

FOR CONSIDERATION

June 28, 2023

TO: The Board of Trustees

FROM: Thomas Falcone

SUBJECT: Consideration of Approval of the Annual Report and Amendments to the Board Policy on Audit Relationships

Requested Action

The Board of Trustees (the “Board”) of the Long Island Power Authority (“LIPA”) is requested to adopt a resolution (i) approving the annual report on the Board Policy on Audit Relationships (the “Policy”); (ii) finding that LIPA has complied with the Policy; and (iii) approving certain amendments to the Policy, which resolution is attached hereto as **“Exhibit A”**.

Board Policy on Audit Relationships

The Finance and Audit Committee (“F&A Committee”), in its Charter, was delegated the responsibility for reviewing LIPA’s audit-related policies and practices.

The Policy defines the expectations of the Board regarding the existing authority granted to the F&A Committee for, among other matters (i) selecting an independent certified public accounting firm to conduct annual audits of LIPA; (ii) the annual review of the audit plan as well as the Charter, activities, staffing, budget, and organizational structure of Internal Audit, and confirming the independence of the internal auditors; (iii) monitoring, in consultation with the Chief Audit Executive (“CAE”), the significant findings of internal audit reports and the status of the implementation of management’s action plans in response to such audit findings; (iv) setting forth the procedures for the Board of Trustees’ receipt, review and implementation of any recommendations in a Management and Operations Audit conducted by the New York State Department of Public Service (“DPS”).

Since the last review of the Policy, the following activities have been performed consistent with the Policy:

Independent External Auditor

- The Board previously selected KPMG as the independent certified public accounting firm to conduct annual audits of LIPA. In March 2023, the F&A Committee met with KPMG to complete its annual 2022 annual audit. KPMG reported no significant findings as a result of its audit.

Internal Auditors

- In November 2022, the F&A Committee approved the appointment of the current CAE.
- Internal Audit conducted audits as identified in the annual audit plan and special projects requested by the F&A Committee or management. Internal audit activities were performed in accordance with the Institute of Internal Auditors' Mandatory Guidance.
- In February 2023, the F&A Committee reviewed and approved the audit plan, charter, activities, staffing, budget, and organizational structure of the internal audit department, and confirmed the independence of the internal auditors.
- The CAE met with the F&A Committee at each Board meeting to discuss internal audit activities and progress toward remediation of Management Action Plans in response to internal audit findings.
- The CAE met with the F&A Committee at least twice per year in executive sessions independent of other LIPA staff and reported significant internal audit findings to the Board in a timely manner.

DPS Management and Operations Audits

- In November 2022, LIPA staff briefed the Board on the implementation plan resulting from the 2018 DPS Management and Operations Audit. The materials related to that Board item are located at this [link](#). LIPA staff will provide the annual update on the status of the 2018 recommendations at the Board's November 2023 meeting.
- As required by the LIPA Reform Act, DPS selected NorthStar Consultant Group to conduct the current Management and Operations Audit. Upon recommendation from DPS, the Board authorized LIPA to enter into a contract with NorthStar to conduct the required operations and management audit. NorthStar kicked off the current audit in October 2022. To date, NorthStar has issued over 800 document requests and almost 100 interview requests. LIPA Staff continues to work with PSEG Long Island, NorthStar, and DPS in furtherance of the audit.

Annual Review of the Policy

The proposed changes to the Board Policy include conforming the policy to the Board's other policies by stating a vision for audit relationships, a change in the reporting relationship of the CAE, and minor stylistic changes. The CAE will now report administratively to LIPA's Chief Executive Officer. The proposed changes to the Policy are more specifically set forth in **Exhibit "B"**.

Recommendation

Based upon the foregoing, I recommend the approval of the adoption of the resolution in the form attached hereto as **Exhibit "A"**.
