FOR CONSIDERATION

December 16, 2020

TO: The Board of Trustees

FROM: Thomas Falcone

SUBJECT: 2021 Plan of Finance and Amendments to Certain Contracts referencing LIBOR

Requested Action

The Board of Trustees (the “Board”) of the Long Island Power Authority (“LIPA”) is requested to authorize the issuance of up to \$560,000,000 aggregate principal amount of Electric System Revenue Bonds (the “Authorized Bonds”) for the purposes described below.

The Board is also requested to authorize LIPA Staff to negotiate and deliver amendments to interest rate exchange or swap agreements, letter of credit and reimbursement agreements, revolving credit agreements, fuel cost hedging arrangements, and direct placement agreements as well as other documents relating to its Electric System General Revenue Bonds and other indebtedness that reference the London Interbank Offered Rate (“LIBOR”).

Plan of Finance

LIPA’s 2021 Plan of Finance includes the following elements, some of which have previously been presented to and approved by the Board:

- (i) Issuance of the Authorized Bonds in an amount no greater than \$560,000,000 for the purposes of funding the costs of system improvements and/or reimbursing such costs already incurred, including refinancing of notes or revolving credit agreement borrowings incurred to finance such costs.
- (ii) Issuance of the Medium Term Notes authorized by the Trustees at their September 23, 2020 meeting in an amount no greater than \$350,000,000 for system repairs due to damage from severe storms, including Tropical Storm Isaias.
- (iii) Issuance of bonds authorized by the Trustees at their December 18, 2019 and May 20, 2020 meetings in an amount no greater than \$1,086,025,000 for the purposes of refunding LIPA’s fixed or variable rate bonds or notes.

Refunding Bonds Authorized December 18, 2019	Refunding Bonds Authorized May 20, 2020	Total Refunding Bonds Authorized	Refunding Bonds Issued August 20, 2020	Remaining Refunding Bonds Previously Authorized
\$200,000,000	\$1,000,000,000	\$1,200,000,000	\$113,975,000	\$1,086,025,000

- (iv) Making amendments to certain LIPA contracts including, but not limited to, interest rate exchange or swap agreements, letter of credit and reimbursement agreements, revolving credit agreements, fuel cost hedging arrangements, and direct placement agreements as

well as other documents relating to its Electric System General Revenue Bonds and other indebtedness (collectively, the “LIBOR Contracts”) which reference LIBOR for interest rate setting purposes.

Authorized Actions

The Authorized Bonds

The Authorized Bonds will be issued as either fixed-rate or variable-rate bonds or a combination thereof and sold either on a negotiated basis (i) to one or more underwriters for resale to investors or (ii) directly to one or more investors or financial institutions. In each case, the sale shall be at such price or prices as determined to be the most cost-effective and advantageous for LIPA. The new Authorized Bonds could be issued in conjunction with such previously authorized, but not yet issued, bonds or be sold separately.

Any underwriter, dealer, or swap counterparty will be one of the firms approved pursuant to LIPA’s most recent procurement for underwriting, investment banking, and swap counterparty services, which firms include BofA Merrill Lynch, Barclays, Citigroup, Goldman Sachs & Co., J.P. Morgan, Loop Capital Markets, Morgan Stanley, RBC Capital Markets, Ramirez & Co. Inc., Siebert Cisneros Shank & Co. LLC, TD Securities, UBS, and Wells Fargo Securities. The Trustees are requested to permit the Chief Executive Officer, Chief Financial Officer or Vice President -- Controller to designate, as necessary, the underwriters, remarketing agents, or swap counterparties, as applicable, assigned to each bond series from the approved list of firms.

In addition to the issuance of the Authorized Bonds to finance Cost of System Improvements, LIPA has determined that it may be appropriate to enter into one or more interest rate or basis swaps (“Financial Contracts”) relating to the Authorized Bonds, should they provide debt service savings or mitigate interest rate risk for the Authorized Bonds as compared to merely issuing conventional fixed-rate or floating-rate bonds. Authorization to enter into such Financial Contracts with an aggregate notional amount of up to \$560,000,000 is requested. The material terms of the agreements relating to any such Financial Contracts are expected to be substantially similar to agreements previously entered into by LIPA and may include interest rate risk, basis risk, settlement risk, termination risk, counterparty risk, and certain continuing covenants. Any such Financial Contracts would be approved by the LIPA’s Executive Risk Management Committee, per the Board’s Policy on Interest Rate Exchange Agreements.

The LIBOR Contracts

On July 27, 2017, the Financial Conduct Authority, the United Kingdom regulator and overseer of LIBOR, announced that all currency and term variants of LIBOR may be phased out after the end of 2021 (the “LIBOR Phase Out”). Although LIBOR is expected to continue to be published after the end of 2021, it may cease to be a representative reference rate after such date. Since 2017, regulators and industry groups have worked to identify alternative indexes and to provide guidance regarding the LIBOR Phase Out. As of October 9, 2020, the US Treasury Department and the Internal Revenue Service have issued guidance permitting modification of contracts without triggering a taxable event.

In anticipation of the LIBOR Phase Out, LIPA Staff recommends amendments to the LIBOR Contracts to replace references to LIBOR with an alternative rate calculation mechanism.

Recommendation

Based upon the foregoing and the recommendation of the Finance and Audit Committee, I recommend that the Trustees adopt the resolutions attached hereto authorizing the issuance of up to \$560,000,000 aggregate principal of Electric System General Revenue Bonds to fund Cost of System Improvements and the execution and delivery of one or more new Financial Contracts, all as described above.

Additionally, based upon the foregoing, I recommend that the Board adopt the resolution attached hereto authorizing the negotiation and delivery of amendments to the LIBOR Contracts.

AUTHORIZATION RELATING TO THE ISSUANCE OF ELECTRIC SYSTEM GENERAL REVENUE BONDS FOR THE PURPOSES OF FUNDING COSTS OF SYSTEM IMPROVEMENTS AND CERTAIN OTHER COSTS

WHEREAS, on May 13, 1998, Long Island Power Authority (the "Authority") adopted its Electric System General Revenue Bond Resolution (the "General Resolution"), which authorizes bonds, notes or other evidences of indebtedness of the Authority, such bonds to be designated as "Electric System General Revenue Bonds" (the "Bonds"), for, among other purposes, funding Costs of System Improvements (as defined in the General Resolution) and other lawful purposes of the Authority and refunding other bonds or notes of the Authority; and

WHEREAS, Article II of the General Resolution requires that the issuance of each series of Bonds by the Authority shall be authorized by a supplemental resolution or resolutions of the Authority adopted at or prior to the time of issuance, subject to further delegation to certain officers to establish the details of the terms of such Bonds; and

WHEREAS, the Authority wishes to authorize the issuance of one or more series of Bonds (the "Authorized Bonds") for the purpose of funding Costs of System Improvements (as defined in the General Resolution) and/or reimbursing such costs already incurred, including refinancing of notes or revolving credit agreement borrowings incurred to finance such costs, which Authorized Bonds shall be in an aggregate principal amount not to exceed \$560,000,000 in principal amount and shall be issued for the purpose of funding Costs of System Improvements; provided that the principal amount of any bond anticipation notes issued pursuant to this resolution which are refunded with Bonds issued pursuant to the Thirty-First Supplemental General Resolution (as defined herein) shall be excluded for purposes of the limit on the principal amount of Authorized Bonds that may be issued; and

WHEREAS, the Authority wishes to issue the Authorized Bonds as either a fixed rate or variable rate or a combination thereof; and

WHEREAS, in order to achieve such purposes there has been prepared and submitted to the Trustees a form of Thirty-First Supplemental Resolution (the "Thirty-First Supplemental General Resolution"); and

WHEREAS, the General Resolution permits the Authority to enter into Financial Contracts (as defined therein), which include interest rate caps or collars and forward rate, future rate and certain swap agreements with Qualified Counterparties (as defined therein); and

WHEREAS, the Authority has determined that the use of such swap agreements is appropriate in certain circumstances but recognizes that certain risks can arise in connection with their use and the Authority has adopted guidelines (the "Guidelines") for the use of such agreements in order to assure that such agreements are used for appropriate purposes and to assure that the risks potentially associated with such agreements are effectively managed and minimized; and

WHEREAS, under current market conditions the Authority has determined that it may achieve debt service savings by entering into one or more such interest rate swap agreements in an aggregate notional amount of up to \$560,000,000 relating to all or a portion of the Authorized Bonds pursuant to which the Authority and the counterparties thereto would agree to make payments to one another based principally upon certain indices, formulae or methods to be specified therein; and

WHEREAS, the decision as to which specific strategy or strategies to be employed in connection with such new or existing interest rate swap agreements and the indices, formulae or methods to be used in calculating payments to be made to the Authority or the counterparties will be made by the Chief Executive Officer or Chief Financial Officer, taking into account market conditions and the advice of the Authority's Financial Advisor, with the intention of lowering the effective rate of interest payable in connection with the Authority's indebtedness or mitigating risks associated with such indebtedness consistent with interest rate and other risk considerations;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The Thirty-First Supplemental General Resolution, in the form presented to this meeting and made a part of this resolution as though set forth in full herein, is hereby approved and adopted. The Chief Executive Officer, Chief Financial Officer, Vice President-Controller and Secretary (collectively, the "Authorized Officers") are each hereby authorized to deliver the Thirty-First Supplemental General Resolution to The Bank of New York Mellon, as the Trustee for the Bonds, with such amendments, supplements, changes, insertions and omissions thereto as may be approved by such Authorized Officer, which amendments, supplements, insertions and omissions shall be deemed to be part of such resolution as approved and adopted hereby.

2. The Chief Executive Officer and the Chief Financial Officer are each authorized to sell all Bonds issued on a negotiated basis either (i) to one or more underwriters for resale to investors or (ii) by private placement to one or more investors or financial institutions. The Chief Executive Officer and the Chief Financial Officer are each authorized to sell all Bonds issued on a competitive basis to one or more underwriters for resale to investors. In each case, the sale shall be at such price or prices as determined to be the most cost effective and advantageous for the Authority.

3. Each of the Chief Executive Officer and the Chief Financial Officer is hereby authorized with respect to each series of the Authorized Bonds, to execute and deliver (i) a Bond Purchase Agreement (a "Bond Purchase Agreement") in substantially the form of the bond purchase agreement executed by the Authority in connection with the issuance of the Authority's Electric System General Revenue Bonds, Series 2020, with such modifications thereto as the Chief Executive Officer or Chief Financial Officer, upon the advice of counsel to the Authority, approves, (ii) in connection with any private placement of the Authorized Bonds, a placement continuing covenant or other financing, loan or credit agreement (each a "Placement Agreement") with the purchaser(s) thereof in such form, upon advice of counsel to the Authority, as may be approved by the Chief Executive Officer or Chief Financial Officer, which approval in each case shall be conclusively evidenced by the execution thereof by the Chief Executive Officer or Chief Financial Officer, or (iii) in connection with any competitive sale of the Authorized Bonds, a

Notice of Sale or other bidding documents (each a “Bidding Document”) with the purchaser(s) thereof in such form, upon advice of counsel to the Authority, as may be approved by the Chief Executive Officer or Chief Financial Officer, which approval in each case shall be conclusively evidenced by the execution thereof by the Chief Executive Officer or Chief Financial Officer.

4. Each of the Chief Executive Officer and the Chief Financial Officer is hereby authorized and directed to execute and deliver any and all documents, including but not limited to the execution and delivery of one or more official statements or other disclosure documents and instruments and to do and cause to be done any and all acts necessary or proper for carrying out each Bond Purchase Agreement or Placement Agreement, the issuance, sale and delivery of the Authorized Bonds and for implementing the terms of each Bond Purchase Agreement or Placement Agreement, and the transactions contemplated thereby, the Thirty-First Supplemental General Resolution and this resolution.

5. As and to the extent that the Chief Executive Officer or the Chief Financial Officer determines that it would be advantageous in current market conditions to issue bond anticipation notes, such officer is hereby authorized to determine whether such bond anticipation notes shall be issued as “Bonds” or “Subordinated Indebtedness” (as defined in the General Resolution). In the event that bond anticipation notes are issued as Subordinated Indebtedness, the details thereof shall be incorporated in a Note Certificate executed by such officer and delivered to the trustees under the General Resolution and the Authority’s Electric System General Subordinated Revenue Bond Resolution, along with a copy of this resolution. Such Note Certificate may include such amendments and modifications to the provisions of this resolution as such officer shall determine necessary and appropriate to effectuate such determinations and details. A copy of such Note Certificate also shall be filed with this resolution into the records of the Authority and, upon such filing, shall be deemed to be a part of this resolution as if set forth in full herein.

6. The Chief Executive Officer and the Chief Financial Officer are, and each of them hereby is, authorized to enter into interest rate swap agreements in an aggregate notional amount of up to \$560,000,000 relating to the Authorized Bonds with such Qualified Counterparties (as defined in the General Resolution) as such officers may select in accordance with the Guidelines, which agreements shall (i) commence on such date or dates as the Chief Executive Officer or Chief Financial Officer specifies, (ii) have a term ending on or prior to the anticipated final maturity of the bonds to which they relate, as the Chief Executive Officer or Chief Financial Officer specifies, (iii) provide for payments to the Authority determined based upon such index, formula or method as may be approved by the Chief Executive Officer or Chief Financial Officer, and (iv) otherwise be in accordance with the Guidelines and substantially in the form of interest rate swap agreements entered into by the Authority in relation to other interest rate swap transactions, with such changes and additions to and omissions from such form as such authorized executing officer deems in his discretion to be necessary or appropriate, such execution to be conclusive evidence of such approval. In connection with the authorizations herein set forth, the Authority has determined, after consideration of the risks inherent in the use of interest rate swap agreements, including those outlined in the memo submitted to the Trustees in connection with the financing authorized hereby and the advice of the Authority’s financial advisor relating to the use of the proposed interest rate swap agreements, that (a) the use of such interest rate swap agreements

will, in the judgment of the Authority, result in lowering the effective rate of interest payable in connection with the Authority's indebtedness, (b) the risks of the proposed interest rate swap agreements are both manageable and reasonable in relation to the potential benefits; and (c) the proposed interest rate swap agreements are necessary or convenient in the exercise of the power and functions of the Authority under the Act.

7. The Chief Executive Officer and the Chief Financial Officer are, and each of them hereby is, authorized to enter into reimbursement or other agreements with banks or other financial institutions providing Credit Facilities (as defined in the General Resolution) in connection with the Authorized Bonds, which agreements shall be substantially similar to such agreements previously entered into by the Authority in relation to other Credit Facilities, with such changes and additions to and omissions from such prior agreements as such authorized executing officer deems in his discretion to be necessary or appropriate, such execution to be conclusive evidence of such approval. Such agreements may be entered into with such banks or financial institutions as the Chief Executive Officer and the Chief Financial Officer shall select, in accordance with the Authority's procurement procedures.

8. Each of the Chief Executive Officer and the Chief Financial Officer are hereby further authorized and directed to execute and deliver any and all documents and instruments and to do any and all acts necessary or proper for carrying out and implementing the terms of, and the transactions contemplated by this resolution and each of the documents authorized thereby and hereby.

9. This resolution shall take effect immediately

Neither the Authority nor any Fiduciary shall have any responsibility or obligation to the DTC participants, beneficial owners or other nominees of such beneficial owners for (1) sending transaction statements; (2) maintaining, supervising or reviewing, or the accuracy of, any records maintained by DTC or any DTC participant, indirect participant or other nominees of such beneficial owners; (3) payment or the timeliness of payment by DTC to any DTC participant, indirect participant or by any DTC participant, indirect participant or other nominees of beneficial owners to any beneficial owner, of any amount due in respect of the principal or the Redemption Price of or interest on Bonds; (4) delivery or timely delivery by DTC to any DTC participant or indirect participant, or by any DTC participant, indirect participant or other nominees of beneficial owners to any beneficial owners, of any notice (including notice of redemption) or other communication which is required or permitted under the terms of the General Resolution to be given to holders or Owners of Bonds; (5) the selection of the beneficial owners to receive payment in the event of any partial redemption of Bonds; or (6) any action taken by DTC or its nominee as the registered Owner of the Bonds.

Notwithstanding any other provisions of this Supplemental Resolution to the contrary, the Authority, the Trustee and each other Fiduciary shall be entitled to treat and consider the Person in whose name each Bond is registered in the books of registry as the absolute owner of such Bond for the purpose of payment of principal, the Purchase Price, the Redemption Price, and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal and the Redemption Price of and interest on the Bonds only to or upon the order of the respective Owners, as shown on the books of registry as provided in this Supplemental Resolution, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to payment of principal and the Redemption Price of and interest on the Bonds to the extent of the sum or sums so paid.

Notwithstanding any other provisions of this Supplemental Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal, the Purchase Price and the Redemption Price of, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, pursuant to DTC's rules and procedures.

Payments by the DTC participants to beneficial owners will be governed by standing instructions and customary practices, as is now the case with municipal securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such DTC participant and not of DTC, the Trustee or the Authority, subject to any statutory and regulatory requirements as may be in effect from time to time.

Provisions similar to those contained in this subsection (a) may be made by the Authority in connection with the appointment by the Authority of a substitute Securities Depository, or in the event of a successor to any Securities Depository.

Authorized Officers are hereby authorized to enter into such representations and agreements as they deem necessary and appropriate in furtherance of the provisions of this subsection (a).

(b) Replacement Bonds. The Authority shall issue Bond certificates (the “Replacement Bonds”) directly to the beneficial owners of the Bonds, or their nominees, in the event that DTC determines to discontinue providing its services as Securities Depository with respect to such Bonds, at any time by giving notice to the Authority, and the Authority fails to appoint another qualified Securities Depository to replace DTC. In addition, the Authority shall issue Replacement Bonds directly to the beneficial owners of the Bonds, or their nominees, in the event the Authority discontinues use of DTC as Securities Depository at any time upon determination by the Authority, in its sole discretion and without the consent of any other Person, that beneficial owners of the Bonds shall be able to obtain certificated Bonds.

(c) Notices. In connection with any notice of redemption provided in accordance with Article VI of the General Resolution, notice of such redemption shall also be sent by the Trustee by first class mail, overnight delivery service or other secure overnight means, postage prepaid, to any Rating Agency; to the Securities Depository which are known to the Trustee to be holding Bonds, to any Liquidity Facility Issuer with respect to such Bonds, and to at least two (2) of the national Information Services that disseminate securities redemption notices, in each case not later than the mailing of notice required by the General Resolution.

204. Delegation of Authority. There is hereby delegated to each Authorized Representative of the Authority, subject to the limitations contained herein, the power with respect to the Bonds of each Series to determine and effectuate the following:

(a) the principal amount of the Bonds of each Series to be issued, provided that the aggregate original principal amount of Bonds of all Series shall not exceed the limit set forth in Section 201(b);

(b) whether to issue Bonds as “bond anticipation notes” and the maturities, interest rates, tender and redemption provisions, if any, and other terms of such bond anticipation notes;

(c) the dated date or dates, maturity date or dates and principal amount of each maturity of the Bonds of such Series, the first and subsequent interest payment date or dates of the Bonds of such Series, and the date or dates from which the Bonds of such Series shall bear interest;

(d) the methods of determining the interest rate applicable to the Bonds of such Series which may include Commercial Paper Rates, Daily Rates, Index Rates, Term Rates, Fixed Rates, Weekly Rates or other methods of determining the interest rate applicable to such Bonds and the initial interest rate or rates of the Bonds of such Series, provided that the initial interest rate or rates applicable to the Bonds of a Series at the date of their issuance shall not exceed six percent (6%) per annum;

- (e) the amounts of the proceeds of the Bonds of each Series to be deposited and applied in accordance with Section 202 hereof;
- (f) the redemption provisions, if any, of the Bonds;
- (g) the tender provisions, if any, of the Bonds;
- (h) the definitive form or forms of the Bonds and the definitive form or forms of the Trustee's certificate of authentication thereon;
- (i) the specification, from time to time, of a new Maximum Rate, in accordance with the definition thereof;
- (j) provisions that are deemed advisable by such Authorized Representative in connection with a change in the Mode applicable to the Bonds of a Series;
- (k) obtaining any Credit Facility or Liquidity Facility related to the Bonds of a Series or any portion thereof, and complying with any commitment therefor including executing and delivering any related agreement with any Credit Facility Issuer or Liquidity Facility Issuer, to the extent that such Authorized Representative determines that to do so would be in the best interest of the Authority;
- (l) whether the interest on the Bonds will be included in gross income for Federal income tax purposes; and
- (m) any other provisions deemed advisable by such Authorized Representative, not in conflict with the provisions hereof or of the General Resolution.

Such Authorized Representative shall execute one or more certificates evidencing determinations or other actions taken pursuant to the authority granted herein, an executed copy of which shall be delivered to the Trustee. Each such certificate shall be deemed a Certificate of Determination and shall be conclusive evidence of the action or determination of such officer as to the matters stated therein. The provisions of each Certificate of Determination shall be deemed to be incorporated in Article II hereof. No such Certificate of Determination, nor any amendment to this Supplemental Resolution, shall change or modify any of the rights or obligations of any Credit Facility Issuer or any Liquidity Facility Issuer without its written assent thereto.

205. **Form of Bonds and Trustee's Authentication Certificate.** Subject to the provisions of the General Resolution and this Supplemental Resolution, the form of the Bonds of each Series, form of assignment, and the Trustee's Certificate of Authentication shall be in substantially the form set forth in the applicable Certificate of Determination. Any portion of the text of any Bond of a Series may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Bond. Bonds of any Series may be typewritten, printed, engraved, lithographed or otherwise reproduced and may incorporate such legends and other additional text as may be customary, including but not limited to any legend to reflect delivery of the Bonds of any Series to a Securities Depository.

206. **Denominations; Medium, Method and Place of Payment of Principal and Interest; Dating.** The Bonds of each Series shall be issued in the form of fully registered bonds in Authorized Denominations and shall be numbered, lettered and dated as prescribed in the applicable Certificate of Determination. The principal of and premium, if any, and interest on the Bonds of each Series shall be payable in lawful money of the United States of America as provided in the applicable Certificate of Determination.

Interest on Bonds of a Series shall be calculated as provided in the applicable Certificate of Determination. The interest rates for Bonds of a Series contained in the records of the Trustee shall be conclusive and binding, absent manifest error, upon the Authority, the Remarketing Agent, the Tender Agent, the Trustee, the Liquidity Facility Issuer, the Credit Facility Issuer and the Owners.

No Bond of a Series may bear interest at an interest rate higher than the Maximum Rate.

207. **Determination of Interest Rate(s); Purchase Price.** The interest rate applicable during any Rate Period (other than a Fixed Rate determined on or prior to the date of issuance of the related Bonds) shall be determined in accordance with the applicable Certificate of Determination. Except as otherwise provided in the applicable Certificate of Determination, any such rate shall be the minimum rate that, in the sole judgment of the Remarketing Agent, would result in a sale of the Bonds of the Series at a price equal to the principal amount thereof on the date on which the interest rate on such Bonds is required to be determined in accordance with the applicable Certificate of Determination, taking into consideration the duration of the Interest Period, which shall be established by the Authority.

ARTICLE III

The Purchaser or Purchasers of the Bonds of each Series shall be approved by the Chief Executive Officer and shall be one or more of the financial institutions approved by the Authority to act as underwriters of the Authority's bonds.

(b) The Authority hereby authorizes one or more Bond Purchase Agreements with respect to the Bonds, which in the case of any series of Bonds being sold to a purchaser for resale to the public, shall be in substantially the form of the bond purchase agreements executed by the Authority in connection with the issuance of the Authority's Electric System General Revenue Bonds, Series 2020 (the "Series 2020 Bonds"), with such modifications thereto as any Authorized Representative of the Authority, upon the advice of counsel to the Authority, approves, but subject to subsection (a) above. In the case of a placement of Bonds with one or more investors or financial institutions, the Bond Purchase Agreement shall be in such form as any Authorized Representative of the Authority, upon the advice of counsel to the Authority, approves, but subject to subsection (a) above. Any Authorized Representative of the Authority is hereby authorized to execute and deliver such Bond Purchase Agreements, which execution and delivery shall be conclusive evidence of the approval of any such modifications. Any Bond Purchase Agreement or placement agreement may provide for the sale of the Bonds on a forward delivery basis.

(c) The Bonds of each Series may be sold to the Purchasers therefor pursuant to a competitive sale, upon the terms and conditions set forth in a Notice of Sale at an aggregate purchase price (excluding accrued interest) of not less than ninety-five percent (95%) of the aggregate principal amount of such Bonds to be sold.

302. **Preliminary and Final Official Statements.** The Authority hereby authorizes one or more preliminary and final official statements substantially in the form of the Official Statements, delivered with respect to the Authority's Series 2020 Bonds, with such modifications thereto as any Authorized Representative of the Authority, upon the advice of counsel to the Authority, approves, including, without limitation, modifications to reflect matters reflected in continuing disclosure filings made with the Municipal Securities Rulemaking Board subsequent to the date of such Official Statement. Any Authorized Representative of the Authority is hereby authorized to deliver such preliminary official statements to the Purchasers for delivery to prospective purchasers of the Bonds and to execute copies of such final official statement and deliver the same to the Purchasers or Remarketing Agents, as the case may be, in connection with the original issuance of the Bonds of any Series or the remarketing thereof, which execution and delivery shall be conclusive evidence of the approvals of such preliminary and final official statements. The Authority hereby authorizes the use of such preliminary and final official statements and the information contained therein in connection with the public offering and sale of the Bonds of each Series by the Purchasers.

303. **Continuing Disclosure.** The Authority hereby approves the Continuing Disclosure Certificate substantially in the form delivered in connection with the Series 2020 Bonds, and authorizes any Authorized Representative to execute and deliver the same, or any similar undertaking, whether in the form of an agreement with the Trustee or any other instrument, to provide secondary market disclosure in order to permit the Purchasers of the Bonds of any Series to comply with

Rule 15c2-12 of the Securities and Exchange Commission, with such modifications as any Authorized Representative, upon the advice of counsel to the Authority, approves, which execution and delivery shall be conclusive evidence of the approval of such modifications. The Authority covenants with the Owners from time to time of the Bonds of each Series for which a Continuing Disclosure Certificate is delivered that it will, and hereby authorizes the appropriate officers and employees of the Authority to take all action necessary or appropriate to, comply with and carry out all of the provisions of such undertaking as amended from time to time. Notwithstanding any other provision of the Resolution, failure of the Authority to perform in accordance with such continuing disclosure undertaking shall not constitute a default or an Event of Default under the Resolution and shall not result in any acceleration of payment of the Bonds of any Series, and the rights and remedies provided by the Resolution upon the occurrence of such a default or an Event of Default shall not apply to any such failure, but such undertaking may be enforced only as provided therein.

304. **Remarketing Agreements and Tender Agency Agreements.** The Authority hereby authorizes one or more Remarketing Agreements and Tender Agency Agreements with respect to the Bonds of any Series in substantially the form of the remarketing agreements and the tender agency agreements entered into by the Authority in connection with prior series of Bonds, with such modifications and with such Remarketing Agents and such Tender Agents as any Authorized Representative, upon the advice of counsel to the Authority, approves. Any Authorized Representative of the Authority is hereby authorized to execute and deliver such Remarketing Agreements and such Tender Agency Agreements in connection with the original issuance of the Bonds of any Series or remarketing thereof, which execution and delivery shall be conclusive evidence of the approval of any such modifications.

305. **Further Authority.** All Authorized Representatives of the Authority are and each of them is hereby authorized and directed to execute and deliver any and all agreements, documents and instruments and to do and cause to be done any and all acts necessary or proper for carrying out this Supplemental Resolution and each agreement authorized hereby, the issuance, sale and delivery and remarketing of the Bonds of any Series and for implementing the terms of each such agreement and the transactions contemplated thereby and by this Supplemental Resolution.

402. **Optional and Mandatory Purchase of Bonds.** The Bonds of a Series shall be subject to optional and mandatory tender for purchase to the extent, at the times and subject to such conditions as shall be set forth in the applicable Certificate of Determination.

403. **Purchase Fund.** A Purchase Fund may be established in a Certificate of Determination in connection with the delivery to the Trustee of a Liquidity Facility, which fund, if established, shall be held by the Tender Agent and may have such separate accounts as shall be established in such Certificate of Determination. Such Purchase Fund and accounts therein may be established for the purpose of depositing moneys obtained from (i) the remarketing of Bonds of a Series which is subject to tender for purchase in accordance with the applicable Certificate of Determination, (ii) draws under a Liquidity Facility and (iii) the Authority. Such deposited moneys shall be used solely to pay the Purchase Price of Bonds of such Series or to reimburse a Liquidity Facility Issuer.

404. **Remarketing of Bonds of a Series; Notices.** The Remarketing Agent for Bonds of a Series shall offer for sale and use its best efforts to find purchasers for all Bonds of such Series required to be tendered for purchase. (b) As may be more particularly set forth in the applicable Certificate of Determination, on or before the close of business on the Purchase Date or the Mandatory Purchase Date with respect to Bonds of a Series, the Tender Agent shall purchase such Bonds from the Owners at the Purchase Price. Except as otherwise provided in a Certificate of Determination, funds for the payment of such Purchase Price shall be derived in the order of priority indicated:

(i) immediately available funds transferred by the Remarketing Agent to the Tender Agent derived from the remarketing of the Bonds; and

ARTICLE V

COVENANTS

501. **Tax Covenant.** (a) Subject to subsection (e) of this Section, the Authority shall not take or omit to take any action which would cause interest on any Bonds authorized by this Supplemental Resolution to be included in the gross income of any Owner thereof for Federal income tax purposes by reason of subsection (b) of Section 103 of the Code. Without limiting the generality of the foregoing, no part of the proceeds of any Bonds or any other funds of the Authority shall be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Bond to be an “arbitrage bond” as defined in section 148 of the Code and to be subject to treatment under subsection (b)(2) of Section 103 of the Code as an obligation not described in subsection (a) of said section. The Authority shall make such payments to the United States as may be necessary to comply with the provisions of Section 148 of the Code.

(b) There is hereby delegated to each Authorized Representative of the Authority the power to execute and deliver for and on behalf of the Authority one or more Arbitrage and Use of Proceeds Certificates with respect to the Bonds of each Series in furtherance of the covenant in subsection (a).

(c) Notwithstanding any other provision of the Resolution to the contrary, upon the Authority’s failure to observe, or refusal to comply with, the covenants in subsection (a) above, the Owners of the Bonds, or the Trustee acting on their behalf, shall be entitled only to the right of specific performance of such covenant, and shall not be entitled to any of the other rights and remedies provided under Article X of the General Resolution.

(d) Notwithstanding Section 1201 of the General Resolution, the Owners of the Bonds of any Series shall be entitled to the benefit of the covenants in subsection (a) above until the retirement of the Bonds of such Series, whether at maturity or earlier redemption or otherwise.

(e) The preceding clauses of this Section 501 shall not apply to any Bonds authorized by this Supplemental Resolution the interest on which is included in gross income for Federal income tax purposes.

502. **Trustee and Paying Agent.** The Trustee heretofore appointed pursuant to the General Resolution, is also appointed as Paying Agent for the Bonds.

503. **Remarketing Agent.** The Authority shall appoint and employ the services of a Remarketing Agent prior to any Purchase Date or Mode Change Date while the Bonds of any Series are in the Commercial Paper Mode, Daily Rate Mode, Weekly Rate Mode, Index Mode or Term Rate Mode. As and to the extent so provided in the related reimbursement agreement, no appointment of the Remarketing Agent for the Bonds of a Series shall be effective without the consent of the Credit Facility Issuer or the Liquidity Facility Issuer, as the case may be, for the Bonds of such Series. Such consent shall be deemed to have been given if such Credit Facility Issuer or Liquidity Facility Issuer, as the case may be, unreasonably withholds its consent. The Authority shall have the right to remove the Remarketing Agent as provided in the Remarketing Agreement. To the extent so provided in the related reimbursement agreement, the Authority shall, upon a written direction of the Credit Facility Issuer or the Liquidity Facility Issuer for the Bonds of a Series, remove the Remarketing Agent for the Bonds of such Series if the Remarketing Agent fails to comply with its obligations under the Remarketing Agreement.

504. **Tender Agent.** The Authority shall appoint and employ the services of a Tender Agent prior to any Purchase Date or Mode Change Date while the Bonds of any Series are in the Daily Rate, Weekly Rate, the Term Rate Mode, the Index Rate Mode or the Commercial Paper Mode. The Authority shall have the right to remove the Tender Agent as provided in the Tender Agency Agreement.

ARTICLE VI

Each such amendment shall become effective on any Mandatory Purchase Date applicable to the Bonds of a Series affected by such amendment next following the filing of a copy thereof, certified by an Authorized Officer, with the Trustee, the Tender Agent, the Remarketing Agent, the Credit Facility Issuer and the Liquidity Facility Issuer with respect to the Bonds of such Series.

603. **Effective Date.** This Supplemental Resolution shall be fully effective in accordance with its terms upon the filing with the Trustee of a copy hereof certified by an Authorized Representative.
