## Independent Auditors' Report

The Board of Trustees  
Utility Debt Securitization Authority:

We have audited the accompanying basic financial statements of the Utility Debt Securitization Authority (UDSA), a component unit of the Long Island Power Authority and the State of New York, which comprise the statements of net position as of December 31, 2018 and 2017, and the related statements of revenues, expenses and changes in net position, and cash flows for the years then ended, and the related notes to the basic financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these basic financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of basic financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express opinions on these basic financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the basic financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the basic financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the basic financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the basic financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Opinion on the Financial Statements

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the UDSA as of December 31, 2018 and 2017, and the changes in their net position and their cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

## **Other Matters**

### *Required Supplementary Information*

U.S. generally accepted accounting principles require that the Management's Discussion and Analysis and Required Supplementary Information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated March 18, 2019 on our consideration of the USDA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering USDA's internal control over financial reporting and compliance.

Management's Discussion and Analysis  
(Unaudited)

December 31, 2018 and 2017

**Overview of the Financial Statements**

The management's discussion and analysis of the financial performance of the Utility Debt Securitization Authority (UDSA) provides an overview for the years ended December 31, 2018 and 2017. The discussion and analysis should be read in conjunction with the Basic Financial Statements that follow this section. The notes to the UDSA's Basic Financial Statements provide additional information on certain components of these statements.

The UDSA's financial statements are prepared on an accrual basis in accordance with generally accepted accounting principles (GAAP) as prescribed by the Governmental Accounting Standards Board (GASB).

**Management's Discussion and Analysis of  
Financial Condition and Results of Operations**

**Nature of Operations**

The UDSA was created by Part B of Chapter 173, Laws of New York, 2013 (as amended by Chapter 58 of the Laws of New York, 2015, the "Securitization Law"). The Securitization Law allowed for the retirement of certain outstanding indebtedness of the Long Island Power Authority (Authority) through the issuance of securitized restructuring bonds (Restructuring Bonds) by the UDSA. The Securitization Law permits the Authority's Board of Trustees (Board) to adopt financing orders pursuant to which the UDSA may issue Restructuring Bonds in an amount not to exceed a \$4.5 billion statutorily authorized amount (inclusive of any previously issued Restructuring Bonds). The Restructuring Bonds are to be repaid by an irrevocable, nonbypassable restructuring charge on all Authority utility customer bills. The Authority's Board adopted Financing Order No. 1 on October 3, 2013, Financing Orders No. 2, No. 3 and No. 4 on June 26, 2015 and Financing Order No. 5 on September 29, 2017, each authorizing the UDSA to issue Restructuring Bonds. All such financing orders are substantively the same. Each financing order authorized Restructuring Bonds secured by a separate restructuring charge created pursuant to that financing order. A total of \$4.5 billion of UDSA Restructuring Bonds have been issued, with no statutory capacity remaining.

Management's Discussion and Analysis  
(Unaudited)

December 31, 2018 and 2017

**Financial Condition Overview**

The UDSA's Statements of Net Position as of December 31, 2018, 2017 and 2016 are summarized below:

(Amounts in thousands)

	<b>2018</b>	<b>2017</b>	<b>2016</b>
<b>Assets</b>			
Current assets	\$ 173,837	162,360	128,267
Non-current assets	4,523,469	4,696,155	4,383,747
Total assets	4,697,306	4,858,515	4,512,014
<b>Liabilities and Net Position</b>			
Current liabilities	139,500	132,573	90,108
Non-current liabilities	4,457,610	4,634,508	4,360,731
Net position-restricted	100,196	91,434	61,175
Total liabilities and net position	\$ 4,697,306	4,858,515	4,512,014

**2018 Compared to 2017**

The changes in the UDSA's financial condition as of December 31, 2018 and 2017 were as follows:

Current assets increased by \$11 million compared to 2017 due to increased cash and investment balances of \$15 million partially offset by lower accounts receivable balances of \$4 million.

Non-current assets decreased by \$173 million compared to 2017 due to the scheduled amortization of the Restructuring Property.

Current liabilities increased by \$7 million compared to 2017 due to increased scheduled current maturities of long-term debt.

Non-current liabilities decreased by \$177 million compared to 2017 due to \$131 million in scheduled current maturities of long-term debt and amortization of debt premium of \$46 million.

**UTILITY DEBT SECURITIZATION AUTHORITY**  
(A Component Unit of the Long Island Power Authority)

Management's Discussion and Analysis  
(Unaudited)

December 31, 2018 and 2017

**2017 Compared to 2016**

The primary changes in the UDSA's financial condition as of December 31, 2017 and 2016 were as follows:

Current assets increased by \$34 million compared to 2016 due to increased cash and investment balances of \$21 million and increased accounts receivable balances of \$14 million resulting from the additional Financing Order issued in 2017, which imposed an additional Restructuring Charge on utility customer bills.

Non-current assets increased by \$312 million compared to 2016 due to the issuance of the additional Restructuring Property under Financing Order No. 5 partially offset by the scheduled amortization of the Restructuring Property.

Current liabilities increased by \$42 million compared to 2016 due to scheduled current maturities of long-term debt.

Non-current liabilities increased by \$274 million compared to 2016 due to the issuance of the 2017 Restructuring Bonds, totaling \$440 million, including premium, partially offset by \$122 million in scheduled current maturities of long-term debt and amortization of debt premium of \$44 million.

**Results of Operations**

The UDSA's Statements of Revenues, Expenses and Changes in Net Position for the years ended December 31, 2018, 2017 and 2016 are summarized as follows:

(Amounts in thousands)

	<u>2018</u>	<u>2017</u>	<u>2016</u>
Operating revenues	\$ 339,072	297,679	278,975
Operating expenses	<u>176,101</u>	<u>122,198</u>	<u>108,949</u>
Operating income	162,971	175,481	170,026
Interest charges and credits	(157,161)	(146,211)	(134,678)
Other income	<u>2,952</u>	<u>989</u>	<u>225</u>
Change in net position	8,762	30,259	35,573
Restricted net position, beginning of year	<u>91,434</u>	<u>61,175</u>	<u>25,602</u>
Restricted net position, end of year	<u>\$ 100,196</u>	<u>91,434</u>	<u>61,175</u>

**2018 Compared to 2017**

Revenues increased by \$41 million compared to 2017 due to the higher debt service requirements resulting from the additional Financing Order bonds issued in November 2017 and higher scheduled debt maturities.

**UTILITY DEBT SECURITIZATION AUTHORITY**  
(A Component Unit of the Long Island Power Authority)

Management's Discussion and Analysis  
(Unaudited)

December 31, 2018 and 2017

Operating expenses increased by \$54 million compared to 2017 due to the higher amortization of Restructuring Property, which is amortized annually based on total principal payments due, plus premium amortization on the Restructuring Bonds.

Interest charges and credits increased by \$11 million compared to 2017 due to the Restructuring Bonds issued in November 2017, which were outstanding for the full year in 2018.

**2017 Compared to 2016**

Revenues increased by \$19 million compared to 2016 due primarily to the two additional Financing Orders issued in 2016.

Operating expenses increased by \$13 million compared to 2016 due primarily to the higher amortization of Restructuring Property, which is amortized annually based on its total principal payments due, plus premium amortization on the Restructuring Bonds.

Interest charges and credits increased by \$12 million compared to 2016 due to the issuance of the 2016A Restructuring Bonds issued in May 2016 and the 2016B Restructuring Bonds issued in September 2016, which were outstanding for the full year in 2017.

**Cash and Liquidity**

Included in current assets are the UDSA's restricted cash accounts totaling approximately \$125 million, \$109 million and \$89 million as of December 31, 2018, 2017 and 2016, respectively. The higher balance in 2018 compared to 2017 is due to the increased debt service requirements in 2018.

**Bond Ratings**

Below are the UDSA's securities as rated by Moody's Investors Service (Moody's), Standard and Poor's Global Ratings (S&P), and Fitch Ratings (Fitch):

	<u>Moody's</u>	<u>S&amp;P</u>	<u>Fitch</u>

**UTILITY DEBT SECURITIZATION AUTHORITY**  
(A Component Unit of the Long Island Power Authority)

Notes to Basic Financial Statements

December 31, 2018 and 2017

(amounts in thousands, unless otherwise stated)

**(1) Summary of Significant Accounting Policies**

**(a) General**

The Utility Debt Securitization Authority (UDSA) is a special purpose corporate municipal instrumentality, a body corporate and politic, a political subdivision and public benefit corporation of the State of New York, created by Part B of Chapter 173, Laws of New York, 2013 (as amended by Chapter 58 of the Laws of New York, 2015, the "Securitization Law").

The Securitization Law provided the legislative foundation for the issuance of restructuring bonds (Restructuring Bonds) by the UDSA. The issuance of Restructuring Bonds allowed the Long Island Power Authority (Authority) to retire a portion of its outstanding indebtedness and provide savings to the Authority's utility customers on a net present value basis. The Authority is the owner of the electric transmission and distribution system located in the Counties of Nassau and Suffolk (with certain limited exceptions) and a portion of Queens County known as the Rockaways (Service Area).

**(b) Financial Reporting Entity**

The Securitization Law prohibits the UDSA from engaging in any activity except as specifically authorized by a financing order and provides that the UDSA is not authorized to be a debtor under Chapter 9 or any other provision of the Bankruptcy Code.

The financial statements of the UDSA have been prepared in conformity with accounting principles generally accepted in the United States of America applied to government units (U.S. GAAP). The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The operations of the UDSA are presented as a proprietary fund following the accrual basis of accounting in order to recognize the flow of economic resources. Revenues are recognized in the period in which they are earned, and expenses are recognized in the period in which they are incurred. The basic financial statements cover the years ended December 31, 2018 and 2017.

Under GASB Statement No. 61, *The Financial Reporting Entity*, the UDSA is considered a blended component unit of the Authority. The assets, liabilities and results of operations are consolidated with the operations of the Authority for financial reporting purposes in the Long Island Power Authority Financial Statements.

**(c) Use of Estimates**

The accompanying financial statements were prepared in conformity with U.S. GAAP, which require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**(d) Accounting for the Effects of Rate Regulation**

The UDSA is subject to the provisions of GASB Statement No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements*. GASB Statement No. 62 addresses accounting rules for regulated operations. This statement recognizes the economic ability of regulators, through the ratemaking process, to create

**UTILITY DEBT SECURITIZATION AUTHORITY**  
(A Component Unit of the Long Island Power Authority)

Notes to Basic Financial Statements

December 31, 2018 and 2017

(amounts in thousands, unless otherwise stated)

future economic benefits and obligations affecting rate-regulated companies. Accordingly, the UDSA records these future economic benefits and obligations as regulatory assets or regulatory liabilities, respectively.

GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, requires that debt issuance costs be expensed in the current financial period. As the UDSA charge provides recovery for debt issuance costs on a systematic basis over the life of the debt, the UDSA has classified these costs as a regulatory asset, in accordance with GASB Statement No. 62, to be collected over the life of the debt issuance to which they relate.

**(e) Accounts Receivable**

The UDSA receivables include amounts due from the customers served by the Authority and the accrual of unbilled revenue to be received in the subsequent year. The Authority accrues unbilled revenues by estimating unbilled consumption at the utility customer meter. Unbilled revenue for the UDSA totaled \$19 million and \$20 million as of December 31, 2018 and 2017, respectively.

Accounts receivable are classified as current assets and are reported net of an allowance for uncollectible accounts.

**(f) Restructuring Property**

The Financing Orders, as adopted by the Authority's Board, authorized the creation of Restructuring Property and the issuance of Restructuring Bonds by the UDSA to provide funds for the purchase of Restructuring Property from the Authority. The Authority was authorized to use the proceeds from the sale of Restructuring Property to purchase, redeem, repay, or defease certain of its outstanding debt. Restructuring Property is defined as the right, title and interest: (a) in and to rates and charges to recover from utility customers the debt service requirements on the Restructuring Bonds (referred to as Restructuring Charges); (b) in and to all revenues, collections, claims, payments, money or proceeds of, or arising from, the Restructuring Charges, regardless of whether such revenues, collections, claims, payments, money or proceeds are imposed, billed, received, collected or maintained together with, or commingled with, other revenues, collections, claims, payments, money or proceeds; and (c) in and to all rights to obtain adjustments to the Restructuring Charges. These non-by-passable consumption-based Restructuring Charges are billed to all existing and future retail electric customers taking electric transmission or distribution service within the Service Area from the Authority or any of its successors or assignees. Restructuring Charges are established on behalf of the UDSA and are not subject to oversight by the Public Service Commission, the Department of Public Service or any other regulatory body, including the Authority's Board. The Authority has lowered its electric rates to reflect the savings from the securitization and modified its rate structure to create restructuring offset charges, which are amounts equal to and opposite the Restructuring Charges, so that utility customer bills are less than they would have been absent the sale of Restructuring Bonds. The securitization offset charges will be adjusted along with changes to the Restructuring Charges, subject to true-up adjustments as discussed in note 4.

The Restructuring Property is amortized annually based on principal payments due on the Restructuring Bonds. Also, included in the annual amortization is an amount equal to the bond premium amortization, which is recorded using the effective interest rate method.

**UTILITY DEBT SECURITIZATION AUTHORITY**  
(A Component Unit of the Long Island Power Authority)

Notes to Basic Financial Statements

December 31, 2018 and 2017

(amounts in thousands, unless otherwise stated)

Below is a summary of the Financing Orders and the original issuance amounts:

<u>Financing Order</u>	<u>Date Issued</u>	<u>Initial Amount Issued</u>	<u>Restructuring Charge Rate Effective Date</u>
Financing Order No. 1	December 18, 2013	\$ 2,022,324	March 1, 2014
Financing Order No. 2	October 27, 2015	1,002,115	January 1, 2016
Financing Order No. 3	April 7, 2016	636,770	April 7, 2016
Financing Order No. 4	September 8, 2016	469,320	September 8, 2016
Financing Order No. 5	November 21, 2017	369,465	January 1, 2018
		<u>\$ 4,499,994</u>	

**(g) Revenues**

The UDSA records revenue for Restructuring Charges under the accrual method of accounting in an amount equal to the imposed charges.

**(h) Income Taxes**

The UDSA is a political subdivision of the State of New York (State) and, therefore, is exempt from federal, state and local income taxes.

**(i) Recent Accounting Pronouncements**

GASB Statement No. 88, *Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements*, requires that additional essential information related to debt be disclosed in notes to financial statements, including unused lines of credit; assets pledged as collateral for the debt; and terms specified in debt agreements related to significant events of default and termination events, with finance-related consequences and significant subjective acceleration clauses. The requirements of this Statement are effective for reporting periods beginning after June 15, 2018.

UDSA is currently evaluating the impact of this statement on the accompanying financial statements and does not expect a material impact upon adoption.

**(2) Restricted Cash and Cash equivalents**

Restricted cash and cash equivalents consist of funds held in the UDSA's restricted bank accounts to pay the principal, interest and other expenses associated with the Restructuring Bonds. The UDSA has specific investment guidelines to address the legal and contractual requirement such that investment maturities are managed to meet the restructuring bonds debt service obligations.

The Bond Trustee (Trustee), under the indenture for each series of Restructuring Bonds, must maintain a segregated trust account for each series of Restructuring Bonds known as the Collection Account. The Collection Account for the bonds consists of four subaccounts: a General Subaccount, an Excess Funds Subaccount, Reserve Subaccounts (described below) and an Upfront Financing Costs Subaccount. For administrative purposes, the subaccounts have been established by the Trustee as separate accounts, which will be recognized collectively as the Collection Account.

**UTILITY DEBT SECURITIZATION AUTHORITY**  
(A Component Unit of the Long Island Power Authority)

Notes to Basic Financial Statements

December 31, 2018 and 2017

(amounts in thousands, unless otherwise stated)

The Trustee shall have sole dominion and exclusive control over all money in each Collection Account and shall apply such money as provided in the Indenture. Each account shall remain at all times with a securities intermediary. Only the Trustee shall have access to each Collection Account for the purpose of making deposits to and withdrawals from such account. Funds in each Collection Account shall not be commingled with any other monies.

**Reserve Subaccounts**

The Reserve Subaccount related to the Series 2013 Restructuring Bonds was established at a reserve level of 0.5% of the initial principal amount of the Restructuring Bonds originally issued.

The Reserve Subaccounts related to the Series 2015, 2016A, 2016B and 2017 Restructuring Bonds were each established with two subaccounts - the Operating Reserve Subaccount and the Debt Service Reserve Subaccount. Each Operating Reserve Subaccount was established at a reserve level of 0.5% of the initial principal amount of the respective Restructuring Bonds. The Debt Service Reserve Subaccounts were each established at a reserve level of 1.50% of the aggregate principal amount of the respective Restructuring Bonds then outstanding less the minimum principal amount due on any subsequent scheduled payment date.

Below is a summary of the Reserve Subaccounts as of December 31:

<b>Reserve Subaccounts</b>	<b>2018</b>	<b>2017</b>
Restructuring Bonds Series 2013	\$ 10,247	10,217
Restructuring Bonds Series 2015	20,311	20,222
Restructuring Bonds Series 2016A	12,906	12,843
Restructuring Bonds Series 2016B	7,454	9,458
Restructuring Bonds Series 2017	7,487	7,389
	<u>\$ 58,405</u>	<u>60,129</u>

**Risks**

*Credit Risk:* The UDSA's permissible investments include: (i) demand deposits and certificates of deposit; (ii) direct obligations of, or obligations guaranteed by, the United States of America; (iii) commercial paper having a rating of not less than A-1, P-1, F1 at the time of the commitment; (iv) money market funds which have the highest rating available; (v) repurchase obligations that are a direct obligation of, or obligation guaranteed by, the United States of America; and (vi) repurchase obligations meeting the minimum ratings criteria set forth in the investment guidelines.

*Concentration of Credit Risk:* The UDSA's investment policies have established limits such that no more than 5% of the investment portfolio may be invested in the securities of any one issuer except as follows: (i) U.S. Treasury Obligations; (ii) demand deposits, time deposits, or certificates of deposit and bankers' acceptance of eligible institution (as defined in investment guidelines); (iii) repurchase obligations with respect to any security that is a direct obligation of, or obligations guaranteed by, the United States of America; (iv) repurchase obligations with an eligible institution; and (v) money market funds which have the highest rating available. To the extent that more than 35% of the UDSA's total invested funds are invested with any single eligible institution, other than the Bond Trustee, the UDSA

(amounts in thousands, unless otherwise stated)

Board shall be notified. The UDSA deposits invested in money-market mutual funds are invested in U.S. government obligations.

*Custodial Credit Risk:* The UDSA believes that custodial credit risk is minimal, as it is the UDSA's policy and practice, as stipulated in its investment guidelines, that its investments be held by only eligible institutions with investment grade credit ratings.

*Interest Rate Risk:* The UDSA's investment guidelines state that investments must mature on or before the business day preceding the debt service payment dates of the restructuring bonds and all investments, therefore, are generally maturities of a short nature. As such, the UDSA presently holds its funds in money-market mutual funds as cash equivalents.

Below is a summary of the UDSA's restricted cash and cash equivalents as of December 31, 2018 and 2017:

<b>Deposit/investment type</b>	<b>2018 Fair value</b>	<b>Percent of portfolio</b>	<b>2017 Fair value</b>	<b>Percent of portfolio</b>
Money-market mutual fund	\$ 124,597	100%	101,607	93%
Cash	—	—	7,560	7%
Total	<u>\$ 124,597</u>	<u>100%</u>	<u>109,167</u>	<u>100%</u>

**(3) Long-Term Debt**

The Financing Orders adopted by the Authority's Board authorize the issuance of Restructuring Bonds by the UDSA to provide funds for the purchase of Restructuring Property from the Authority.

The Restructuring Bonds are consolidated on the Authority's financial statements; however, they are not direct obligations of the Authority. The Restructuring Bonds are also not a debt, and do not constitute a pledge of the faith and credit or taxing power, of the State or of any county, municipality, or any other political subdivision, agency, or instrumentality of the State other than the UDSA.

Each Restructuring Property (2013, 2015, 2016A, 2016B, and 2017) secures only their respective Restructuring Bonds. In each restructuring transaction, the Authority used the net proceeds from the sale of the Restructuring Property to retire debt and other obligations of the Authority, producing net present value savings to the Authority's utility customers.

Interest payments on all the Restructuring Bonds are paid semi-annually every June 15<sup>th</sup> and December 15<sup>th</sup>. Restructuring Charges are set to collect amounts sufficient to pay principal of, and interest on, the bonds on a timely basis and any ongoing financing costs.

(A Component Unit of the Long Island Power Authority)

Notes to Basic Financial Statements

December 31, 2018 and 2017

(amounts in thousands, unless otherwise stated)

The debt service requirements for the UDSA's bonds as of December 31, 2018 are as follows:

<u>Due</u>	<u>Principal</u>	<u>Interest</u>	<u>Annual Debt Service Requirements</u>
2019	130,761	196,379	327,140
2020	126,057	192,973	319,030
2021	179,419	187,969	367,388
2022	177,511	180,037	357,548
2023	231,660	171,270	402,930
2024–2028	1,017,230	703,125	1,720,355
2029–2033	1,235,305	430,963	1,666,268
2034–2038	797,380	173,590	970,970
2039	244,270	9,322	253,592
Total	<u>\$ 4,139,593</u>	<u>2,245,628</u>	<u>6,385,221</u>

**(4) Significant Agreements and Related-Party Transactions**

The Authority acts as the initial Servicer of the applicable Restructuring Property pursuant to the terms of a Servicing Agreement with the UDSA executed in connection with each issuance of Restructuring Bonds. Under the Servicing Agreement, the Authority, as Servicer, is required to manage and administer the UDSA bondable Restructuring Property and to collect the Restructuring Charges on the UDSA's behalf. However, pursuant to the Authority's Amended and Restated Operation Services Agreement, PSEG Long Island, among other things, performs the billing and collections, meter reading, and forecasting required of the Servicer under the Servicing Agreement. The Authority is responsible for taking all necessary action in connection with true-up adjustments (described below) and certain reporting requirements.

The Restructuring Charges will be adjusted at least annually (true-up adjustment) and, if determined by the Servicer during the mid-year review process to be necessary, semi-annually or more frequently, to ensure that the expected collections of the Restructuring Charges are adequate to timely pay all scheduled payments of principal and interest on the Restructuring Bonds and all other ongoing financing costs when due.

During 2018, the UDSA reset its Restructuring Charge on all its Restructuring Bonds semi-annually. During 2017, all Restructuring Charges were reset semi-annually except for Series 2017 Restructuring Bonds, which were issued in November 2017. The Series 2017 Restructuring Charge was set with an effective date of January 1, 2018.

Under the Financing Orders, the Authority withholds from the Restructuring Charge collections an annual servicing fee equal to 0.05% of the initial principal amount of the Restructuring Bonds originally issued.

**(5) Subsequent Events**

In connection with the preparation of the financial statements, management has evaluated subsequent events from January 1, 2019 through March 18, 2019, which was the date the financial statements were available for issuance and concluded that no additional disclosures or adjustments to the financial statements were necessary.

## **Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards***

The Board of Trustees  
Utility Debt Securitization Authority:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Utility Debt Securitization Authority (UDSA), which comprise the statements of net position as of December 31, 2018 and 2017 and the related statements of revenues, expenses, and changes in net position, and cash flows for the years then ended, and the related notes to the basic financial statements, and have issued our report thereon dated March 18, 2019.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the basic financial statements as of and for the year ended December 31, 2018, we considered UDSA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of UDSA's internal control. Accordingly, we do not express an opinion on the effectiveness of UDSA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether UDSA's basic financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the USDA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the USDA's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
