Who We Are

Do you want to join a team that's changing the face of Long Island?

The Long Island Power Authority ("LIPA") is a not-for-profit utility with a mission to enable clean, reliable, and affordable electric service for our customers on Long Island and the Rockaways.

We are looking for motivated, engaged self-starters willing to roll up their sleeves and get the job done. If you are interested in joining this dynamic team and want your experience and expertise to make an immediate impact, please apply.

We offer an environment of continuous learning. We have great benefits and even better colleagues. Our benefit package includes medical, dental, vision holidays, leave time and more.

What We Want

- ❖ Bachelor's Degree in Business Administration, Computer Science, or related discipline.
- ❖ 10 years of progressively responsible professional IT experience that includes 5 years of project management, delivery or technology management experience and demonstrated success in management of large, complex technology business initiatives, multiple vendors, and stakeholders.
- ❖ Certified Project/Program Management Professional (PMP)

What You'll Do At LIPA

The Manager of System Implementation Oversight leads and manages the systems implementation of the Authority. This position provides overall project management leadership and develops implementation plans from business requirements, blueprints and executes project lifecycle for successful systems implementation. The Manager of System Implementation Oversight will manage the day-to-day delivery of systems implementation and provide oversight and review of the systems implementation, managed by the Service Provider on behalf of the Authority. This position will also minimize systems implementation risk by continuous risk assessment, monitoring, avoidance, and mitigation activities on behalf of the Authority.

LIPA is an equal opportunity employer.
