and the transmission and distribution system.

Power Supply Resources.....

LIPA’s power supply resources consist principally of various power purchase contracts. The principal power purchase contract is a Power Supply Agreement (the “PSA”) that commenced in May 2013 for a maximum term of 15 years. The PSA provides approximately 3,700 MW of on-Island capacity for the term of the agreement with National Grid and provides LIPA with the option to ramp down (i.e., cease purchasing capacity from) the PSA units.

In addition, LIPA currently purchases approximately 1,900 MW of capacity from other generating facilities on Long Island and outside the service area through various transmission interconnections between LIPA’s transmission and distribution system and other systems in the region.

LIPA also has an 18% ownership interest in the approximately 1,300 MW Nine Mile Point 2 nuclear unit. Constellation Energy Nuclear Group, LLC owns the remaining 82% interest in the unit and is responsible for its operation.

Security and Sources of Payment for Bonds.....

The Offered Bonds, all Bonds heretofore and hereafter issued on a parity therewith and all Parity Obligations will be payable from and secured by the Trust Estate pledged under the Authority’s Resolution, subject to the prior payment of Operating Expenses. The Trust Estate consists principally of the revenues generated by the operation of LIPA’s electric transmission and distribution system.

The Bond Resolution contains a basic flow of funds, including a Rate Stabilization Fund, but does not require specific periodic advance deposits to be made into, or specific balances maintained in, the various funds and accounts. There is no debt service reserve fund.

Additional Bonds may be issued without any historical or projected debt service coverage test and, in the case of Refunding Bonds, without compliance with any debt service savings test.

See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” in the ADR.

The Securitization Transactions

Part B of the LIPA Reform Act, also known as the Securitization Law, created UDSA and originally authorized a one-time issuance of the UDSA bonds to retire a portion of the Authority’s existing debt. As amended in 2015, the Securitization Law allows UDSA to issue additional restructuring bonds in an aggregate additional

amount not to exceed \$4.5 billion (inclusive of the previously-issued 2013 restructuring bonds). UDSA has effectively exhausted its ability to issue restructuring bonds under the amended Securitization Law.

The restructuring charges are Transition Charges for purposes of the Resolution and amounts collected in respect thereof are thus not Revenues subject to the lien of the Resolution or the Subordinated Resolution. In addition, the UDSA bonds are not obligations of the Authority, LIPA, PSEG Long Island or any of their affiliates and are not secured by the Trust Estate described herein. See “RECENT DEVELOPMENTS – The Securitization Authority and Securitization Transactions” in the ADR.

OFFICIAL STATEMENT
of the
LONG ISLAND POWER AUTHORITY
Relating to its
\$430,000,000
ELECTRIC SYSTEM GENERAL REVENUE BONDS, SERIES 2018

INTRODUCTION

The \$430,000,000 Electric System General Revenue Bonds, Series 2018 (the “Series 2018 Bonds” or the “Offered Bonds”), are being issued by Long Island Power Authority (the “Authority”) pursuant to the Long Island Power Authority Act, being Title 1-A of Article 5 (§ 1020 et seq.) of the Public Authorities Law of the State of New York, as amended (the “Act”), and the Electric System General Revenue Bond Resolution of the Authority adopted on May 13, 1998 (the “Bond Resolution”), as supplemented, including as supplemented by a resolution of the Authority authorizing the Offered Bonds (the “Supplemental Resolution”). The Bond Resolution, as supplemented to the date hereof, including as supplemented by the Supplemental Resolution, and as it may be further supplemented or amended in the future, is herein called the “Resolution.”

As of October 1, 2018, the Authority had outstanding approximately \$3.74 billion of senior lien bonds and other senior lien indebtedness all of which were issued under the Bond Resolution (the “Outstanding Senior Lien Indebtedness”). The Offered Bonds will be on a parity as to security and source of payment with the Outstanding Senior Lien Indebtedness. The Authority has the ability to issue under the Bond Resolution additional senior lien bonds, and other obligations (“Parity Obligations”), that will be on a parity as to security and source of payment with the Outstanding Senior Lien Indebtedness and the Offered Bonds. As used in this Official Statement, the term “Bonds” means the Outstanding Senior Lien Indebtedness, the Offered Bonds and all additional senior lien bonds, notes or other evidence of indebtedness and Parity Obligations of the Authority hereafter issued under the Resolution which are on a parity as to security and source of payment. The Bonds have priority as to security and payment over the Subordinated Indebtedness mentioned in the next paragraph.

The Authority has from time to time also issued Subordinated Lien Bonds and other subordinated indebtedness under the Authority’s Electric System General Subordinated Revenue Bond Resolution adopted on May 20, 1998 (the “General Subordinated Resolution”) and various supplemental resolutions (the General Subordinated Resolution, as so supplemented, is herein called the “Subordinated Resolution”). As used in this Official Statement, the term “Subordinated Indebtedness” means all subordinated lien bonds, notes or other evidence of indebtedness of the Authority issued pursuant to the Subordinated Resolution which are on a parity as to security and source of payment. Any Subordinated Indebtedness is, in all respects, on a junior and subordinate basis as to security and source of payment to the Bonds. As of October 1, 2018, the Authority had no outstanding subordinate lien indebtedness, except for certain obligations of the Authority to make swap payments as described herein. See “DEBT SERVICE.”

Capitalized terms not otherwise defined in this Official Statement have the meanings set forth in “Appendix 4 - Glossary of Defined Terms.”

INFORMATION INCLUDED BY SPECIFIC CROSS-REFERENCE

The following documents filed with the Electronic Municipal Market Access System (“EMMA”) of the Municipal Securities Rulemaking Board (“MSRB”) by the Authority are included by specific cross-reference in this Official Statement:

- Quarterly Unaudited Financial Report of the Authority as of June 30, 2018 and June 30, 2017;

- The Resolution;
- The Financing Agreement;
- The Amended and Restated Operations Services Agreement (the “OSA”); and
- The Amended and Restated Power Supply Agreement (the “PSA”).

For convenience, copies of these documents can be found on the Authority’s website (www.lipower.org) under the heading “Investor Relations” and “About LIPA - Contracts & Reports.” No statement on the Authority’s website is included by specific cross-reference herein.

PLAN OF FINANCE

The proceeds of the Offered Bonds will be used (i) to fund certain system improvements and (ii) to pay costs (estimated to be \$2,413,736.09) relating to the issuance of the Offered Bonds, including underwriters’ discount.

DEBT SERVICE

The following table shows information regarding the Authority’s consolidated debt service requirements following the issuance of the Offered Bonds (based on the assumptions in the footnotes to said table). In addition, the table also shows the debt service relating to the UDSA bonds (based on the assumption in footnote 5 to said table). The UDSA bonds are not obligations of the Authority, LIPA, PSEG Long Island or any of their affiliates and are not secured by the Trust Estate described herein. The UDSA bonds are secured by an irrevocable, non-bypassable consumption-based restructuring charges which secures only those bonds. Restructuring charges are not subject to the lien of the Resolution or Subordinated Resolution.

(1) Accreted interest on capital appreciation bonds is shown in the year of maturity.

(2) Variable rate bonds are assumed to pay interest at the relevant index as of October 1, 2018 plus the respective applicable spread for certain floating rate notes, which are assumed at current levels through maturity. Expected net receipts or payments under interest rate and basis swaps are not reflected. In particular, not reflected in the table above are anticipated payments under an outstanding \$587,225,000 interest rate swap that terminates in 2029 for which the Authority pays 5.12% and receives 69.47% of 1-Month LIBOR. The obligation of the Authority to make payments under such swap constitutes Subordinated Indebtedness.

(3) Interest has not been reduced on the Series 2010B Bonds to reflect expected receipt of "build America bonds" interest rate cash subsidies equal to 35% of the interest payable; such cash subsidies constitute Revenues under the Resolution.

(4) Does not include the Authority's (a) outstanding senior lien General Revenue Notes, which as of October 1, 2018, the Authority had approximately \$560 million issued and outstanding under its \$800 million program. Assuming interest at a rate of 2.5% per annum, maintaining this level of outstanding General Revenue Notes would result in an additional \$14 million per year of debt service interest, and (b) outstanding Senior Credit Facility that allows for borrowing up to \$350 million, under which \$5 million is outstanding as of October 1, 2018.

(5) Debt service assumes that the UDSA Bonds are paid in accordance with the applicable Scheduled Maturity Date rather than the applicable legal Final Maturity Date which is 2 years later for each Tranche of the UDSA Bonds. The UDSA Bonds are not obligations of the Authority, LIPA, PSEG Long Island or any of their affiliates and are not secured by the Trust Estate described herein. The UDSA Bonds are secured by irrevocable, non-bypassable consumption-based restructuring charges, which secure only the applicable UDSA bonds. Restructuring charges are not subject to the lien of the Resolution or Subordinated General Resolution.

DESCRIPTION OF THE OFFERED BONDS

General

The Offered Bonds will be dated the date of delivery and will mature at the times and in the principal amounts as set forth on the inside cover page of this Official Statement. Interest on the Offered Bonds is payable on each March 1 and September 1, beginning March 1, 2019. The Offered Bonds will be offered in authorized denominations of \$5,000 and integral multiples thereof.

Securities Depository

Upon initial issuance, the Offered Bonds will be available only in book-entry form. The Depository Trust Company, New York, New York (“DTC”) will act as securities depository for the Offered Bonds, and the ownership of one fully registered bond for each maturity of Offered Bonds in the principal amount of such maturity will be registered in the name of Cede & Co., as nominee for DTC, and deposited with DTC. See Appendix 3 to this Official Statement for a description of DTC and its book-entry-only system that will apply to the Offered Bonds.

As long as the book-entry system is used for the Offered Bonds, The Bank of New York Mellon, New York, New York (the “Trustee”) and the Authority will give any notice required to be given owners of Offered Bonds only to DTC. BENEFICIAL OWNERS SHOULD MAKE APPROPRIATE ARRANGEMENTS FOR THE DIRECT PARTICIPANT THROUGH WHOSE DTC ACCOUNT THEIR BENEFICIAL OWNERSHIP INTEREST IS RECORDED TO RECEIVE NOTICES THAT MAY BE CONVEYED TO DIRECT PARTICIPANTS AND INDIRECT PARTICIPANTS.

Redemption

Optional. The Offered Bonds maturing on or before September 1, 2028 are not subject to optional redemption prior to maturity. The Offered Bonds maturing after September 1, 2028 are subject to optional redemption prior to maturity on and after September 1, 2028 at the option of the Authority, as a whole or in part at any time, at par, plus accrued interest to the redemption date.

Selection of Bonds for Redemption. If fewer than all of the Offered Bonds of an entire maturity shall be called for redemption, the particular Offered Bonds or portions of Offered Bonds to be redeemed shall be selected as described below.

During such time as the Offered Bonds are registered in book-entry-only form in the name of Cede & Co. or other nominee of DTC, partial redemptions of the Offered Bonds of a maturity will be determined in accordance with DTC’s procedures as from time to time in effect. See “Book-Entry-Only System” in Appendix 3 to this Official Statement.

If less than all of the Offered Bonds of a maturity are to be redeemed, DTC and the Direct Participant and, where appropriate, Indirect Participants will determine the particular beneficial ownership interests of such Offered Bonds of such maturity to be redeemed in accordance with their procedures as from time to time in effect. If the Offered Bonds are not registered in book-entry only form, the particular Offered Bonds to be redeemed will be determined by the Trustee, using such method as it deems fair and appropriate.

Notice of Redemption

If any of the Offered Bonds are to be redeemed, notice of such redemption is to be mailed by the Trustee to registered owners of such Offered Bonds to be redeemed not less than 30 nor more than 45 days preceding each redemption date. Any notice of optional redemption may provide that such redemption is conditioned on, among other things, the availability of sufficient moneys on the redemption date.

The Trustee, so long as a book-entry-only system is used for determining ownership of the Offered Bonds, shall send the notice to DTC or its nominee, or its successor. Any failure of DTC or a Direct Participant or, where appropriate, Indirect Participants to do so, or to notify a Beneficial Owner of an Offered Bond of such redemption, will not affect the sufficiency or the validity of the redemption of such Bond. The Authority can make no assurances that DTC, Direct Participants, Indirect Participants or other nominees of the Beneficial Owners of the Offered Bonds

to be redeemed will distribute such notices to the Beneficial Owners of such Bonds, or that they will do so on a timely basis. See “Book-Entry-Only System” in Appendix 3 to this Official Statement.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Authority (“Bond Counsel”), under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Offered Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Code, and (ii) interest on the Offered Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations for taxable years beginning prior to January 1, 2018. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Authority and LIPA in connection with the Offered Bonds, and Bond Counsel has assumed compliance by the Authority and LIPA with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Offered Bonds from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel, under existing statutes, interest on the Offered Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof, and the Offered Bonds are exempt from all taxation directly imposed thereon by or under the authority of the State of New York, except estate or gift taxes and taxes on transfers.

Bond Counsel expresses no opinion as to any other federal, state or local tax consequences arising with respect to the Offered Bonds, or the ownership or disposition thereof, except as stated above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement its opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the Offered Bonds.

Certain Ongoing Federal Tax Requirements and Covenants

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Offered Bonds in order that interest on the Offered Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Offered Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the federal government. Noncompliance with such requirements may cause interest on the Offered Bonds to become included in gross income for federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Authority and LIPA have covenanted to comply with certain applicable requirements of the Code to assure the exclusion of interest on the Offered Bonds from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral federal income tax matters with respect to the Offered Bonds. It does not purport to address all aspects of federal taxation that may be relevant to a particular owner of a Offered Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Offered Bonds.

Prospective owners of the Offered Bonds should be aware that the ownership of such obligations may result in collateral federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations

the interest on which is excluded from gross income for federal income tax purposes. Interest on the Offered Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Information Reporting and Backup Withholding

Information reporting requirements apply to interest paid on tax-exempt obligations, including the Offered Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, "Request for Taxpayer Identification Number and Certification," or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding," which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a "payor" generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Offered Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Offered Bonds from gross income for federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, could adversely affect the tax-exempt status of interest on the Offered Bonds under federal or state law or otherwise prevent beneficial owners of the Offered Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) or such decisions could affect the market price or marketability of the Offered Bonds.

Prospective purchasers of Offered Bonds should consult their own tax advisors regarding the foregoing matters.

UNDERWRITING

The Underwriters listed on the cover page of this Official Statement, for which Wells Fargo Securities is acting as the lead book-running manager, have agreed, jointly and severally and subject to certain conditions, to purchase the Offered Bonds from the Authority at an underwriters' discount of \$1,956,486.09, inclusive of expenses. Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Products Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Securities Exchange Act of 1934.

The initial public offering prices of the Offered Bonds may be changed from time to time by the Underwriters.

The Offered Bonds may be offered and sold to certain dealers (including the Underwriters and other dealers depositing Offered Bonds into investment trusts) at prices lower than such public offering prices.

The following paragraphs were provided by the Underwriters of the Offered Bonds.

Certain of the Underwriters have entered into distribution agreements with other broker-dealers for the distribution of the Offered Bonds at the initial public offering prices. Such agreements generally provide that the relevant Underwriter will share a portion of its underwriting compensation or selling concession with such broker-dealers.

The Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. The Underwriters and their respective affiliates have provided, and may in the future provide, a variety of these services to the Authority and to persons and entities with relationships with the Authority, for which they received or will receive customary fees and expenses.

In the ordinary course of their various business activities, the Underwriters and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Authority (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Authority. The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

MUNICIPAL ADVISOR

Public Financial Management, Inc. is the Authority's municipal advisor including for the Offered Bonds. The municipal advisor has provided the Authority advice on the plan of financing and reviewed the pricing of the Offered Bonds. The municipal advisor has not independently verified the information contained in this Official Statement and does not assume responsibility for the accuracy, completeness or fairness of such information.

CONTINUING DISCLOSURE UNDERTAKING

The Offered Bonds will be subject to the continuing secondary market disclosure requirements of the Rule and will be made subject to the Continuing Disclosure Certificate a form of which is attached hereto as Appendix 2 to this Official Statement. Pursuant to the Continuing Disclosure Certificate, the Authority will provide for the benefit of the holders of the Offered Bonds certain financial information and operating data relating to the Authority by the dates specified in the Continuing Disclosure Certificate (the "Annual Report"), and provide notices of the occurrence of certain enumerated events with respect to the Offered Bonds. The Annual Report will be filed by or on behalf of the Authority with EMMA. The notices of such events would be filed by or on behalf of the Authority with EMMA and with the Trustee. The specific nature of the information to be contained in the Annual Report and the notices of events is set forth in the Form of the Continuing Disclosure Certificate which is included in its entirety in Appendix 2. The Offered Bonds being made subject to the Continuing Disclosure Certificate is a condition precedent to the obligation of the Underwriter to purchase the Offered Bonds. The Authority's undertakings in the Continuing Disclosure Certificate are being made in order to assist the Underwriter in complying with the Rule.

CREDIT RATINGS

The Offered Bonds have been assigned ratings of "A-" (with a stable outlook) by Fitch, Inc. ("Fitch"), "A3" (with a positive outlook) by Moody's Investors Service ("Moody's") and "A-" (with a positive outlook) by S&P Global Ratings ("S&P").

The respective ratings by Fitch, Moody's and S&P of the Offered Bonds reflect only the views of such organizations and any desired explanation of the significance of such ratings and any outlooks or other statements given by the rating agencies with respect thereto should be obtained from the rating agency furnishing the same, at the following addresses: Fitch Ratings, Inc., 33 Whitehall Street, New York, New York 10004; Moody's Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York 10007; and S&P Global Ratings, 55 Water Street, New York, New York 10041. Certain information and materials not included in this Official Statement were furnished to the rating agencies. Generally, a rating agency bases its rating and outlook (if any) on the information and materials furnished to it and on investigations, studies and assumptions of its own. A securities rating is not a recommendation to buy, sell or hold securities. There is no assurance that such ratings for the Offered Bonds will continue for any given period of time or that any of such ratings will not be revised downward or withdrawn

entirely by any of the rating agencies, if, in the judgment of such rating agency or agencies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Offered Bonds. The Authority has not undertaken any responsibility after issuance of the Offered Bonds to assure the maintenance of the ratings applicable thereto or to oppose any revision or withdrawal of such ratings.

AGREEMENT OF NEW YORK STATE

In the Act, the State pledges to and agrees with the holders of any obligations issued under the Act and the parties to any contracts with the Authority that the State will not limit or alter the rights vested in the Authority until such obligations together with the interest thereon are fully met and discharged and/or such contracts are fully performed on the part of the Authority, provided that nothing therein contained shall preclude such limitation or alteration if and when adequate provision shall be made by law for the protection of the holders of such obligations of the Authority, or those entering into such contracts with the Authority. The Authority, as agent for the State, is authorized to include such pledge and agreement by the State in all agreements with the holders of such obligations and in all such contracts. The Authority has included such pledge in the Resolution.

LEGALITY FOR INVESTMENT

The Act provides that the Offered Bonds will be legal investments for public officers and bodies of the State and all municipalities, insurance companies and associations and other persons carrying on an insurance business, banks, bankers, trust companies, savings banks and savings associations, including savings and loan associations, building and loan associations, investment companies, and other persons carrying on a banking business, all trusts, estates and guardianships, and all other persons whatsoever who are now or may hereafter be authorized to invest in bonds or other obligations of the State, or may properly and legally invest funds, including capital in their control or belonging to them. Under the Act, the Offered Bonds are also securities which may be deposited with and may be received by all public officers and bodies of the State and all municipalities for any purpose for which the deposit of bonds or other obligations of the State is now or may hereafter be authorized.

There is no litigation pending or threatened in any court (either State or federal) to restrain or enjoin the issuance of the Offered Bonds or questioning the creation, organization or existence of the Authority, the title to office of the Trustees or officers of the Authority, the validity or enforceability of the Resolution, Financing Agreement, the pledge of the Trust Estate, the proceedings for the authorization, execution, authentication and offering of the Offered Bonds or the validity of the Offered Bonds.

APPENDIX 1

Form of Opinion of Hawkins Delafield & Wood LLP Bond Counsel to the Authority

October __, 2018

Long Island Power Authority
333 Earle Ovington Blvd.
Uniondale, NY 11553

Ladies and Gentlemen:

We have examined a certified record of proceedings relating to the issuance of \$430,000,000 Electric System General Revenue Bonds, Series 2018 (the "Series 2018 Bonds") of the Long Island Power Authority (the "Authority"), a corporate municipal instrumentality of the State of New York (the "State") constituting a body corporate and politic and a political subdivision of the State.

The Series 2018 Bonds are issued under and pursuant to the Constitution and statutes of the State, including the Long Island Power Authority Act, being Title 1-A of Article 5 of the Public Authorities Law, Chapter 43-A of the Consolidated Laws of the State of New York, as amended (herein called the "Act"), and under and pursuant to proceedings of the Authority duly taken, including a resolution adopted by the Trustees of the Authority on May 13, 1998 entitled "Electric System General Revenue Bond Resolution", as heretofore amended and as supplemented by the Twenty-Seventh Supplemental Electrical System General Revenue Bond Resolution of said Trustees adopted on December 19, 2017 (the "Resolution").

The Authority has heretofore issued bonds (the "Outstanding Bonds") and incurred Parity Obligations (as defined in the Resolution) under the Resolution. The Resolution provides that the Authority may issue additional Bonds (as defined in the Resolution), and incur additional Parity Obligations, thereunder from time to time on the terms and conditions and for the purposes stated therein. The Outstanding Bonds, the Series 2018 Bonds, the outstanding Parity Obligations and such additional Bonds, if issued, and such additional Parity Obligations, if incurred, will be equally and ratably secured under the Resolution, except as otherwise provided therein.

The Series 2018 Bonds are dated, mature, are payable, bear interest and are subject to redemption, all as provided in the Resolution.

We are of the opinion that:

1. The Authority is duly created and validly existing under the laws of the State, including the Constitution of the State and the Act. Under the laws of the State, including the Constitution of the State, and under the Constitution of the United States, the Act is valid with respect to all provisions thereof material to the subject matters of this opinion letter.

2. The Authority has the right and power under the Act to adopt the Resolution and to perform its obligations thereunder, including its rate covenant relating to the establishment and maintenance of System fees, rates, rents, charges and surcharges; provided, however, that the Act directs the Authority to seek the review and recommendation of the New York State Public Service Commission as to certain rate proposals prior to implementation and to implement such recommendations unless the Authority determines, after complying with certain procedural requirements and subject to any applicable judicial review proceeding, that any particular recommendation is inconsistent with the Authority's sound fiscal operating practices, any existing contractual or operating obligations or the provision of safe and adequate service. Notwithstanding the direction to seek such review and recommendation, the Act permits the Authority to place rates and charges into effect on an interim basis subject to possible prospective rate adjustment. The

Authority has received all approvals of any governmental agency, board or commission necessary for the adoption of the Resolution.

3. The Resolution has been duly and lawfully adopted by the Authority, is in full force and effect, is valid and binding upon the Authority, and is enforceable in accordance with its terms. The Resolution creates the valid pledge which it purports to create of the Trust Estate (as defined in the Resolution), subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

4. The Series 2018 Bonds have been duly and validly authorized and issued in accordance with the laws of the State, including the Constitution of the State and the Act, and in accordance with the Resolution, and are valid and binding special obligations of the Authority, enforceable in accordance with their terms and the terms of the Resolution, payable solely from the Trust Estate as provided in the Resolution. The Authority has no taxing power, the Series 2018 Bonds are not debts of the State or of any municipality thereof, and the Series 2018 Bonds will not constitute a pledge of the credit, revenues or taxing power of the State or of any municipality thereof. The Authority reserves the right to issue additional Bonds and to incur additional Parity Obligations on the terms and conditions, and for the purposes, provided in the Resolution, on a parity of security and payment with the Series 2018 Bonds and the Outstanding Bonds and outstanding Parity Obligations.

5. Any registration with, consent of, or authorization or approval by, any governmental agency, board, or commission that is necessary for the execution and delivery and the issuance of the Series 2018 Bonds has been obtained.

6. The adoption of the Resolution, compliance with all of the terms and conditions of the Resolution and the Series 2018 Bonds, and the execution and delivery of the Series 2018 Bonds, will not result in a violation of or be in conflict with any term or provision of any existing law, or of any approval by any governmental agency, board or commission necessary for the adoption of, or performance of the Authority's obligations under, the Resolution.

7. The Financing Agreement, dated as of May 1, 1998, between the Authority and Long Island Lighting Company d/b/a LIPA (as successor by merger to LIPA Acquisition Corp.) (the "Subsidiary") has been duly authorized, executed and delivered by the Authority and the Subsidiary and is a valid and binding obligation of the parties thereto, enforceable in accordance with its terms.

8. Under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described below, (i) interest on the Series 2018 Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Series 2018 Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations for taxable years beginning prior to January 1, 2018. In rendering the opinions in this paragraph 8, we have relied upon and assumed the material accuracy of certain representations, certifications of fact, and statements of reasonable expectations made by the Authority and the Subsidiary in connection with the Series 2018 Bonds, and we have assumed compliance by the Authority and the Subsidiary with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Series 2018 Bonds from gross income for federal income tax purposes under Section 103 of the Code. Under the Code, failure to comply with such procedures and covenants may cause the interest on the Series 2018 Bonds to be included in gross income for federal income tax purposes, retroactive to the date of issuance of the Series 2018 Bonds, irrespective of the date on which such noncompliance occurs or is ascertained.

9. Under existing statutes, interest on the Series 2018 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof, and the Series 2018 Bonds are exempt from all taxation directly imposed thereon by or under the authority of the State, except estate or gift taxes and taxes on transfers.

The opinions expressed in paragraphs 2, 3, 4 and 7 above are subject to applicable bankruptcy, insolvency, reorganization, moratorium and other laws heretofore or hereafter enacted affecting creditors' rights, and

are subject to the application of principles of equity relating to or affecting the enforcement of contractual obligations, whether such enforcement is considered in a proceeding in equity or at law.

We express no opinion as to any other federal, state or local tax consequences arising with respect to the Series 2018 Bonds, or the ownership or disposition thereof, except as stated in paragraph(s) 8 and 9 above. We render our opinion under existing statutes and court decisions as of the date hereof, and assume no obligation to update, revise or supplement our opinion to reflect any action hereafter taken or not taken, any fact or circumstance that may hereafter come to our attention, any change in law or interpretation thereof that may hereafter occur, or for any other reason. We express no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, we express no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the Series 2018 Bonds.

We express no opinion herein as to the accuracy, adequacy, sufficiency or completeness of any financial or other information that has been or will be supplied to purchasers or prospective purchasers of the Series 2018 Bonds.

This letter is rendered solely with regard to the matters expressly opined on above and does not consider or extend to any documents, agreements, representations or other material or matters of any kind not specifically opined on above. No other opinions are intended nor should they be inferred.

This letter is issued as of the date hereof, and we assume no obligation to update, revise or supplement this letter to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law, or in interpretations thereof, that may hereafter occur, or for any other reason whatsoever.

Very truly yours,

APPENDIX 2

Form of Continuing Disclosure Certificate

This Continuing Disclosure Certificate (the “Disclosure Certificate”) is executed and delivered by the Long Island Power Authority (the “Authority”) in connection with the issuance of its Electric System General Revenue Bonds, Series 2018 (the “Bonds”). The Bonds are being issued pursuant to the Electric System General Revenue Bond Resolution adopted by the Authority on May 13, 1998 as amended and supplemented (the “Resolution”). The Authority covenants and agrees as follows:

SECTION 1. *Purpose of the Disclosure Certificate.* This Disclosure Certificate is being executed and delivered by the Authority for the benefit of the Holders and Beneficial Owners of the Bonds and in order to assist the Participating Underwriters in complying with S.E.C. Rule 15c2-12(b)(5).

SECTION 2. *Definitions.* In addition to the definitions set forth in the Resolution, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders, or (ii) does not, in the opinion of the Trustee or nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Authority shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Authority. If the Authority chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Authority shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Offered Bonds. The Offered Bonds will be issued as fully-registered bonds in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered note certificate will be issued for the Offered Bonds in the aggregate principal amount of the maturity of such Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct DTC Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s Rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Offered Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Offered Bonds on DTC’s records. The ownership interest of each actual purchaser of Offered Bonds (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Offered Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Offered Bonds, except in the event that use of the book-entry system for a Series of the Offered Bonds is discontinued.

To facilitate subsequent transfers, all Offered Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Offered Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Offered Bonds; DTC’s records reflect only the identity of the Direct DTC Participants to whose accounts such Offered Bonds are credited, which may or may not be the Beneficial Owners. The Direct or Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Offered Bonds within a maturity of a Series are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (or any other DTC nominee) will consent or vote with respect to Offered Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an omnibus proxy (the "Omnibus Proxy") to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Offered Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Offered Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct DTC Participants' accounts on the payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in street name, and will be the responsibility of such Participant and not of DTC, the Trustee or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to a Series of the Offered Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, the Offered Bonds are required to be printed and delivered.

The Authority and the Trustee may treat DTC (or its nominee) as the sole and exclusive registered owner of the Offered Bonds registered in its name for the purposes of payment of the redemption proceeds and principal and interest on the Offered Bonds, giving any notice permitted or required to be given to registered owners under the Subordinated Resolution, registering the transfer of the Offered Bonds, or other action to be taken by registered owners and for all other purposes whatsoever. The Authority and the Trustee shall not have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Offered Bonds under or through DTC or any Participant, or any other person which is not shown on the registration books of the Authority (kept by the Trustee) as being a registered owner, with respect to the accuracy of any records maintained by DTC or any Participant; the payment by DTC or any Participant of any amount in respect of the principal, redemption premium, if any, or interest on the Offered Bonds; any notice which is permitted or required to be given to registered owners thereunder or under the conditions to transfers or exchanges adopted by the Authority; or other action taken by DTC as a registered owner.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, the Offered Bonds will be printed and delivered to DTC.

Unless otherwise noted, certain of the information contained in the preceding paragraphs of this Appendix has been extracted from information given by DTC. Neither the Authority, the Trustee nor the dealers make any representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH PARTICIPANTS, INDIRECT PARTICIPANTS, OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR SUCH PARTICIPANTS, INDIRECT DTC PARTICIPANTS, OR THE BENEFICIAL OWNERS. PAYMENTS MADE TO DTC OR ITS NOMINEE SHALL SATISFY THE AUTHORITY'S OBLIGATION UNDER THE ACT AND THE BOND RESOLUTION TO THE EXTENT OF SUCH PAYMENTS.
