UTILITY DEBT SECURITIZATION
(A Component Unit of the Long Island Power Authority)

Introduction

The Utility Debt Securitization Authority (UDSA) was created by Part B of Chapter 173, Laws of New York, 2013 (as amended by Chapter 58 of the Laws of New York, 2015, the “Securitization Law”), allowing for the retirement of certain outstanding indebtedness of the Long Island Power Authority (LIPA) through the issuance of securitized restructuring bonds (Restructuring Bonds) by the UDSA. The Restructuring Bonds are to be repaid by an irrevocable, nonbypassable restructuring charge on all LIPA customer bills.

The 2013 Securitization Law permitted LIPA’s Board of Trustees (Board) to adopt financing orders pursuant to which the UDSA issued Restructuring Bonds in an amount not to exceed \$4.5 billion. LIPA successfully sought a change to permit the UDSA to issue up to \$8.0 billion of securitized bonds (inclusive of the bonds already issued) for refinancing, storm hardening and resiliency purposes. The legislation authorizing the change was signed into law on August 2, 2021.

LIPA’s Board adopted Financing Order No. 1 on October 3, 2013, Financing Orders No. 2, No. 3 and No. 4 on June 26, 2015 and Financing Order No. 5 on September 29, 2017, each authorizing the UDSA to issue Restructuring Bonds. All such financing orders are substantively the same. Each financing order authorized Restructuring Bonds secured by a separate restructuring charge created pursuant to that financing order. The proceeds of the UDSA restructuring bonds refunded certain LIPA bonds and generated total net present value debt service savings of approximately \$492 million for LIPA’s customers.

Overview of the Financial Statements

The annual financial report for the Utility Debt Securitization Authority (UDSA) includes management’s discussion and analysis and the Basic Financial Statements. The Basic Financial Statements consist of the Statements of Net Position, the Statements of Revenue, Expenses, and Changes in Net Position, and the Statements of Cash Flows.

The Statements of Net Position provide information about the nature and amount of resources and obligations at a specific point in time.

The Statements of Revenues, Expenses, and Changes in Net Position report all of UDSA’s revenues and expenses for the periods shown.

The Statements of Cash Flows report the cash provided and used by Operating activities, as well as other cash sources, such as investment income, and other cash uses such as payments for debt service.

MANAGEMENT'S DISCUSSION AND ANALYSIS (Unaudited)

Six-Month Period ended June 30, 2021 Compared to 2020

The UDSA results for the six months ended June 30, 2021 showed a decrease of \$4 million in the change in net position compared to the first six months of 2020. The net position and changes in net position reflect the timing differences between the accrual-based accounting required under generally accepted accounting principles and the ratemaking treatment followed by the UDSA. The UDSA's Restructuring Charge is set at an amount sufficient to recover the debt service payments and other cash operating expenses that the UDSA incurs in any given year, which differs from the accrued revenue and expenses recognized.

Operating revenues

Operating revenue increased \$20 million compared to 2020 due to an increase in the securitization charge resulting from higher debt service in 2021.

Operating expenses

Operating expenses increased \$26 million compared to 2020 primarily due to increases in the amortization of the restructuring property which the UDSA recognizes on a proportionate basis annually based upon the total principal payments due and premiums outstanding on its restructuring bonds.

Nonoperating revenues and expenses

Interest expense decreased \$2 million compared to 2020 due to lower debt outstanding.
