Non-GAAP policies and practices	No matters to communicate	
Auditors' report	We plan to issue an unmodified opinion on the basic financial statements of LIPA	
Changes to our risk assessment and planned audit strategy	No matters to report	
Significant accounting policies and practices	Significant accounting polices and practices are discussed within Note 2 of LIPA's financial statements. We have reviewed the accounting policies utilized by management in preparation of the financial statements and found such policies to be appropriate.	
Significant risks	Fraud risk related to management override of controls.	
Significant risks	Refer to slide 10 for further details and our response.	
Significant audit areas and estimates	Refer to slides 11 through 15	
Significant financial statement disclosures	No matters to report	
Group audit engagement considerations	We have completed our audit of the UDSA basic financial statements and have presented the results of our audit to the UDSA Board of Trustees on March 28, 2023.	

Matters to communicate	Response	
Other information	Our responsibility with respect to information in a document that contains the audited consolidated financial statements does not extend beyond the financial information identified in our report, and we have no obligation to perform any procedures to corroborate other information contained in a document. However, we do have a responsibility to read the other information and consider whether such information, or the manner of its presentation, is materially inconsistent with information, or the manner of its presentation, appearing in the consolidated financial statements.	
	We are currently not aware of any other documents that contain the audited financial statements of LIPA, including our opinions.	
Related parties	We performed an evaluation of LIPA's identification of, accounting for, and disclosure of its relationships and transactions with related parties. As a result of such procedures, we have no matters to report.	
Going concern	No matters to report.	
Subsequent events	No matters to report.	
Noncompliance with laws and regulations	No matters to report.	
Significant difficulties encountered during the audit	No matters to report.	
Significant findings or issues discussed, or the subject of correspondence with management	No matters to report.	
Management's consultation with other accountants	No matters to report.	
Difficult or contentious matters for which the auditor consulted	No matters to report.	
Disagreements with management	No matters to report.	

Matters to communicate		
Illegal acts or fraud No actual or suspected fraud involving management, employees with significant roles in internal control, or where fraud results in a material misstatement in the financial statements were identified during the audit.		
Written communications Engagement letter, management representation letters [Financial Statement Audit, Agreed-upon Procedures, and Investment Compliance]		
Independence	See slide 16	
Inquiries	See slide 17

Agreed-upon procedures relating to LIPA's Rate Covenant Calculation	No matters to report.
Debt Compliance Report in relation to LIPA's Reimbursement Agreements	No matters to report.
Investment compliance report in connection with the specified requirements of Section 201.3 of <i>Title Two of the Official Compilation of Codes, Rules, and Regulations of the State of New York</i> and in the Authority's Investment Guidelines	No matters to report.

Significant risks

Significant risks	Procedures performed
Management override of controls	Internal controls — Assessed management's design and implementation of controls and the operating effectiveness of those controls over journal entries (during the year and at the end of the reporting period), as well as post-closing adjustments
	 Substantive procedures Performed roll-forward procedures to test completeness of the journal entry population and tested a selection of journal entries to test relevant data elements for accuracy Used eData routines to select journal entries for testing based on specific criteria. Reviewed accounting estimates for bias The engagement team considered the risk of management override of controls related to revenue and noted that the LIPA revenue process is routine and not complex. Additionally, the engagement team confirmed through inquiries that there is no incentive to fraudulently manipulate revenue

Accounting Estimates	Procedures performed	
Valuation of Financial and Commodity Derivatives	 Substantive procedures Confirmed the value of the Financial and Commodity Derivatives to the Third Party Statement obtained directly from the counterparty Utilized KPMG Risk Analytics Valuation (RAV) specialists to perform valuation procedures to determine that the Financial and Commodity derivatives are appropriately valued Tested a sample of settled and unsettled commodity derivative transactions for completeness and accuracy 	
	Our findings The engagement team determined that there are no matters to report related to the estimate of the valuation of the interest rate swaps and commodity derivatives as of December 31, 2022. No indicators of management bias were noted and disconfirming evidence was not identified.	
Marketable Securities	 Substantive procedures Tested the fair market value of the complete portfolio of marketable investments utilizing the KPMG National Pricing Desk Reviewed a sample of investments for compliance with Board approved policies Confirmed investment balances with respective banks as of December 31, 2022 Reviewed the financial statements for completeness and accuracy of trust assets and obligations 	
	Our findings The engagement team determined that there are no matters to report related to the estimate of marketable securities as of December 31, 2022. No indicators of management bias were noted and disconfirming evidence was not identified.	

Significant audit areas	Procedures performed	
Leases	Substantive procedures Obtained and tested management's lease schedule for mathematical accuracy Agreed beginning balance to prior year audited workpapers Recalculated amortization expense and agreed ending balance to the general ledger	
	Our findings The engagement team determined that there are no matters to report related to leases as of December 31, 2022	
PSEG-LI Pension and postretirement obligations	 Substantive procedures Confirmed with actuarial specialists used by PSEG-LI (Willis Towers Watson and agreed the obligation amount and assumptions used to the financial statements Inspected Cheiron's and management's reports to ensure that actuarial assumptions used were appropriate 	
	Our findings The engagement team determined that there are no matters to report related to PSEG-LI pension and postretirement obligations as of December 31, 2022.	

Significant audit areas	Procedures performed	
Revenue recognition and accounts receivable	Substantive procedures - Tested detail of customer bills and rates throughout the year - Tested detail of customer accounts receivable balance as of December 31, 2022 and subsequent payments made after year end - Compared revenue recorded to cash receipts (cash proof) Our findings The engagement team determined that there are no matters to report related to revenue recognition as of December 31, 2022.	
Unbilled revenue	Substantive procedures - Performed a substantive analytic over unbilled revenue - Tested inputs to the analytic and the completeness and accuracy of the underlying data in the reports utilized in the unbilled revenue estimate Our findings The engagement team determined that there are no matters to report related to unbilled revenue as of December 31, 2022.	

Significant audit areas	Procedures performed	
Utility plant and property and equipment, including depreciation	Substantive procedures Tested the additions to Construction Work in Process (CWIP) and additions to Plant in Service (PIS) Utilized data and analytic procedures to recalculate depreciation expense throughout the year Tested capitalized amounts to determine appropriateness of capitalization Tested the allocation of the overhead cost assessments and verified that the allocation was appropriately applied to each project. Our findings The engagement team determined that there are no matters to report related to utility plant and property and equipment, including depreciation	
Long term debt	Substantive procedures - Confirmed outstanding long term debt obligations and short-term borrowing program with third parties - Recalculated interest expense throughout the year - Reviewed certain financial related debt covenants and noted that LIPA was compliant as of December 31, 2022 - Tested the securitization in connection with Financing Order No. 6 Our findings The engagement team determined that there are no matters to report related to long term debt as of December 31, 2022.	

Significant audit areas	Procedures performed
Accounting for regulatory assets and liabilities	Substantive procedures - Tested changes in regulatory assets and liabilities recorded in revenue and power supply costs
	Our findings The engagement team determined that there are no matters to report related to regulatory assets and liabilities as of December 31, 2022.

Independence

Independence

Our professional standards and other regulatory requirements specify that we are required to communicate to you in writing, at least annually, all relationships between our firm, or any affiliates of the firm, and LIPA and persons in a financial reporting oversight role at LIPA, which may reasonably be thought to bear on independence. In addition to the professional services disclosed in the previous slides, we are not aware of any relationships between our firm and LIPA and persons in a financial reporting oversight role at LIPA. In connection with our audit of LIPA, KPMG and relevant KPMG professionals have complied with relevant ethical requirements regarding independence, as that term is defined by the professional standards.

We also bring to your attention that LIPA does pay for an annual subscription to KPMG's Accounting Research Online (ARO) tool. KPMG's ARO tool provides easy access to a full range of authoritative accounting and financial reporting literature. The cost of the subscription is approximately \$2,230 per year and is permissible under professional standards. We also perform word processing services in connection with the preparation of the Data Collection Form for the Single Audit.

Inquiries

Is the Finance and Audit Committee aware of:

- · Matters relevant to the audit, including, but not limited to, violations or possible violations of laws or regulations?
- · Any significant communications with regulators?
- Any developments in financial reporting, laws, accounting standards, corporate governance, and other related matters, and the effect of such developments on, for example, the overall presentation, structure, and content of the basic financial statements, including the following:
 - The relevance, reliability, comparability, and understandability of the information presented in the financial statements
 - Whether all required information has been included in the basic financial statements, and whether such information has been appropriately classified, aggregated or disaggregated, and presented?

Does the Finance and Audit Committee have knowledge of:

- · Fraud, alleged fraud, or suspected fraud affecting LIPA?
 - If so, have the instances been appropriately addressed and how have they been addressed?
