Dear Stakeholders:

Section 2800 of New York's Public Authorities Law requires the Long Island Power Authority (LIPA) to file reports describing, among other things, its operations and accomplishments, mission statement, and measurements. The enclosed Annual Work Plan Report summarizes the accomplishments of LIPA's staff towards the objectives presented to the Board in 2020 and the projects that are planned for 2021. The 2021 projects build on 2020's accomplishments and advance LIPA's mission to enable clean, reliable, and affordable electric service and the Board's vision to be **Clean, Lean, and Customer First**.

With sincere regards,

/s/ Bobbi O'Connor
