Ms. Dillon presented the following action item and took questions from the Trustees:

Requested Action

The Governance, Planning and Personnel Committee (the “Committee”) of the Board of Trustees of the Long Island Power Authority (the “Board”) is requested to adopt a resolution recommending that the Board: (i) find that the Long Island Power Authority and its subsidiary, LIPA (collectively “LIPA”) have complied with the Board Policy on Staffing and Employment (the “Policy”); (ii) approve the annual report for the Policy, and (iii) approve certain minor edits to the Policy, which resolution is attached hereto as Exhibit “A.”

Background - Board Policy on Staffing and Employment

By Resolution No. 1338, dated January 25, 2017, the Board adopted the Policy with the purpose of fostering a work environment that attracts and retains experienced professionals of diverse talents and backgrounds and promotes an ethical and productive organization. The Board last reviewed and amended the Policy on June 24, 2020.

Compliance with the Policy
Staff recommends that, for the reasons set forth below, the Board find that LIPA has complied with the objectives of the Policy for the period since the last annual report.

The Policy requires the Board “Appoint and, if necessary, discharge the CEO; evaluate the performance of and determine the compensation of the CEO; and with the advice of the CEO, appoint the other Board-appointed Officers specified in the LIPA’s By-laws.”

- The Board completed the CEO’s annual performance evaluation at its March 2021 Board meeting. The CEO’s performance evaluation was prepared by the Chair of the Governance, Planning and Personnel Committee with the assistance of a third-party human resources consultant and 360-degree anonymous feedback from all Trustees as well as LIPA’s management Executive Committee.

- The Board reviewed the salary of LIPA’s CEO of $311,121. A survey of 21 public power utilities of similar size to LIPA found an average salary for the position of $505,847 with a range of $254,000 to $1.1 million. LIPA was the third largest utility, ranked by customers, to participate in the survey. LIPA’s CEO salary was ranked 19 out of the 21 utilities.

- One Board-appointed Officer, Chief Financial Officer Tamela Monroe, was hired in 2020.

The Policy authorizes and directs the Chief Executive Officer to:

“Manage the organization and staffing, including hiring and terminating staff, to enable the Authority to achieve its mission and values, while recognizing that diversity of talent, interests, background and experience is a key attribute to a healthy organization”; and “Maintain staffing at the minimum level necessary to ensure that the Authority meets its obligations with respect to its bonds and notes and all applicable statutes and contracts and oversight of its service provider.”

- The CEO affirms that he has managed LIPA’s staffing levels at the minimum level necessary to execute the Authority’s goals and mission.

- LIPA staff consists of 59 full-time employees and five part-time employees.

The Policy directs the CEO to “develop and implement human resource practices, programs, training, and initiatives that are consistent with this Policy and the Policy on Diversity and Inclusion...including: (a) an Employee Handbook that provides guidance to employees regarding their rights, benefits, and responsibilities...(b) a Code of Ethics and Conduct, including annual acknowledgement of receipt and compliance by each employee…and (c) a record retention policy that complies with applicable New York State laws and regulations.”

- The Employee Handbook includes all components required by the Policy, comports with all applicable law, and is regularly updated to incorporate changes in human resources best practice. The Handbook is revised and updated as necessary on an ongoing basis.
• All employees certified their compliance with the Code of Ethics and Conduct.

• LIPA maintains a Record Retention policy that applies to all LIPA records including:
  o records related to the Authority’s subsidiary, Long Island Lighting Company d/b/a LIPA and d/b/a Power Supply Long Island;
  o records provided by its Service Providers, vendors, and contractors; and
  o records generated, kept, and maintained on behalf of the Utility Debt Securitization Authority.

The Policy directs the CEO to “Establish and administer compensation practices and benefits for the Authority’s staff that are sufficient but not excessive to attract and retain a qualified, experienced workforce; are appropriate based on an individual’s knowledge, skill, and contribution; motivate and reward individual performance; and encourage organizational responsiveness to the Authority’s mission and values.” The Policy contains further guidance on such practices.

• The Director of Human Resources and Administration completed an annual salary benchmarking analysis for all staff positions using industry specific and national salary data. That benchmarking analysis is consistent with the criteria provided in the Board’s Policy and was used to establish a salary range for each position.

• LIPA has an active performance appraisal and enhancement system that includes monthly “check-ins” with supervisors and an annual performance evaluation. As required by the Policy, individual employee performance and contribution are considered in setting salaries and merit increases.

The Policy directs the CEO to “refrain from establishing or implying employment obligations to individuals of longer than one year or offering compensation that exceeds the range set for the position by a benchmarking survey, without Board approval.” and “unless authorized in writing by the CEO, employment at the Authority shall be on an at will basis.”

• All LIPA employees are at-will employees.

• No employment offer exceeded the salary range set for the position.

The Policy directs the CEO to “Establish policies and programs that support and encourage the personal and professional development of employees, including: programs for continuing education, tuition reimbursement, and professional development; core skills continuing education; performance appraisal and enhancement; management and leadership training; and utility and public power industry learning.”

• LIPA provides in-house training and development program for employees that includes certain leadership and management training seminars and programs
including classes and certificate programs provided by eCornell; time management courses and seminars; Executive Presentation Skills classes; Strategies for Successful Remote Work Arrangements; Leading Virtual Teams; Diversity and Inclusion seminars including Creating Cultures of Belonging, Dialogue on Systemic Racism, Diversity Equity and Inclusion, and Uncovering Unconscious Bias and Microinequities; multiple health and wellness lunch and learn lectures; Cyber Security training; and coaching and seminars regarding providing effective feedback, performance excellence and creating employee development plans, among other opportunities.

- LIPA further encourages professional development through: (i) industry webinars, conferences, and training; (ii) reimbursement of professional certifications and memberships; (iii) educational assistance programs; and (iv) a personal development program that incorporates 360-degree feedback, among other initiatives.

The Policy requires LIPA to “conduct an annual engagement survey and utilize the results to design programs and initiatives to maintain an annual employee engagement score among the top 10 percent of benchmarked companies.”

- LIPA conducted the annual engagement survey in December 2020, and survey results place LIPA’s score above industry and top company benchmarks and among the top 10% of all benchmarked companies.

- LIPA’s engagement score continues to increase year over year.

- The survey questionnaire was augmented in 2020 to include additional items measuring the concepts of diversity and inclusion.

Lastly, the Policy directs the CEO to “maintain a succession plan to address the inevitable turnover of executives and staff with the least possible interruption to the operations of the Authority.”

- The CEO has identified the names and order of appointment of three direct reports to serve as Acting Chief Executive Officer in the event of his absence, disability, incapacity or resignation, until such time as the Board appoints an interim or permanent successor, as provided for in the LIPA By-Laws.

- LIPA’s Senior Vice Presidents and Chief Officers have designated emergency successors to serve in an Acting capacity, as required by internal LIPA policy.

- The Board is briefed in Executive Session, at least annually, on the succession plan by the CEO.

**Enterprise Risk Management Discussion**

The Board has adopted a Policy on Enterprise Risk Management (“ERM”). Enterprise Risks are brought to the Board’s attention throughout the year. While there are several risks
related to Staffing and Employment, the most significant risks relate to succession planning and attracting and retaining qualified staff. The specific risks identified are:

- “Succession planning challenges due to the organizational structure which requires specialized knowledge and has limited tiers of talent behind each leadership position results in inadequate expertise to fulfill LIPA's mission and goals”; and

- “Difficulty attracting and retaining individuals with the necessary knowledge, skillsets, and experience results in challenges to fulfilling LIPA's mission and goals”.

The succession planning risk is rated as a medium level risk. LIPA mitigates this risk by having emergency plans in place for the CEO and executive management positions, and a continuing initiative to identify and address gaps. Additionally, LIPA has a process in place to assist with the identification, retention, and transfer of information necessary to retain institutional knowledge.

Succession planning has been an area of focus for the Board and staff has reported on succession planning initiatives to the Governance Personnel and Planning Committee during 2021.

In prior years, the attraction and retention of qualified staff risk had been a medium level risk.

However, with the successful attraction of key personnel, LIPA has reduced this risk to a low-level concern. LIPA continues to mitigate the attraction and retention risk through review of best practices related to compensation and benefits. Additionally, LIPA selectively utilizes executive search firms to identify candidates with the necessary knowledge and experience to fill key positions. LIPA’s participation and leadership in industry associations also improves its reputation and attractiveness to potential employees.

Based on the mitigation actions that are currently in place, we believe both risks are being adequately managed.

The Board Policy has been revised to address certain minor suggested edits. These edits are reflected in “Exhibit B.”
