

## **Manager of Distributed Resource Oversight**

### **Who We Are**

Do you want to join a team that's changing the face of Long Island?

The Long Island Power Authority ("LIPA") is a not-for-profit utility with a mission to enable clean, reliable, and affordable electric service for our customers on Long Island and the Rockaways.

We are looking for motivated, engaged self-starters willing to roll up their sleeves and get the job done. If you are interested in joining this dynamic team and want your experience and expertise to make an immediate impact, please apply.

We offer an environment of continuous learning. We have great benefits and even better colleagues. Our benefit package includes medical, dental, vision, holidays, leave time and more.

### **What We Offer**

We offer an environment of continuous development and growth. LIPA offers a thriving company culture, exceptional colleagues and great benefits. Our benefit package includes:

- ❖ Medical insurance
- ❖ Dental and vision insurance at no cost to employee
- ❖ Paid holidays and generous leave time
- ❖ Educational assistance opportunities
- ❖ Multiple retirement plan options with company contribution
- ❖ Short-term and long-term disability coverage
- ❖ Flexible spending account
- ❖ Life Insurance
- ❖ 529 College Savings Program
- ❖ \$300 Wellness Reimbursement

### **What We Want**

- ❖ Bachelor's degree in Engineering or related field.
- ❖ 5-7 years of electric utility experience with knowledge of electric distribution design or operation.
- ❖ Experience analyzing utility data.

### **What You'll Do At LIPA**

The Manager of Distributed Resource Oversight helps fulfill the Authority's mission to provide clean, reliable and affordable energy by assuring that the service provider has appropriate plans

and processes in place to develop and integrate distributed energy resources (“DER”) into the electric system in support of the State’s clean energy goals. The Manager of Distributed Resource Oversight verifies the service provider’s compliance with tariff and contractual obligations with respect to DER, assesses the service provider’s responsiveness to DER developer inquiries and complaints and represents the Authority in inter-governmental and inter-utility working groups concerning integration and interconnection of DER.

This position will also assist the Director and Manager of Transmission and Distribution System Oversight in their oversight of interconnection matters and also assist the Director of Power Supply Planning Oversight in monitoring the development of clean energy resources within the grid and behind the meter.

LIPA is an equal opportunity employer.

Applying: Interested parties should submit their cover letter and resume to Barbara Ann Dillon, Director of Human Resources and Administration, at [operationoversightmgrjob@lipower.org](mailto:operationoversightmgrjob@lipower.org)
