TO: The Governance, Planning, and Personnel Committee  
FROM: Thomas Falcone  
REQUEST: Consideration of Recommendation to Approve the Annual Report and Amendments on the Board’s Policy on Strategic Planning and Oversight

Requested Action

The Governance, Planning, and Personnel Committee (the “Committee”) of the Board of Trustees (the “Board”) of the Long Island Power Authority (“LIPA”) is requested to adopt a resolution recommending that the Board: (i) approve the annual report on the Board Policy on Strategic Planning and Oversight (the “Policy”); (ii) find that LIPA has complied with the Policy; and (iii) approve certain amendments to the Policy, which resolution is attached hereto as Exhibit “A”.

Background

LIPA utilizes contracts with service providers to provide transmission and distribution operations services, fuel and power procurement, and power supply resources. Under the LIPA Reform Act and the Second Amended and Restated Operations Services Agreement (the “OSA”), LIPA has oversight rights and certain responsibilities with respect to those contracts, the operation and maintenance of the Long Island electric grid, and the generation assets under contract to LIPA.

In March 2018, the Board adopted the Policy with the purpose of establishing the Board’s expectations for oversight by LIPA of the “service providers in a systematic manner that meets the needs and protects the interests of LIPA’s customers”. In January 2019, the Board approved amendments to the Policy related to LIPA’s direct operations. Thereafter in July 2020 and September 2021, the Board approved amendments to the Policy to, among other things, better define the roles of the Board and management in LIPA’s strategic planning activities.

Compliance with the Policy

LIPA Staff recommends that, for the reasons set forth below, the Board find that LIPA has complied with the Policy since the last annual review. The Policy requires “the CEO or his or her designee report annually to the Governance Committee of the Board of Trustees on compliance with the key provisions of this Policy. LIPA’s CEO will consult with and report to the Board on: the objectives of LIPA’s annual Work Plan for the coming year and the accomplishments of the prior year Work Plan, including Oversight activities; the status of the five-year Strategic Roadmaps; the Oversight Framework implemented by LIPA’s management team; and the sufficiency of LIPA staff and resources to achieve LIPA’s Purpose, Vision, Board Policies, and Oversight Objectives.”
**Work Plan and Performance Metric Objectives and Accomplishments:**

- The LIPA annual Work Plan and PSEG Long Island Performance Metrics deliver the yearly translation of the Board’s vision and strategic direction into specific activities, projects, and budgets.
  - The 2022 Work Plan included 93 projects covering all aspects of delivering clean, reliable, and customer-first service.
  - 50 projects involved independently verifying and validating (IV&V) the achievement of PSEG Long Island’s Performance Metrics.
  - Of the remaining 43 projects (non-IV&V), one project was canceled, 20 projects were completed and LIPA staff made substantial progress on the remaining 22 projects, most of which were multi-year initiatives.
  - LIPA management monitors milestones weekly for multi-year projects and routinely adds projects throughout the year as circumstances and priorities emerge and change.
  - LIPA staff reported to the Board quarterly on PSEG Long Island’s progress against the 2022 Performance Metrics. Staff will provide an Annual Report on PSEG Long Island’s performance at the conclusion of our evaluation of the 2022 Performance Metrics.
  - The 2023 Work Plan includes 57 projects that align with the Board’s policies and corporate objectives.
  - For 2023, the Board adopted 93 PSEG Long Island Performance Metrics in December 2022, distributed across all the management services provided by PSEG Long Island to LIPA and its customers.

**The Status of the Five-Year Strategic Roadmaps:**

- The Board directed LIPA staff to craft Five-Year Strategic Roadmaps in 2021 and this requirement was incorporated into the revised OSA with PSEG Long Island, which became effective in April 2022.
- In 2022, LIPA, in conjunction with PSEG Long Island, commenced work on developing 5-Year Roadmaps to deliver on the Board’s expectations. Activities included reviewing the Board policies, identifying gaps and potential actions through consultation with LIPA and PSEG Long Island management and staff, and prioritizing and sequencing initiatives considering the risks and benefits.
- 5-Year Roadmaps will be reviewed by the Board for Customer Experience, Transmission and Distribution Operations, Information Technology and Cybersecurity, Performance Management, and Finance in February 2023, while plans for Business Services, Power Supply, and Clean Energy will come before the Board in late 2023.
- While the Roadmaps provide a five-year outlook, in adherence with the policy, the Board will receive updates on a triennial basis.
- The priorities outlined in the Five-Year Strategic Roadmaps are translated annually into Work Plans, Performance Metrics, and Budgets.
**Performance Management Framework:**

- The Performance Management Framework provides transparency and accountability to the Board and customers for the accomplishment of the Board’s strategic objectives and the funds budgeted each year. The Performance Management Framework includes:
  - **5-Year Roadmaps:** As part of the Strategic Planning process, starting from Board Policies, the 5-Year Roadmaps identify the end states and gaps to current capabilities and prioritizes those gaps to meet the expectations of the Board and service to our customers.
  - **PSEG Long Island Annual Performance Metrics:** LIPA develops Performance Metrics for PSEG Long Island each year. These standards create quantitative and project oriented metrics that advance the 5-Year Roadmaps and the Board’s policy objectives. LIPA staff independently verifies and validates (“IV&V”) PSEG Long Island’s performance under the OSA, including on the Performance Metrics.
  - **LIPA’s Annual Work Plan:** LIPA develops and manages projects that it directly executes to advance the 5-Year Roadmaps and the Board’s policy objectives.
  - **Performance Reports:** LIPA staff reports to the Board quarterly and annually on PSEG Long Island’s performance under the Performance Metrics and on other items of significant concern to the Board, such as Board-adopted Recommendations, reports on compliance with each Board Policy, and budget. LIPA Staff also reports annually on accomplishments of the staff Work Plan.

In 2022, LIPA established the Strategic Performance Management Office (“SPMO”) to centrally organize its standards for IV&V as well as to support LIPA staff in project management and cross functional project collaboration. SPMO organizes reporting to the Board and LIPA management on the Work Plan and PSEG Long Island Performance Metrics and provides assistance to LIPA departments in defining and executing project plans, monitoring work execution, and reporting. LIPA regularly conducts performance review meetings both with internal staff and with PSEG Long Island to promote accountability and drive accurate results for progress reported at regular frequencies, such as monthly, quarterly, and annually.

**The Sufficiency of LIPA Staff and Resources:**

- LIPA contracts for a substantial portion of the services needed to accomplish its Vision and Purpose and relies on internal staffing and consulting support to manage the performance of vendors and its own responsibilities.
- The approved 2023 LIPA Budget includes sufficient funding for the positions and consulting resources management believes is necessary at the present time to accomplish the Purpose and strategic direction defined by the Board in policy. Management regularly reviews the sufficiency of staffing and consulting resources and makes adjustments, as necessary. The revised OSA resulted in a significant increase in the work load of the LIPA staff, which was accounted for in the 2023 Budget proposal.

**Annual Review of the Policy**
The Board hired Leading Resources, Inc. to review the Board policies and facilitate discussion amongst the Trustees on amending certain policies. A working group of Trustees participated in various meetings to develop and draft amendments to the Policy. The draft amendments to the Policy have been shared with the entire Board. The final version of the amended Policy, as drafted by the Trustees, is attached hereto as Exhibit “B”.

**Recommendation**

Based upon the foregoing, I recommend approval of the above requested action by adoption of a resolution in the form attached hereto.

**Attachments**

- **Exhibit “A”**  Resolution
- **Exhibit “B”**  Policy on Strategic Planning and Performance Management
RESOLUTION RECOMMENDING APPROVAL OF THE REPORT TO THE BOARD OF TRUSTEES ON THE BOARD POLICY ON STRATEGIC PLANNING AND OVERSIGHT

WHEREAS, the Board Policy on Strategic Planning and Oversight (the “Policy”) was most recently reviewed by the Board of Trustees on September 22, 2021; and

WHEREAS, the Governance, Planning and Personnel Committee (the “Committee”) has received the annual Staff report on compliance with the Policy; and

WHEREAS, the Committee has reviewed the Policy and recommends approval of the changes to the Policy as recommended by Staff finding that the amendments are due proper.

NOW, THEREFORE, BE IT RESOLVED, that consistent with the accompanying memorandum, the Committee hereby recommends that the Board find that LIPA has complied with the Policy for the period since the adoption of the Policy, approve the annual report to the Board, and approve updates to the Policy, as recommended herein.

Dated: February 15, 2023
LIPA’s vision for strategic planning and performance management is to achieve the strategic objectives established by the Board in its policies and to provide transparency and accountability to the Board and customers for the realization of the Board’s strategic objectives and the funds budgeted each year.

LIPA will achieve its vision by directing the Chief Executive Officer to undertake: (i) effective methods of translating the Board’s strategic policy objectives into multi-year plans, annual work plans, performance metrics, budgets, and recommendations1 for the Board’s review and approval, and (ii) a transparent system of performance reporting to the Board and public relative to the policies, plans, metrics, budgets, and recommendations adopted by the Board.

**Strategic and Annual Planning**

The Chief Executive Officer will prepare and submit to the Board for review and approval the following to advance the Board’s policy objectives across various time horizons:

- **Five-year Long-Range Plans:** LIPA’s Chief Executive Officer, in consultation with its service provider(s), will on a triennial basis develop five-year roadmaps for each key business area to advance the Board’s strategic objectives. The Long-Range Plans will evaluate the current state of the business area, articulate an end-state vision to be achieved within five years, and identify the projects necessary to close the gap. Each roadmap will include:
  - Prioritized list of projects with associated business rationale and benefits
  - Schedule for and sequencing of projects
  - Dependency on or interaction with projects initiated by other business areas
  - Budget requirements for project implementation and operations

The schedule below defines the timeline for the submission to the Board of the initial Long-Range Plans for each business area:

- Business services and power supply and clean energy programs no later than March 31, 2024.

- **LIPA’s Annual Work Plan, Performance Metrics, and Budgets:** LIPA’s Chief Executive Officer will translate the Board’s strategic policy objectives and Five-Year Long-Range Plans into annual work plans,

---

1 Board recommendations as defined in the Second Amended and Restated Operations Services Agreement.
performance metrics, and budgets for the Board’s review and approval. The annual work plan defines the activities LIPA staff will directly undertake for the year, while the performance metrics define the objectives that will determine PSEG Long Island’s Variable Compensation for the year. The work plan and performance metrics are designed to be objectively verifiable and reasonably achievable levels of performance. The funds to achieve this level of performance are also budgeted, tying realistic plans and budgets to measurable outcomes each year. The oversight activities of LIPA staff may also result in Board recommendations to improve the operations of business areas managed by service provider(s).

**Performance Management Reporting**
Performancemangement reporting provides transparency and accountability to the Board and customers for the accomplishment of the Board’s strategic objectives and the funds budgeted each year. The Chief Executive Officer will prepare a written report to the Board and make it available on LIPA’s website for each of the following:

- **Policy Reports:** Annual reports on LIPA’s performance as compared to the key objectives of each Board strategic direction and operating policy.
- **Work Plan Reports:** Annual reports on the projects and activities LIPA staff will directly undertake to advance the Board’s policy objectives and accomplishments as compared to the prior year’s work plan.
- **Performance Metrics and Board Recommendation Reports:** LIPA’s business model involves significant outsourcing to service provider(s), which places heightened importance on vendor performance in advancing the Board’s policy objectives. Therefore, the Chief Executive Officer will separately provide quarterly and annual reports on PSEG Long Island’s performance as compared to the Board-approved performance metrics and recommendations.
- **Budget Reports:** Quarterly and annual budget reports comparing actual financial results to the Board-approved financial plan, including significant variances and their causes, separately detailed between LIPA and service provider-managed budget elements.

The Chief Executive Officer is responsible for informing the Board in a timely manner of developments that in the Chief Executive Officer’s reasonable judgment are (i) unique or significant operational risks to LIPA; (ii) could significantly impact LIPA’s customers, reputation, or community relations; or (iii) materially compromise the ability to achieve the policies and strategic objectives established by the Board.
