

September 20, 2021

To All Interested Proposers:

The Long Island Power Authority (the "Authority") is looking for vendors to **conduct a Cyber Security Review of PSEG Long Island**, under the GSA contracts for Highly Adaptive Cybersecurity Services (HACS), NAICS Code- 54151HACS.

The Request for Quotes ("RFQ") is available for your reference on Bonfire's web site at <https://lipower.bonfirehub.com>.

It is requested that no later than **October 18, 2021, by 3 p.m. ET**, each proposer submit electronic copies of their technical proposal and price proposal in two separate files, along with the necessary forms.

To facilitate communications between the Authority and Proposers and to ensure that all Proposers have access to the same information, all information concerning this RFQ will be posted on Bonfire's website at <https://lipower.bonfirehub.com>. All questions regarding this RFQ must be submitted as set forth in the RFQ. The Authority will post questions and responses on the RFQ website.

Maria Gomes will serve as the primary point of contact for this RFQ. Except as otherwise stated in the RFQ, no other contact with Authority Board members, staff, or consultants regarding this RFQ will be allowed during the RFQ process. Violation of this requirement may be grounds for disqualification from the RFQ process.

We look forward to your interest and participation in this RFQ.

Sincerely,

/s/ Thomas Falcone

Chief Executive Officer
