UTILITY DEBT SECURITIZATION
(A Component Unit of the Long Island Power Authority)

Introduction

The Utility Debt Securitization Authority (UDSA) was created by Part B of Chapter 173, Laws of New York, 2013 (as amended by Chapter 58 of the Laws of New York, 2015, the “Securitization Law”), allowing for the retirement of certain outstanding indebtedness of the Long Island Power Authority (Authority) through the issuance of securitized restructuring bonds (Restructuring Bonds) by the UDSA. The Restructuring Bonds are to be repaid by an irrevocable, nonbypassable restructuring charge on all Authority customer bills.

The Securitization Law permits the Authority’s Board of Trustees (Board) to adopt financing orders pursuant to which the UDSA may issue Restructuring Bonds in an amount not to exceed a \$4.5 billion statutorily authorized amount (inclusive of any previously issued Restructuring Bonds).

The Authority’s Board adopted Financing Order No. 1 on October 3, 2013, Financing Orders No. 2, No. 3 and No. 4 on June 26, 2015 and Financing Order No. 5 on September 29, 2017, each authorizing the UDSA to issue Restructuring Bonds. All such financing orders are substantively the same. Each financing order authorized Restructuring Bonds secured by a separate restructuring charge created pursuant to that financing order. A total of \$4.5 billion of UDSA Restructuring Bonds have been issued, with no statutory capacity remaining. The proceeds of the UDSA restructuring bonds refunded certain Authority bonds and generated total net present value debt service savings of approximately \$492 million for the Authority’s customers.

Overview of the Financial Statements

The UDSA’s financial statements are prepared on an accrual basis in accordance with generally accepted accounting principles (GAAP) as prescribed by the Governmental Accounting Standards Board (GASB).

Management’s Discussion and Analysis provides an overview of the UDSA for the three-month period ended March 31, 2019 compared to 2018. The unaudited quarterly financial statements should be read in conjunction with the annual audited financial statements, which may be found on the UDSA’s website at www.lipower.org/UDSA.

Contacting the Utility Debt Securitization Authority

This financial report is designed to provide the UDSA’s bondholders, and other interested parties, with a general overview of the UDSA’s finances and to demonstrate its accountability for the funds it receives. If you have any questions about this report or need additional information, contact the Utility Debt Securitization Authority, in care of the Long Island Power Authority, at 333 Earle Ovington Blvd., Suite 403, Uniondale, New York 11553, or visit the UDSA’s website at www.lipower.org/UDSA.

Management's Discussion and Analysis
(Unaudited)

March 31, 2019 and 2018

Three-month Period ended March 31, 2019 Compared to 2018

The UDSA results for the three months ended March 31, 2019 showed a decrease of \$16 million in the change in net position compared to the first three months of 2018. The net position and changes in net position reflect the timing differences between the accrual-based accounting required under generally accepted accounting principles and the ratemaking treatment followed by the UDSA. The UDSA's Restructuring Charge is set at an amount sufficient to recover the debt service payments and other cash operating expenses that the UDSA incurs in any given year, which differs from the accrued revenue and expenses recognized.

Operating Revenues

Operating revenue decreased \$20 million compared to 2018 due to a decrease in the securitization charge as accumulated cash balances were applied against current period obligations to reflect the collection of revenue in the prior year.

Operating Expenses

Operating expenses decreased \$3 million compared to 2018 due primarily to lower amortization on the Restructuring Property resulting from lower debt maturities due in March 2019 compared to 2018. The UDSA recognizes the amortization of the Restructuring Property on a proportionate basis annually based upon the total principal payments due and premiums outstanding on its restructuring bonds.

Nonoperating Expenses

Interest expense decreased \$1 million compared to 2018 due primarily to principal pay downs in June and December of 2018 coupled with no additional issuance of Restructuring Bonds.
