The General Resolution, as supplemented to the date hereof, including as supplemented by the Supplemental Resolution and as it may be further supplemented or amended in the future, is herein called the “Resolution.”

Pursuant to the Authority’s Amended and Restated Certificate of Determination relating to the Series 2015 GR-1 Notes (the “Series 2015 GR-1 Certificate of Determination”), dated March 14, 2018, the aggregate principal amount of all Series 2015 GR-1 Notes outstanding at any time shall not exceed \$200,000,000. Pursuant to the Authority’s Certificate of Determination relating to the Series 2015 GR-5 Notes (the “Series 2015 GR-5 Certificate of Determination”), dated March 14, 2018, the aggregate principal amount of all Series 2015 GR-5

Notes outstanding at any time shall not exceed \$100,000,000. On May 1, 2018, upon the consent of a majority of the Owners of outstanding bonds and filing of necessary documents with the Trustee, the Amendatory Resolution became effective. The Amendatory Resolution amends the General Resolution by deleting a proviso appearing in Section 205(c)(iii) of the General Resolution, which stated that "no Bonds shall have a stated maturity less than 271 days after the date of issue thereof unless constituting a serial maturity of a Series with principal maturing in more than three consecutive Fiscal Years including the year of such maturity." The Amendatory Resolution thereby allows the Authority to issue short-term indebtedness that has no minimum stated maturity as senior lien obligations under the Resolution. Pursuant to the Supplemental Resolution and the Certificates of Determination, each Note issued on or after May 16, 2018 shall mature no later than 270 days from its date of issuance and shall not be subject to redemption prior to maturity.

The Series 2015 GR-1 Notes will be issued in two subseries designated as "Electric System General Revenue Notes, Series 2015 GR-1A (Federally Taxable)" (the "Series 2015 GR-1A Taxable Notes") and "Electric System General Revenue Notes, Series 2015 GR-1B (Tax-Exempt)" (the "Series 2015 GR-1B Tax-Exempt Notes"). Unless the Authority elects at or prior to the time of the issuance of any Series 2015 GR Note, as evidenced by a supplement to the Certificate of Determination, the Series 2015 GR Notes will be issued as Series 2015 GR Taxable Notes, the interest on which is intended to be subject to federal income taxation. The Authority may by delivery to the Trustee of a supplement to the Certificate of Determination specify that some or all of the Series 2015 GR Notes be delivered as Series 2015 GR Tax-Exempt Notes, the interest on which is intended to be excluded from gross income for federal income tax purposes. If no such election is made by the Authority, all Series 2015 GR Notes shall be issued as Series 2015 GR Taxable Notes. See "TAX MATTERS."

Description of the Series 2015 GR Notes

General

The Series 2015 GR Notes will be dated the date of their delivery, will be issued as interest-bearing and not as discount obligations in denominations of \$100,000 or any integral multiple of \$1,000 in excess thereof and, except as described below, will be issued in book-entry form through the book-entry system of The Depository Trust Company (“DTC”). See “Appendix B-Book-Entry-Only System.” The Series 2015 GR Notes will be sold at a price of 100% of the principal amount thereof. Each Note will bear interest from its date of issuance at the rate determined at the date of issuance (which may not exceed 15% per annum) and payable at maturity. In accordance with the limitation set forth in the Supplemental Resolution and the Certificate of Determination, the Authority and the Issuing and Paying Agent have agreed in the Issuing and Paying Agency Agreement not to issue or permit the issuance of Series 2015 GR Notes to the extent that the sum of the aggregate amount of interest payable (including any portion thereof not yet accrued) of all outstanding Series 2015 GR Notes (after giving effect to such issuance) would exceed the amount that may be drawn under the Letters of Credit to pay interest on the Series 2015 GR

Notes. As described below, in connection with the issuance of the Series 2015 GR Notes and pursuant to the related Reimbursement Agreement, each Bank has issued in favor of the Issuing and Paying Agent its irrevocable direct pay Letter of Credit to pay principal and interest (in an aggregate amount calculated at the rate of 10% per annum for a period of 275 days and a year of 360 days) due on the related Series 2015 GR Notes supported by such Letter of Credit as provided therein (See “SECURITY FOR THE SERIES 2015 GR NOTES - Letters of Credit and Security for the Series 2015 GR Notes” below).

In the case of Series 2015 GR Taxable Notes, interest shall be calculated on the basis of a 360 day year of twelve 30 day months for the actual number of days elapsed to the dates on which such Series 2015 GR Taxable Notes mature. In the case of Series 2015 GR Tax-Exempt Notes, interest shall be calculated on the basis of a 365/366 day year for the actual number of days elapsed to the dates on which such Series 2015 GR Tax-Exempt Notes mature. The principal of and interest on the Series 2015 GR Notes will be paid at maturity to DTC and distributed by it to its Participants as described in “Appendix B-Book-Entry-Only System.”

Maturity

The Series 2015 GR Notes will mature no later than 270 days from their date of issuance and shall not be subject to redemption prior to maturity. Except as otherwise provided in the General Resolution, the Series 2015 GR Notes are not subject to acceleration of principal or interest.

SECURITY FOR THE SERIES 2015 GR NOTES

General

The Series 2015 GR Notes are issued pursuant to the Resolution and on a parity with the pledge thereof created in favor of Bonds (as defined in the Resolution) issued under the Resolution and all Parity Obligations (as defined in the Resolution). The principal of and interest on the Series 2015 GR Notes at maturity are payable from the proceeds of (1) draws under the related Letter of Credit, (2) other Series 2015 GR Notes and (3) pursuant to the Resolution, the Revenues generated by the electric transmission and distribution system (the “System”), owned by the Authority’s subsidiary, LIPA, subject to prior payment of operating expenses of the System. The Series 2015 GR Notes are not a debt of the State of New York (the “State”) or any municipality and neither the State nor any municipality shall be liable thereon. The Authority shall not have the power to pledge the credit, the revenues or the taxing power of the State or any municipality, and neither the credit, the revenues nor the taxing power of the State or any municipality shall be, or shall be deemed to be, pledged to the payment of any of the Series 2015 GR Notes. The Authority has no taxing power.

The Authority expects to pay the principal of and interest on the Series 2015 GR Notes of a Series with the proceeds of draws under the Letter of Credit related to such Series, and to immediately reimburse the respective Bank for such draws with the proceeds of the sale of additional Series 2015 GR Notes or to retire such Notes with other moneys either by the issuance of long-term Bonds issued under the Resolution or from other available moneys. Pursuant to the General Resolution, the obligation of the Authority to reimburse such Bank for amounts advanced under the related Letter of Credit or interest thereon shall constitute a Parity Reimbursement Obligation within the meaning of the General Resolution.

Letters of Credit for the Series 2015 GR Notes

In connection with the issuance of the Series 2015 GR Notes, the Authority has entered into a Reimbursement Agreement with each of the Banks, pursuant to which each of the Banks issued in favor of the Issuing and Paying Agent its irrevocable direct pay Letter of Credit for the stated amounts set forth below to pay principal and the amounts set forth below to pay interest (in an aggregate amount calculated at the rate of 10% per annum for a period of 275 days and a year of 360 days) due on the Series 2015 GR Notes supported by such Letter of Credit as provided therein. Each of the Banks is obligated only for the amount payable under its Letter of Credit

for the related Series of Series 2015 GR Notes and is not obligated to pay any amount payable under the other Letter of Credit or for any Series 2015 GR Notes not supported by its Letter of Credit. The Supplemental Resolution provides that no Letter of Credit shall be substituted therefor, with respect to any Notes it secures, prior to the maturity of such Notes.

In accordance with the General Resolution, so long as (i) a Letter of Credit is in full force and effect, (ii) payment on such Letter of Credit is not in default, (iii) the applicable Bank shall not have failed to honor a properly presented and conforming draw under such the related Letter of Credit and (iv) the Bank is qualified to do business, the Bank will be deemed to be the sole Owner of the applicable Series 2015 GR Notes the payment of which such Letter of Credit secures when the approval, consent or action of the Owners of such Notes is required or may be exercised under the Resolutions.

TAX MATTERS

Series 2015 GR Taxable Notes

Under the Code, interest on the Series 2015 GR Taxable Notes is included in gross income for Federal income tax purposes. However, in the opinion of Bond Counsel to the Authority, under existing statutes, interest on the Series 2015 GR Taxable Notes is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

The following discussion is a brief summary of the principal United States Federal income tax consequences of the acquisition, ownership and disposition of Series 2015 GR Taxable Notes by original purchasers of the Series 2015 GR Taxable Notes who are “U.S. Holders”, as defined herein. This summary (i) is based on the Code, Treasury Regulations, revenue rulings and court decisions, all as currently in effect and all subject to change at any time, possibly with retroactive effect; (ii) assumes that the Series 2015 GR Taxable Notes will be held as “capital assets”; and (iii) does not discuss all of the United States Federal income tax consequences that may be relevant to a holder in light of its particular circumstances or to holders subject to special rules, such as insurance companies, financial institutions, tax-exempt organizations, dealers in securities or foreign currencies, persons holding the Series 2015 GR Taxable Notes as a position in a “hedge” or “straddle”, or holders whose functional currency (as defined in Section 985 of the Code) is not the United States dollar, or holders who acquire Series 2015 GR Taxable Notes in the secondary market, or individuals, estates and trusts subject to the tax on unearned income imposed by Section 1411 of the Code.

Holders of Series 2015 GR Taxable Notes should consult with their own tax advisors concerning the United States Federal income tax and other consequences with respect to the acquisition, ownership and disposition

of the Series 2015 GR Taxable Notes as well as any tax consequences that may arise under the laws of any state, local or foreign tax jurisdiction.

Characterization as Short-Term Obligations

Each Series 2015 GR Taxable Note is a “Short-Term Obligation” for Federal income tax purposes and, as such, is subject to rules contained in Sections 1281 through 1283 of the Code if the holder is an accrual method taxpayer, bank, regulated investment company, common trust fund or among certain types of pass-through entities, or if the Series 2015 GR Taxable Note is held primarily for sale to customers, is identified under Section 1256(e)(2) of the Code as part of a hedging transaction, or is a stripped bond or coupon and held by the person responsible for the underlying stripping transaction. In any such instance, interest on, and any “acquisition discount” with respect to, the Series 2015 GR Taxable Note accrue on a ratable (straight-line) basis, subject to an election to accrue such interest and acquisition discount on a constant yield basis using a constant interest rate and daily compounding. For purposes of the preceding sentence, the term “acquisition discount” means the excess of the stated redemption price of a Series 2015 GR Taxable Note at maturity over the holder’s tax basis therefor.

A holder of a Series 2015 GR Taxable Note not described in the preceding paragraph, including a cash method taxpayer, must report interest income in accordance with the holder’s regular method of tax accounting, unless such holder irrevocably elects to accrue acquisition discount currently.

Disposition and Defeasance

Generally, upon the sale, exchange, retirement, or other disposition (which would include a legal defeasance) of a Series 2015 GR Taxable Note, a holder generally will recognize taxable gain or loss in an amount equal to the difference between the amount realized (other than amounts attributable to accrued interest not previously includable in income) and such holder’s adjusted tax basis in the Series 2015 GR Taxable Note.

The Authority may cause the deposit of moneys or securities in escrow in such amount and manner as to cause the Series 2015 GR Taxable Notes to be deemed to be no longer outstanding under the Resolution (a “defeasance”). For Federal income tax purposes, such defeasance could result in a deemed exchange under Section 1001 of the Code and a recognition by such owner of taxable income or loss, without any corresponding receipt of moneys. In addition, the character and timing of receipt of payments on the Series 2015 GR Taxable Notes subsequent to any such defeasance could also be affected.

Backup Withholding and Information Reporting

In general, information reporting requirements will apply to non-corporate holders of the Series 2015 GR Taxable Notes with respect to payments of the principal of, payments of interest on, and the proceeds of the sale of a Series 2015 GR Taxable Note before maturity within the United States. Backup withholding may apply to holders of Notes under Section 3406 of the Code. Any amounts withheld under the backup withholding rules from a payment to a beneficial owner, and which constitutes over-withholding, would be allowed as a refund or a credit against such beneficial owner’s United States Federal income tax provided the required information is furnished to the Internal Revenue Service.

U.S. Holder

The term “U.S. Holder” means a beneficial owner of a Series 2015 GR Taxable Note that is: (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or of any political subdivision thereof, (iii) an estate the income of which is subject to United States Federal income taxation regardless of its source or (iv) a trust whose administration is subject to the primary jurisdiction of a United States court and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or State level, may adversely affect the tax-exempt status of interest on the Series 2015 GR Taxable Notes under State law and could affect the market price or marketability of the Series 2015 GR Taxable Notes. Prospective purchasers of the Series 2015 GR Taxable Notes should consult their own tax advisors regarding the foregoing matters.

Series 2015 GR Tax-Exempt Notes

The Certificate of Determination requires as a condition to issuance of the Series 2015 GR Tax-Exempt Notes that an opinion of Bond Counsel be delivered to the effect that, under then-existing statutes and court decisions and assuming continuing compliance with certain tax covenants to be described in such opinion, interest on the Series 2015 GR Tax-Exempt Notes is excluded from gross income for Federal income tax purposes. In rendering any such opinion, Bond Counsel will rely on certain representations, certifications of facts, and statements of reasonable expectations made by the Authority and LIPA in connection with the issuance of the Series 2015 GR Tax-Exempt Notes, and Bond Counsel will assume compliance by the Authority and LIPA with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Series 2015 GR Tax-Exempt Notes from gross income for federal income tax purposes. A supplement to this Offering Memorandum will be supplied to purchasers of Series 2015 GR Tax-Exempt Notes further describing such opinion and the tax treatment of such Series 2015 GR Tax-Exempt Notes and containing a copy of such opinion of Bond Counsel. Prospective purchasers of Series 2015 GR Tax-Exempt Notes should review such Supplement and opinion prior to purchasing Series 2015 GR Tax-Exempt Notes.

BOOK-ENTRY-ONLY SYSTEM

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Series 2015 GR Notes. The Series 2015 GR Notes will be issued as fully-registered bonds in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered note certificate will be issued for each Series of Series 2015 GR Notes in the aggregate principal amount of the maturity of such Notes, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct DTC Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s Rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2015 GR Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2015 GR Notes on DTC’s records. The ownership interest of each actual purchaser of Series 2015 GR Notes (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2015 GR Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2015 GR Notes, except in the event that use of the book-entry system for a Series of the Series 2015 GR Notes is discontinued.

To facilitate subsequent transfers, all Series 2015 GR Notes deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2015 GR Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2015 GR Notes; DTC’s records reflect only the identity of the Direct DTC Participants to whose accounts such Series 2015 GR Notes are credited, which may or may not be the Beneficial Owners. The Direct or Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2015 GR Notes within a maturity of a Series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (or any other DTC nominee) will consent or vote with respect to Series 2015 GR Notes unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an omnibus proxy (the "Omnibus Proxy") to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2015 GR Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Series 2015 GR Notes will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct DTC Participants' accounts on the payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in street name, and will be the responsibility of such Participant and not of DTC, the Trustee or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to a Series of the Series 2015 GR Notes at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, the Series 2015 GR Notes are required to be printed and delivered.

The Authority and the Trustee may treat DTC (or its nominee) as the sole and exclusive registered owner of the Series 2015 GR Notes registered in its name for the purposes of payment of the redemption proceeds and principal and interest on the Series 2015 GR Notes, giving any notice permitted or required to be given to registered owners under the Resolution, registering the transfer of the Series 2015 GR Notes, or other action to be taken by registered owners and for all other purposes whatsoever. The Authority and the Trustee shall not have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Series 2015 GR Notes under or through DTC or any Participant, or any other person which is not shown on the registration books of the Authority (kept by the Trustee) as being a registered owner, with respect to the accuracy of any records maintained by DTC or any Participant; the payment by DTC or any Participant of any amount in respect of the principal, redemption premium, if any, or interest on the Series 2015 GR Notes; any notice which is permitted or required to be given to registered owners thereunder or under the conditions to transfers or exchanges adopted by the Authority; or other action taken by DTC as a registered owner.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, the Series 2015 GR Notes will be printed and delivered to DTC.

Unless otherwise noted, certain of the information contained in the preceding paragraphs of this Appendix B has been extracted from information given by DTC. Neither the Authority, the Trustee nor the dealers make any representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH PARTICIPANTS, INDIRECT PARTICIPANTS, OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR SUCH PARTICIPANTS, INDIRECT DTC PARTICIPANTS, OR THE BENEFICIAL OWNERS. PAYMENTS MADE TO DTC OR ITS NOMINEE SHALL SATISFY THE AUTHORITY'S OBLIGATION UNDER THE ACT AND THE BOND RESOLUTION TO THE EXTENT OF SUCH PAYMENTS.

Based upon the foregoing, we are of the opinion that:

1. The Authority is duly created and validly existing under the laws of the State, including the Constitution of the State and the Act. Under the laws of the State, including the Constitution of the State, and under the Constitution of the United States, the Act is valid with respect to all provisions thereof material to the subject matters of this opinion letter.

2. The Authority has the right and power under the Act to adopt the Resolution and to perform its obligations thereunder, including its rate covenant relating to the establishment and maintenance of System fees, rates, rents, charges and surcharges; provided, however, that the Act directs the Authority to seek the review and recommendation of the New York State Public Service Commission as to certain rate proposals prior to implementation unless the Authority determines, after complying with certain procedural requirements and subject to any applicable judicial review proceeding, that any particular recommendation is inconsistent with the Authority’s sound fiscal operating practices, any existing contractual or operating obligations or the provision of safe and adequate service. Notwithstanding the direction to seek such review and recommendation, the Act permits the Authority to place rates and charges into effect on an interim basis subject to possible prospective rate adjustment.

3. The Resolution has been duly and lawfully adopted by the Authority, is in full force and effect, is valid and binding upon the Authority, and is enforceable in accordance with its terms. The Resolution creates the valid pledge which it purports to create of the Trust Estate (as defined and to the extent provided in the Resolution), subject only to the provisions of the Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the Resolution.

4. Upon due issuance of Series 2015 GR Notes as provided in the Resolution, the Certificates of Determination and the Amended and Restated Issuing and Paying Agency Agreement, and receipt by or on behalf of the Authority of payment therefor, the Series 2015 GR Notes will be duly and validly authorized and issued in accordance with the laws of the State, including the Constitution of the State and the Act, and in accordance with the Resolution and the Certificates of Determination, and will be valid and binding special obligations of the Authority, enforceable in accordance with their terms and the terms of the Resolution and the Certificate of Determination, payable solely from the Trust Estate as and to the extent provided in the Resolution and the Certificates of Determination. The Authority has no taxing power, the Series 2015 GR Notes are not debts of the State or of any municipality thereof, and the Series 2015 GR Notes will not constitute a pledge of the credit, revenues or taxing power of the State or of any municipality thereof. The Authority reserves the right to issue additional bonds on the terms and conditions, and for the purposes, provided in the Resolution, on a parity of security and payment with the Series 2015 GR Notes.

5. Any registration with, consent of, or approval by, any governmental agency, board, or commission that is necessary for the execution and delivery and the issuance of the Series 2015 GR Notes has been obtained.

6. The adoption of the Resolution, compliance with all of the terms and conditions of the Resolution and the Series 2015 GR Notes, and the execution and delivery of the Series 2015 GR Notes, will not result in a violation of or be in conflict with any term or provision of any existing law, or of any approval by any governmental agency, board or commission necessary for the adoption of, or performance of the Authority's obligations under, the Resolution.

7. The Financing Agreement, dated as of May 1, 1998, between the Authority and Long Island Lighting Company d/b/a LIPA (as successor by merger to LIPA Acquisition Corp.) (the "Subsidiary") has been duly authorized, executed and delivered by the Authority and the Subsidiary and is a valid and binding obligation of the parties thereto, enforceable in accordance with its terms.

8. Interest on the Series 2015 GR Taxable Notes is included in gross income for federal income tax purposes pursuant to the Internal Revenue Code of 1986, as amended.

9. Under existing statutes, interest on the Series 2015 GR Notes is exempt from personal income taxes imposed by the State or any political subdivision thereof, and the Series 2015 GR Notes are exempt from all taxation directly imposed thereon by or under the authority of the State, except estate or gift taxes and taxes on transfers.

The opinions expressed in paragraphs 2, 3, 4 and 7 above are subject to applicable bankruptcy, insolvency, reorganization, moratorium and other laws heretofore or hereafter enacted affecting creditors' rights, and are subject to the application of principles of equity relating to or affecting the enforcement of contractual obligations, whether such enforcement is considered in a proceeding in equity or at law.

Except as stated in paragraphs 8 and 9, we express no opinion regarding any other federal or state tax consequences with respect to the Series 2015 GR Notes. This opinion is issued under existing statutes and court decisions as of the date hereof and we assume no obligation to update this opinion after the date hereof to reflect any future action, fact or circumstance or change in law or interpretation, or otherwise.

You may continue to rely upon this opinion to the extent (i) we have not advised you that this opinion may no longer be relied upon, (ii) there is no change in pertinent existing law or regulations or in interpretations thereof subsequent to the date of issuance of this opinion, (iii) the representations, warranties, covenants and agreements contained in the Resolution, and in certificates executed and delivered by authorized officers of the Authority and the Subsidiary (and supplements and additions thereto satisfactory to us), remain true and accurate and are complied with and (iv) no litigation is pending affecting the issuance, legality or validity of any Series 2015 GR Notes.

This opinion is issued as of the date hereof, and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention, or any changes in law, or in interpretations thereof, that may hereafter occur, or for any other reason whatsoever. Without limiting the generality of the foregoing, we undertake no responsibility to either (i) notify you or any other person prior to the delivery of any Series 2015 GR Notes if the conditions stated in the preceding paragraph have not been met or (ii) to review any legal matters incident to the authorization, issuance and validity of the Series 2015 GR Notes after the date hereof.

In rendering the foregoing opinions, we have made a review of such legal proceedings as we have deemed necessary to approve the legality and validity of the Series 2015 GR Notes. In rendering the foregoing opinions we have not been requested to examine any document or financial or other information concerning the Authority or the programs to be financed with the Series 2015 GR Notes other than the record of proceedings referred to above, and we express no opinion as to the accuracy, adequacy or sufficiency of any financial or other information which has been or will be supplied to purchasers of the Series 2015 GR Notes.

Very truly yours,
