All such payments shall be made in U.S. Dollars, in immediately available funds, in each case without set-off or counterclaim.

Section 4.2. Non-Business Days. If any payment hereunder becomes due and payable on a day which is not a Business Day, the due date of such payment shall be extended to the next succeeding Business Day on which date such payment shall be due and payable. In the case of any payment of principal falling due on a day which is not a Business Day, interest on such principal amount shall continue to accrue during such extension at the rate per annum then in effect, which accrued amount shall be due and payable on the next scheduled date for the payment of interest.

Section 4.3. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Purchaser, or the Purchaser exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Purchaser) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

Section 4.4. Account Debit. The Borrower hereby irrevocably authorizes the Purchaser to charge any of the Borrower's deposit accounts maintained with the Purchaser for the amounts from time to time necessary to pay any then due Obligations, except for payments of principal of and interest on the Series 2023B Bonds; provided that the Borrower acknowledges and agrees that the Purchaser shall not be under an obligation to do so and the Purchaser shall not incur any liability to the Borrower or any other Person for the Purchaser's failure to do so.

ARTICLE V

REPRESENTATIONS AND WARRANTIES.

The Borrower represents and warrants to the Purchaser as follows:

Section 5.1. Organization. The Borrower is a duly organized, validly existing corporate municipal instrumentality of the State. The LIPA Subsidiary is a business corporation, duly incorporated, validly existing and in good standing under the laws of the State. Each of the Borrower and the LIPA Subsidiary has all requisite power and authority, rights and franchises to own and operate its properties, to carry on its business as now conducted and as proposed to be conducted, and to enter into and perform its obligations under the Related Documents.

Section 5.2. Authorization, Conflicts, Binding Effect. The execution, delivery and performance of the Related Documents by the Borrower are within the Borrower's powers and have been duly authorized by all necessary action by the Borrower including, if necessary, the adoption of any necessary regulations or resolutions by its Board. The execution, delivery and performance of the Related Documents by the Borrower and/or the LIPA Subsidiary, as applicable, will not violate (i) the Act or the Borrower's or the LIPA Subsidiary's, as applicable, Bylaws or any other law, rule, regulation, order, writ, judgment, injunction, decree, determination, or award, or (ii) the provisions of any indenture, instrument or agreement to which the Borrower, the LIPA Subsidiary or any other Subsidiary is a party or is subject, or by which it, or its property, is bound. The Borrower is not in violation of or default under any such Legal Requirement, and no condition exists that would, with the giving of notice or lapse of time, or both, constitute such a violation or default. The Related Documents have each been duly executed by the Borrower and are legally valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws affecting creditors' rights generally and by general principles of equity.

Section 5.3. Litigation; Adverse Facts. Except as otherwise disclosed in writing to the Purchaser, there is no action, suit, investigation, proceeding or arbitration (whether or not purportedly on behalf of the Borrower or the LIPA Subsidiary), at law or in equity or before or by any foreign or domestic court or other Governmental Authority (a "Legal Action"), pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or the LIPA Subsidiary, or any of their respective assets which could reasonably be expected to result in any Material Adverse Effect. Neither the Borrower nor the LIPA Subsidiary is in violation of any applicable law, rule, regulation, order, writ, judgment, injunction, decree or award of any court or other agency or government, which violation has a Material Adverse Effect. Except as otherwise disclosed in writing to the Purchaser, there is no Legal Action pending or, to the knowledge of the Borrower, threatened against or affecting the Borrower or the LIPA Subsidiary, questioning the validity or the enforceability of any Related Document or any Subsidiary Document, respectively.

Section 5.4. Title to Properties; Liens. The Borrower and the LIPA Subsidiary have good, sufficient and legal title to all of their respective properties and assets. All of the properties of the Borrower and the LIPA Subsidiary are free and clear of Liens, except for (i) Liens arising in connection with the Related Documents and (ii) such Liens as would not have a Material Adverse Effect. The Borrower's properties and all revenues therefrom are exempt from taxation by the State or any of its subdivisions, municipalities or other governmental or taxing entities; provided, however, that the Borrower is obligated under the Act to make certain PILOT payments.

Section 5.5. Disclosure. There is no fact known to the Borrower (other than matters of a general economic nature) which has or could reasonably be expected to have a Material Adverse

Effect, which has not been disclosed in this Agreement or in other documents, certificates and written statements furnished to the Purchaser in connection herewith.

Section 5.6. Payment of Taxes. All tax returns and reports of the Borrower and the LIPA Subsidiary required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges, including PILOT payments, upon the Borrower and the LIPA Subsidiary and upon their respective properties, assets, income and franchises which are due and payable have been paid when due and payable on a current basis, except to the extent that such taxes or PILOT payments are being contested by the Borrower or the LIPA Subsidiary in good faith by appropriate proceedings with appropriate reserves.

Section 5.7. Borrower Documents; Subsidiary Documents. Each of the Borrower Documents and the Subsidiary Documents is in full force and effect and represents a valid and binding obligation of the Borrower or the LIPA Subsidiary, as applicable, enforceable in accordance with its respective terms; no Potential Default, Event of Default or Mandatory Payment Event presently exists under any of the Borrower Documents or the Subsidiary Documents except as previously disclosed in writing to the Purchaser; nor has the Borrower, the LIPA Subsidiary or any other party thereto waived or deferred performance of any material obligation under any other Borrower Document or Subsidiary Document except as previously disclosed in writing to the Purchaser.

Section 5.8. Reaffirmation of Representations and Warranties. The Borrower hereby makes to the Purchaser the same representations and warranties as are set forth by the Borrower in each Borrower Document, which representations and warranties, as well as the related defined terms contained therein, are hereby incorporated by reference into this Section 5.8 for the benefit of the Purchaser with the same effect as if each and every such representation and warranty and defined term were set forth in this Section 5.8 in its entirety. No amendment to such representations and warranties or defined terms made pursuant to any Borrower Document shall be effective to amend such representations and warranties and defined terms as incorporated by reference in this Section 5.8 without the prior written consent of the Purchaser.

Section 5.9. Regulatory Compliance. The Borrower is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation T, U or X of the Board of Governors of the Federal Reserve System), and no part of the proceeds of the Series 2023B Bonds or any other extension of credit made hereunder will be used to purchase or carry any margin stock or to extend credit to others for the purpose of purchasing or carrying any margin stock.

Section 5.10. Registration, Consent and Approval. The execution, delivery and performance by the Borrower of this Agreement and the Borrower Documents do not and with respect to the execution and delivery will not require registration with, or the consent or approval of, or any other action by, any Federal, State or other Governmental Authority or regulatory body other than those which have been made or given and are in full force and effect, except for the approval of the Comptroller of the State of New York provided for in Section 1020-k of the Act (the "Approval") and any Federal securities laws or Blue Sky regulations, as to which no representation is given.

Section 5.11. Liens. The General Resolution creates, for the benefit and security of the Series 2023B Bonds (together with other Bonds and other Parity Obligations), the legally valid, binding and irrevocable statutory lien on and pledge of the Revenues and the Trust Estate. There is no lien on the Trust Estate other than the liens created by or pursuant to the General Resolution and the Subordinated Resolution. Neither the General Resolution nor the Subordinated Resolution permits the issuance of any debt secured by the Revenues to rank senior to the Series 2023B Bonds. The payment of the principal of and interest on the Series 2023B Bonds ranks on a parity with the payment of principal of and interest on other Bonds and is not subordinate to any payment secured by a lien on the Revenues or the Trust Estate or any other claim, and is prior as against all other persons having claims of any kind in tort, contract or otherwise, whether or not such persons have notice of the lien. No filing, registering, recording or publication of the General Resolution or any other instrument is required to establish the pledge under the Resolution and the General Resolution or to perfect, protect or maintain the lien created thereby on the Revenues and the Trust Estate.

Section 5.12. Sovereign Immunity. The defense of sovereign immunity, governmental immunity, or other similar immunity is not available to the Borrower in any proceeding by the Purchaser to enforce any of the obligations of the Borrower under this Agreement or the Related Documents and, to the fullest extent permitted by law, the Borrower consents to the initiation of any such proceeding in any federal or state court as provided in Section 9.14(b) hereof.

Section 5.13. No Default. No Potential Default, Event of Default or Mandatory Payment Event exists on the date hereof.

Section 5.14. ERISA. The Borrower and its Subsidiaries are in compliance in all material respects with ERISA to the extent applicable to them and neither the Borrower nor any Subsidiary thereof has received any notice from the PBGC or any other governmental entity or agency that such Person is not in compliance in all material respects with ERISA to the extent applicable to them, except where such noncompliance could not reasonably be expected to result in a Material Adverse Effect. No steps have been taken to terminate any Plan other than a “standard termination” meeting the requirements of Section 4041(b) of ERISA, and no contribution failure has occurred with respect to any Plan sufficient to give rise to a lien under Section 302(f) of ERISA. No condition exists or event or transaction has occurred with respect to any Plan which is reasonably likely to result in the incurrence by the Borrower or any Subsidiary thereof of any fine, penalty or liability (other than the liability for making contributions when due to such Plan in accordance with Section 302 of ERISA) which could reasonably be expected to result in a Material Adverse Effect. Neither the Borrower nor any Subsidiary thereof has any contingent liability with respect to any post-retirement benefit, other than liability for continuation coverage described in Part 6 of Title I of ERISA that could reasonably be expected to have a Material Adverse Effect, except as disclosed in writing to the Purchaser prior to the date hereof. The Borrower and its Subsidiaries each are not (1) an employee benefit plan subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), (2) a plan or account subject to Section 4975 of the Internal Revenue Code of 1986 (the “Code”); (3) an entity deemed to hold “plan assets” of any such plans or accounts for purposes of ERISA or the Code; or (4) a “governmental plan” within the meaning of ERISA.

Section 5.15. Enforceability. This Agreement and the other Related Documents are the legal, valid and binding agreements of the Borrower and, to the extent a signatory thereto, the LIPA Subsidiary, enforceable against them in accordance with their terms, except as may be limited by (a) bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium or other similar laws or judicial decisions for the relief of debtors or the limitation of creditors' rights generally and (b) equitable principles of general applicability.

Section 5.16. No Default under Other Agreements. None of the Borrower, the LIPA Subsidiary or any other Subsidiary is in default with respect to any note, indenture, loan agreement, mortgage, lease, deed, or other agreement to which it is a party or by which it or its Property is bound, which default could materially and adversely affect any rights of the Purchaser under the Related Documents or could reasonably be expected to result in a Material Adverse Effect.

Section 5.17. Status under Certain Laws. Neither the Borrower nor any of its Subsidiaries is an "investment company" or a person directly or indirectly controlled by or acting on behalf of an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

Section 5.18. Environmental Law. To the best of the Borrower's knowledge, after reasonable diligence with respect thereto, except as otherwise described to the Purchaser in writing on or prior to the Closing Date, (a) neither the Borrower nor any Subsidiary thereof has received any notice to the effect, or has any knowledge, that its Property or operations are not in compliance with any of the requirements of applicable federal, state and local environmental, health and safety statutes and regulations including, without limitation, regulations promulgated under the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§6901 *et seq.* ("Environmental Laws"), or are the subject of any federal or state investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, which non-compliance or remedial action could reasonably be expected to result in a Material Adverse Effect; (b) there have been no releases of hazardous materials at, on or under any Property now or previously owned or leased by the Borrower or any Subsidiary that, singly or in the aggregate, have, or may reasonably be expected to have, a Material Adverse Effect; (c) there are no underground storage tanks, active or abandoned, including petroleum storage tanks, on or under any Property now or previously owned or leased by the Borrower or any Subsidiary that, singly or in the aggregate, have, or could reasonably be expected to have, a Material Adverse Effect; (d) neither the Borrower nor the Subsidiary is the subject of any remedial investigation under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, 42 U.S.C. §9601 *et seq.* ("CERCLA") that is reasonably expected to have a Material Adverse Effect; and (e) no conditions exist at, on or under any Property now or previously owned or leased by the Borrower or any subsidiary which, with the passage of time, or the giving of notice or both, would give rise to liability under any Environmental Law, except to the extent such liability could not reasonably be expected to result in a Material Adverse Effect.

Section 5.19. Interest. None of the Related Documents provides for any payments that would violate any applicable law regarding permissible maximum rates of interest.

Section 5.20. Financial Information. The audited financial statements of the Borrower and its consolidated Subsidiaries for the Fiscal Year ended December 31, 2021, true and correct copies of which have heretofore been delivered or made available to the Purchaser, fairly present, in conformity with GAAP, the financial position of the Borrower and its consolidated Subsidiaries and its results of operations and changes in financial position at the dates and for the periods indicated. Since December 31, 2021, there has been no material adverse change in the business, financial position or results of operations of the Borrower and the LIPA Subsidiary other than those events or circumstances otherwise disclosed in writing to the Purchaser. Except as reflected in the financial statements referenced above or as otherwise disclosed by the Borrower to the Purchaser in writing, there are as of the date hereof no liabilities or obligations with respect to the Borrower of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether or not due) which, in the aggregate, would be material to the Borrower or the LIPA Subsidiary. The Borrower does not know of any basis for the assertion against the Borrower or any of its Subsidiaries of any liability or obligation of any nature whatsoever that is not reflected in the financial statements referenced above or otherwise disclosed in writing to the Purchaser which, in the aggregate, could be material to the Borrower or any of its consolidated Subsidiaries.

Section 5.21. Application of Proceeds. The Borrower will apply the proceeds of the Series 2023B Bonds solely and entirely to the purposes specified in the General Resolution, and not in violation of any Legal Requirements.

Section 5.22. Amendment to the General Resolution. Notwithstanding Section 307 of the Supplemental Resolution, the Purchaser, as the original purchaser and Holder of the Series 2023B Bonds issued pursuant to the Supplemental Resolution, has not by its purchase and acceptance thereof (i) consented, and is not be deemed to have consented to, the amendments made by or pursuant to the Supplemental Resolution (including, without limitation, the amendment and restatement of the General Resolution), and (ii) waived, and is not be deemed to have waived, any other formal notices, implementation or timing requirements that may otherwise be required under the Resolution.

(a) The Borrower shall maintain or cause the LIPA Subsidiary to maintain with responsible insurers all insurance required and reasonably obtainable in the amounts and of the types customarily maintained by electric utilities consistent with prudent utility practice, to indemnify for loss of or damage to the System, and against public and other liabilities relating to the operations of the Borrower, the LIPA Subsidiary and the System.

(b) The Borrower shall also maintain or cause to be maintained any additional or other insurance which is required by the Financing Agreement or the System Agreements.

(c) Any insurance required to be maintained by this Section shall be in the form of policies or contracts for insurance with insurers of good standing qualified to do business in the State and shall be payable to the Borrower, the LIPA Subsidiary, the Trustee or the Purchaser, as their interests may appear.

(d) Any insurance procured and maintained by the Borrower pursuant to this Section, including any blanket insurance policy, may include reasonable deductibles.

(e) No provision of this Section shall be construed to prohibit the Borrower from self-insuring against any risk at the recommendation of an independent insurance consultant chosen by or acceptable to an Authorized Representative of the Borrower; provided, however, that the Borrower shall provide or cause to be provided adequate funding of such self-insurance if and to the extent recommended by such insurance consultant.

(f) The Borrower shall file with the Purchaser annually a certificate of an Authorized Representative of the Borrower setting forth (i) a description in reasonable detail of the insurance then in effect pursuant to the requirements of this Section and that the Borrower has complied in all respects with the requirements of this Section, and (ii) if during such year any Property of the System has been damaged or destroyed and the amount necessary to repair such loss or damage is estimated to exceed the amount of insurance proceeds or expected Federal reimbursements covering such loss or damage by more than \$25 million, a summary of the loss or damage and the estimated reasonable and necessary costs of reconstruction or replacement.

Section 7.10. ERISA. The Borrower shall, and shall cause each Subsidiary to, promptly pay and discharge all obligations and liabilities arising under ERISA of a character which if unpaid or unperformed may result in the imposition of a lien against any of its Property, and will promptly notify the Purchaser of (a) the occurrence of any reportable event (as defined in ERISA) for which the notice requirement has not been waived by the PBGC and which is reasonably likely to result in the termination by the PBGC of any Plan, (b) receipt of any notice from PBGC of its intention to seek termination of any such Plan or appointment of a trustee therefor, and (c) its intention to terminate or withdraw from any Plan, other than a "standard termination" meeting the

requirements of Section 4041(b) of ERISA. The Borrower will not, and will not permit any Subsidiary to, terminate any such Plan or withdraw therefrom unless it shall be in compliance with all of the terms and conditions of this Agreement after giving effect to any liability to PBGC resulting from such termination or withdrawal.

Section 7.11. Compliance with Laws, Etc. The Borrower will, and will cause each of its Subsidiaries to, comply in all material respects with all Governmental Requirements and Legal Requirements, except where the failure to do so would not have a Material Adverse Effect.

Section 7.12. Application of Proceeds. The Borrower shall apply the proceeds of the Series 2023B Bonds solely and entirely to the purposes specified in the General Resolution and not in violation of any Legal Requirement. No part of the proceeds of the Series 2023B Bonds will be used, whether directly or indirectly, for any purpose that entails a violation of any of the Regulations of the Board, including Regulations T, U and X. The Borrower shall not use, and shall procure that the LIPA Subsidiary and its or their respective directors, officers, employees and agents shall not use, the proceeds of the Series 2023B Bonds (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

Section 7.13. Taxes. Any and all payments by the Borrower hereunder shall be made, in accordance with Section 3.1 hereof.

Section 7.14. Maintenance of Rate Stabilization Fund. The Borrower shall at all times maintain on deposit in the Rate Stabilization Fund an amount not less than \$150,000,000 (the “Rate Stabilization Fund Requirement”); *provided, however*, that the failure to maintain such amount shall not constitute an Event of Default hereunder so long as (a) any such deficiency is cured within a period not exceeding thirty (30) days following the initial date of such deficiency, provided, however, that if such deficiency cannot be cured without increasing System fees, rates and charges, such deficiency shall be cured within one hundred twenty (120) days following the implementation of the increase in System fees, rates or charges but in no event later than one hundred eighty (180) days following the initial date of such deficiency and (b) until such deficiency has been cured, no amounts of Revenues shall be used by the Borrower for any purpose other than for the satisfaction of the obligations set forth in paragraphs FIRST through FIFTH of Section 505(a) of the General Resolution. Nothing contained in this Section 7.14 shall prohibit the Borrower from curing any deficiency in the Rate Stabilization Fund by depositing unencumbered cash on hand from sources other than Revenues into the Rate Stabilization Fund subject to the grace periods set forth above.

Section 7.15. Covenants of Subsidiary. The Borrower shall cause the LIPA Subsidiary to fully comply with any and all of its obligations, agreements and covenants set forth in the Financing Agreement and any other Related Document to which it is a party, including without limitation its obligation to maintain insurance under Section 6.11 of the Financing Agreement.

Section 7.16. Sovereign Immunity. To the extent permitted by law in effect at the time of the related dispute or legal action referred to in this Section 7.16, in the event the Borrower has or hereafter acquires under any applicable law any right of immunity from set off or legal proceedings on grounds of sovereignty or otherwise, the Borrower hereby waives such rights to immunity for itself in all disputes or legal actions brought by the Purchaser with respect to obligations of the Borrower arising under this Agreement or any other Related Document to which the Borrower or any of its Subsidiaries is a party.

Section 7.17. Environmental Covenant. The Borrower will, and will cause the LIPA Subsidiary to:

(a) except as otherwise disclosed to the Purchaser, use and operate all of its facilities and Properties in compliance with all Environmental Laws where the failure to do so could reasonably be expected to result in a Material Adverse Effect; keep all material permits, approvals, certificates, licenses and other authorizations relating to environmental matters in effect and remain in material compliance therewith; and handle all hazardous materials in material compliance with all applicable Environmental Laws;

(b) immediately notify the Purchaser and provide copies upon receipt of all material written claims, complaints, notices or inquiries relating to the condition of its facilities and Property or compliance with Environmental Laws, and shall promptly cure and have dismissed, to the reasonable satisfaction of the Purchaser, any actions and proceedings relating to compliance with Environmental Laws, provided that the foregoing shall not prevent the Borrower from contesting any claim, complaint, action or proceeding so long as such contest is prosecuted with reasonable diligence and its prosecution could not reasonably be expected to result in a Material Adverse Effect; and

(c) provide such information and certifications which the Purchaser may reasonably request from time to time to evidence compliance with this Section 7.17.

Section 7.18. Investment of Funds. The Borrower shall cause all moneys held in the funds and accounts of the Borrower established under the General Resolution, including without limitation the Revenue Fund, the Operating Expense Fund, the Debt Service Fund, the Parity Contract Obligations Fund, the Subordinated Indebtedness Fund, the Construction Fund, the Subsidiary Unsecured Debt Fund, the PILOTS Fund and the Rate Stabilization Fund, to be invested in Permissible Investments; provided that in no event shall any such investment be made by purchasing securities on margin or by otherwise investing or compounding the dollar amount of such investment by obtaining loans or issuing debt.

Section 7.19. Ratings. The Borrower shall promptly provide the Purchaser with written notice of any change, suspension, withdrawal or unavailability of any Debt Rating.

Section 7.20. PILOT. The Borrower shall cause to be timely paid such amounts as are payable in respect of PILOT in accordance with the Act.

Section 7.21. Maintenance of Ratings. The Borrower shall maintain at least two Debt Ratings at all times (provided, however, that (a) in no event may the Borrower terminate or request

a withdrawal of a Debt Rating in order to cure a Potential Default or Event of Default or to reduce the Applicable Spread and (b) if the Borrower terminates or requests a withdrawal of the then lowest Debt Rating, such termination or withdrawal shall not in and of itself result in a change in pricing, including, without limitation, the Applicable Spread).

Section 7.22. Credit Facilities. In the event that the Borrower has or shall, directly or indirectly, enter into or otherwise consent to any Bank Agreement or other agreement or instrument (or any amendment, supplement or modification thereto) under which, directly or indirectly, any Person or Persons undertakes to make or provide funds to purchase Bonds, otherwise extend credit or liquidity for, or any obligations or indebtedness secured by a pledge, lien or charge upon any of the Revenues on senior to or on a parity with the lien securing the Series 2023B Bonds, which such agreement (or amendment thereto), which such Bank Agreement or other agreement or instrument (or any amendment, supplement or modification thereto) provides such Person with more restrictive financial tests, covenants and ratios, different or more restrictive events of default or greater rights and remedies for default (including rights of acceleration, declaration of mandatory tender, or amortization of bank bonds), and/or greater rights with respect to the security for any Parity Obligations than are provided to the Purchaser in this Agreement (collectively, the “Incorporated Provisions”), the Borrower shall provide the Purchaser with a copy of each such agreement (or amendment thereto) and such Incorporated Provisions shall automatically be incorporated into this Agreement and the Purchaser shall have the benefits of such Incorporated Provisions as if specifically set forth herein, but only for the period during which such Bank Agreement or other agreement or instrument remains in force and effect. The Borrower shall promptly enter into an amendment to this Agreement to include such Incorporated Provisions (provided that the Purchaser shall maintain the benefit of such Incorporated Provisions even if the Borrower fails to provide such amendment). Notwithstanding the foregoing, this Section 7.22 does not apply to any provisions other than those set forth above and, in particular, does not apply to different or higher fees, different or higher interest rates or different or higher drawn pricing set forth in any such document. For purposes of clarification, “financial tests, covenants and ratios” refers to covenants to maintain coverage ratios at certain levels prior to the incurrence of additional debt, to maintain certain liquidity levels, covenants to maintain certain rating levels, rating thresholds with respect to events of default and similar financial covenants and agreements to deliver financial information and other information within a specified time period.

Section 7.23. Organization Amendments. The Borrower will not, and will not permit others to, amend, supplement, or otherwise modify its organizational documents in any way which could reasonably be expected to materially impair its ability to carry out its obligations under this Agreement, or adversely affect the rights and remedies of the Purchaser hereunder or under the other Related Documents.

Section 7.24. Documents. The Borrower will not enter into or consent to any amendment to, modification of or waiver of compliance with the provisions of any of the Related Documents, except that the Borrower may amend, modify or waive any term or provision with respect to any Related Document in a manner (i) not having an adverse effect, as determined in the Purchaser’s sole discretion, on (x) the ability of the Borrower to pay when due the principal of or interest on the Series 2023B Bonds and the obligations of the Borrower under this Agreement or (y) the security, rights or remedies of the Purchaser hereunder or under any other Related Document or (ii) not relating to the duties, obligations or rights of the Purchaser under this Agreement, as

determined in the Purchaser's reasonable discretion. In connection with any such amendment, modification or waiver, the Borrower agrees to deliver to the Purchaser copies of all such amendments, modifications or waivers at least fifteen (15) calendar days prior to the effective date thereof. The Purchaser shall, within ten (10) calendar days after receiving such copies, inform the Borrower in writing if, in the Purchaser's sole discretion, such amendment, modification or waiver requires the prior written consent of the Purchaser in accordance with this Section 7.24. The Borrower shall not amend and restate or otherwise terminate or replace the General Resolution without the prior written consent of the Purchaser, provided, however, that nothing in this section 7.24 shall require the Borrower to obtain consent from the Purchaser prior to the issuance of Bonds or the adoption by the Borrower of a Supplemental Resolution pursuant to Article VIII of the General Resolution.

Section 7.25. Adverse Agreements. The Borrower will not enter, or permit the LIPA Subsidiary to enter, into any contract, agreement or transaction which would reasonably be foreseen by the Borrower to materially and adversely affect its or the LIPA Subsidiary's business, Property, assets, operations, condition (financial or otherwise), or its or the LIPA Subsidiary's ability to perform its obligations under any of the Related Documents.

Section 7.26. Loans or Guarantees. The Borrower will not make, or permit the LIPA Subsidiary to make, any advances, loans or other investments, other than those involving prime money market investments or investments otherwise authorized under the terms of this Agreement, the General Resolution or the Subordinated Resolution, or guarantee the obligations of any Person.

Section 7.27. Additional Debt. The Borrower will not, except in the case of Refunding Bonds issued pursuant to Section 206 of the General Resolution, issue or permit the LIPA Subsidiary to issue any Bonds, Parity Obligations, Subordinated Indebtedness or other Debt payable from or secured by Revenues (collectively, "Additional Debt") unless the Purchaser shall receive the following:

(a) A certificate of an Authorized Representative of the Borrower setting forth (i) the Revenues for any twelve (12) consecutive calendar months out of the eighteen (18) calendar months immediately preceding the month in which such Additional Debt is to be issued, (ii) the Debt Service for all Outstanding Bonds and Subordinated Indebtedness and the amount payable under all Parity Obligations during such twelve (12) month period for which Revenues are determined in accordance with clause (i) above, excluding in each case any amount thereof paid from sources other than Revenues, and (iii) the sum of the Required Deposits for such twelve (12) month period (excluding Required Deposits for the payment of Outstanding Bonds, Subordinated Indebtedness, and Parity Obligations accounted for under clause (ii) of this subsection (a)), all other payments required pursuant to the General Resolution, the Subordinated Resolution, this Agreement, any Credit Facility (and any related reimbursement agreement) or Liquidity Facility (and any related reimbursement agreement) or Subordinated Credit Facility (and any related reimbursement agreement), or any other Related Document, and all other payments required for the System for such twelve (12) month period, including but not limited to payments necessary to satisfy the Rate Stabilization Fund Requirement in accordance with Section 7.14 hereof and payments of the principal of and interest on Permitted Subordinate Debt, and showing that the amount set forth in clause (i) is at least equal to the sum of (x) 110% of the amount set forth in clause (ii) and (y) 100% of the amount set forth in clause (iii); or

(b) A Certificate of a Rate Consultant setting forth (i) the estimated Revenues for each of the full Fiscal Years in the period beginning with the Fiscal Year in which such Additional Debt is to be issued and ending with the fifth full Fiscal Year after the date such Additional Debt is to be issued, (ii) the estimated Debt Service for all Bonds and Subordinated Indebtedness and estimated amounts payable under all Parity Contract Obligations, during each Fiscal Year for which Revenues are estimated, (iii) the projected Debt Service for all Bonds and Subordinated Indebtedness, including such Additional Debt, and projected amounts payable under Parity Contract Obligations, projected to be issued for any purpose during each Fiscal Year for which Revenues are estimated, and (iv) the sum of the estimated and projected Required Deposits for each such Fiscal Year (excluding Required Deposits for the payment of Outstanding Bonds, Subordinated Indebtedness and Parity Obligations accounted for under clause (iii) of this subsection (b)), all other payments required pursuant to the General Resolution, the Subordinated Resolution, this Agreement, any Credit Facility (and any related reimbursement agreement) or Liquidity Facility (and any related reimbursement agreement) or Subordinated Credit Facility (and any related reimbursement agreement), or any other Related Document, and all other payments required for the System for such twelve month period, including but not limited to payments necessary to satisfy the Rate Stabilization Fund Requirement in accordance with Section 7.14 hereof and payments of the principal of and interest on Permitted Subordinate Debt, and showing that for each such Fiscal Year the amount set forth in clause (i) is at least equal to the sum of (x) 110% of the sum of the amounts set forth in clauses (ii) and (iii), and (y) 100% of the amount set forth in clause (iv). The Rate Consultant may base its estimates and projections upon such factors as it shall consider reasonable, a statement to which effect shall be included in such Certificate.

(c) For purposes of this Section 7.27, (1) Revenues shall include any amount withdrawn in any Fiscal Year from the Rate Stabilization Fund which was on deposit therein prior to such Fiscal Year, (2) Revenues shall not include any proceeds from the sale of assets of the LIPA Subsidiary or proceeds of insurance, and (3) any Debt Service for Bonds or Subordinated Indebtedness, Parity Contract Obligations and Required Deposits shall not include any amounts thereof expected by the Borrower to be paid from any funds, other than the Revenues, reasonably expected by the Borrower to be available therefor (including, without limitation, the anticipated receipt of proceeds of sale of Bonds or Subordinated Indebtedness, or moneys not a part of the Trust Estate, expected by the Borrower to be used to pay the principal of Bonds, Parity Obligations, Subordinated Indebtedness or Subsidiary Unsecured Debt.

Section 7.28. Acquisitions. The Borrower will not, and will not permit any Subsidiary to, make or commit to make acquisitions of any Person or substantially all of its assets (each an "Acquisition"); *provided, however*, that the Borrower and any Subsidiary each may make Acquisitions if: (i) the Borrower or such Subsidiary acquires by reason of such Acquisition either (x) assets used or useful in a business which is the same or similar to that currently conducted by the Borrower or (y) the capital stock of a corporation or any other equity interest of any partnership or other firm engaged in such a same or similar business and after giving effect to such Acquisition, the corporation, partnership or other such firm so acquired becomes a Subsidiary; (ii) no Mandatory Payment Event, no Event of Default and no Potential Default exists or would exist at the time of or after giving effect to such Acquisition; (iii) the Borrower provides the Purchaser with a statement, certified as true and correct by an Authorized Representative, which describes the feasibility and benefits of such Acquisition and includes a forecast of projected operating results for the remainder of the Fiscal Year in which such Acquisition takes place and the next

succeeding Fiscal Year, in each case, after giving effect to such Acquisition, such certificate to be accompanied by supporting financial projections based on reasonable assumptions; (iv) the Board of Directors or other governing body of such Person whose property or voting stock is being so acquired has approved the terms of such Acquisition; and (v) the Borrower has provided the Purchaser with such financial and other information regarding the Person whose property or voting stock is being so acquired, including historical financial statements, and a description of such Person, as the Purchaser may reasonably request.

Section 7.29. Mergers, Consolidations and Sales; Privatization. (a) The Borrower will not, and will not permit any Subsidiary to be a party to any merger or consolidation, or sell, transfer, lease (including, without limitation, any long-term lease with respect to the System, the Property of the Borrower or any substantial portion thereof) or otherwise dispose of (whether in a single transaction or a series of transactions) all or any substantial part of its Property, including any disposition of Property as part of a sale and leaseback transaction, or in any event sell or discount (with or without recourse) any of its notes or accounts receivable; provided that the foregoing shall not operate to prevent (i) any such transaction that could not reasonably be expected to have a Material Adverse Effect, (ii) any Subsidiary from merging into the LIPA Subsidiary or into any other wholly owned Subsidiary (in each case, so long as the LIPA Subsidiary or such Subsidiary, as applicable, is the surviving entity and remains a subsidiary of the Borrower) or (iii) transactions related to Separately Financed Project (so long as the Obligations under this Agreement and any debt service on Senior Lien Debt or Subordinated Indebtedness issued and outstanding are not and may not be payable from or secured by the revenues generated by such Separately Financed Project). The term “substantial” as used herein shall mean, as to the Borrower or any Subsidiary, the sale, transfer, lease or other disposition of 10% or more of the total assets of such Person (whether in a single transaction or a series of transactions), provided, however, that a disposition of the LIPA Subsidiary’s interest in the Nine Mile Point 2 Nuclear Power Plant shall not constitute the disposition of a substantial part of the assets of the Borrower or the LIPA Subsidiary for purposes of this Section 7.29.

(b) Unless all outstanding Series 2023B Bonds and all other amounts payable to the Purchaser under the Related Documents have been paid in full, the Borrower shall not permit the occurrence of any Privatization.

Section 7.30. Transactions with Affiliates. Subject to the further limitations set forth in Section 7.29 hereof, the Borrower will not, and will not permit any Subsidiary to, enter into any transaction, including without limitation, the purchase, sale, lease or exchange of any Property, or the rendering of any service, with any Affiliate of the Borrower except pursuant to the reasonable requirements of the Borrower’s or such Subsidiary’s business and upon fair and reasonable terms no less favorable than the Borrower or such Subsidiary than would be obtained in a comparable arm’s length transaction with a Person not an Affiliate of the Borrower or such Subsidiary.

Section 7.31. No Debt to Be Issued by LIPA Subsidiary. From and after the Closing Date, the Borrower shall not permit the LIPA Subsidiary or any other Subsidiary of LIPA to issue or incur any Debt, provided, however, that the foregoing shall not prohibit the LIPA Subsidiary or any other Subsidiary of LIPA from entering into obligations the payment of which would constitute (i) Operating Expenses, (ii) (x) Capital Leases which are payable from funds withdrawn from the Revenue Fund as permitted by Section 505(b) of the General Resolution, or (y) Capital

Leases which constitute Parity Contract Obligations providing for total principal payments of not more than \$100,000,000, (iii) Supply Contracts in an aggregate principal amount of not more than \$250,000,000, or (iv) other Debt evidenced by bonds, indentures, notes or other similar instruments with Debt Service Components in an aggregate principal amount of not more than \$50,000,000; *provided, however*, that any such Capital Lease or Supply Contract (to the extent that payments thereunder are intended to be payable as a Parity Contract Obligation), or other Debt is issued or incurred in accordance with the limitations set forth in Section 207(e) of the General Resolution for “Parity Contract Obligations.”

Section 7.32. No Disposition of LIPA Subsidiary. The Borrower shall not hereafter transfer, sell or otherwise dispose of or encumber or grant a security interest in, any common or preferred stock or other evidence of the Borrower’s equity interest in the LIPA Subsidiary.

Section 7.33. Disclosure. The Borrower shall not make reference to any financial information relating to the Purchaser in any other written or published materials without the Purchaser’s prior written consent thereto.

Section 7.34. Licenses and Permits. The Borrower shall maintain all licenses and permits necessary to own and operate the System.

Section 7.35. Tax Covenant. The Borrower shall not take or omit to take any action which would cause interest on the Series 2023B Bonds to be included in the gross income of any Bondholder thereof for Federal income tax purposes by reason of subsection (b) of Section 103 of the Code. Without limiting the generality of the foregoing, no part of the proceeds of the Series 2023B Bonds or any other funds of the Borrower shall be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause the Series 2023B Bonds to be an “arbitrage bond” as defined in Section 148 of the Code and to be subject to treatment under subsection (b)(2) of Section 103 of the Code as an obligation not described in subsection (a) of said Section.

ARTICLE VIII

(i) The Borrower or the LIPA Subsidiary fails to pay any debt or obligation owing under a financial instrument or contract and the outstanding principal or obligation under such financial instrument or contract exceeds, individually or in the aggregate, \$25,000,000, and such failure results in an acceleration, or a mandatory tender, of the obligations thereunder; or

(j) The occurrence of an event of default or an event which, with the passage of time or the giving of notice, or both, would be an event of default under any other Subsidiary Document, Related Document, or any Bank Agreement if the result is to permit an acceleration, or cause a mandatory tender, of the obligations thereunder; or

(o) The long term unenhanced rating by any of the Rating Agencies then rating the Series 2023B Bonds or any other indebtedness of the Borrower senior to or on a parity with the Series 2023B Bonds and secured by and payable from the Trust Estate shall be withdrawn or suspended for credit related reasons or is reduced below “Baa3” (or its equivalent) by Moody’s, “BBB-” (or its equivalent) by S&P, or “BBB-” (or its equivalent) by Fitch.

Section 8.2. Remedies. Subject to Section 8.5 below, when any Event of Default has occurred and is continuing, the Purchaser may deliver a written notice to the Trustee and the Borrower stating that an Event of Default has occurred and is continuing and directing the Trustee and the Borrower to cause a mandatory tender of the Series 2023B Bonds pursuant to the General Resolution and increase the rate on the Series 2023B Bonds to the Default Rate pursuant to Section 10(e) of the Certificate of Determination. In addition, the Purchaser may exercise all other rights and remedies available to it under the Related Documents or applicable law or equity when any such Event of Default has occurred and is continuing.

Section 8.3. Post-Default Collections. Anything contained herein to the contrary notwithstanding, but in all cases subject to the General Resolution, all payments and collections received in respect of the Series 2023B Bonds and any other Obligations and all proceeds of the Trust Estate received, in each instance, by the Purchaser after acceleration, mandatory tender or the final maturity of the Series 2023B Bonds as a result of an Event of Default shall be remitted to the Purchaser and distributed as follows:

(a) first, to the payment of any outstanding costs and expenses incurred by the Purchaser in protecting, preserving or enforcing rights under the Related Documents, and in any event including all costs and expenses of a character which the Borrower has agreed to pay the Purchaser under Section 9.4 hereof;

- (b) second, to the payment of any outstanding interest and fees due under the Related Documents;
- (c) third, to the payment of principal on the Series 2023B Bonds;
- (d) fourth, to the payment of all other unpaid Obligations; and
- (e) finally, to the Borrower or whoever else may be lawfully entitled thereto.

Section 8.4. Mandatory Payment. In the event (i) the Borrower shall cease to exist as a corporate municipal instrumentality or an agency of the State, (ii) the Borrower shall lose its ability to independently set rates and charges with respect to the System in a manner consistent with applicable law in effect on the Closing Date, or (iii) any Privatization shall occur (each of the foregoing is a “Mandatory Payment Event”), then in each and every such case, all Series 2023B Bonds shall be subject to mandatory redemption, without presentment, demand, protest or notice of any kind. Notwithstanding the foregoing, any mandatory redemption of the Series 2023B Bonds pursuant to this Section 8.4, shall not be declared or directed by the Purchaser until seven (7) days after the occurrence of such events.

Section 8.5. Special Provisions Relating to Mandatory Tender. Notwithstanding the provisions of Sections 8.2 to the contrary,

(a) solely in the case of an Event of Default under Sections 8.1 (a), (g), (j), (k), (m) or (o), a mandatory tender of the Series 2023B Bonds pursuant to Section 8.2 shall not be declared or directed by the Purchaser until seven (7) days after the occurrence of such Event of Default; and

(b) solely in the case of an Event of Default under Sections 8.1 (b), (e), (f), (h), or (l), a mandatory tender of the Series 2023B Bonds pursuant to Section 8.2 shall require one-hundred eighty (180) days’ prior written notice from the Purchaser to the Borrower, provided that such 180 days shall run concurrently with any cure period provided with respect to the applicable Event of Default set forth in Section 8.1.

Notwithstanding the foregoing, if (i) an Event of Default under Section 8.1(c), (d) or (n) hereof occurs or (ii) any other holder, credit enhancer, liquidity provider or insurer of Debt or any counterparty to any interest rate protection agreement related thereto causes (or has the ability to cause) any such Debt or other obligations of the Borrower to become immediately due and payable or payable on a date earlier than, or pursuant to a notice period which is shorter than, what is set forth in Section 8.5 hereof, then, in each case, the Purchaser may immediately, without notice, avail itself of the remedies set forth in Section 8.2 above and cause a mandatory tender of the Series 2023B Bonds and the other Related Documents.

(c) Change of Address, etc. Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto.

Section 9.2. Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Purchaser, and the Purchaser may not assign or otherwise transfer any of its rights or obligations hereunder except (i) as set forth in paragraph (b) of this Section, or (ii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (c) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Purchaser) any legal or equitable right, remedy or claim under or by reason of this Agreement. Bank of America, N.A. shall be the Purchaser hereunder until such time as the Majority Bondholder designates an alternate Person to serve as the Purchaser hereunder by delivery of written notice to the Borrower and the Trustee and such Person accepts and agrees to act as the Purchaser hereunder and under the Related Documents. The Majority Bondholder may so designate an alternate Person to act as the Purchaser from time to time. Upon acceptance and notification thereof to the Borrower and the Trustee, the successor to the Purchaser for such purposes shall thereupon succeed to and become vested with all of the rights, powers, privileges and responsibilities of the Purchaser, and Bank of America, N.A. or any other Person being replaced as the Purchaser shall be discharged from its duties and obligations as the Purchaser hereunder.

(b) Transfer of Bonds. (x) The Purchaser may assign, sell or transfer the Series 2023B Bonds to (i)(A) a Bank Affiliate or (B) a trust or other custodial arrangement established by the Purchaser or a Bank Affiliate (each, a "*Purchaser Transferee*"), or (ii)(A) one or more transferees which are not Purchaser Transferees but each of which constitutes both a "qualified institutional buyer" as defined in Rule 144A promulgated under the 1933 Act and a bank organized under the laws of the United States, or any state thereof, or any other country which is a member of the

Organization for Economic Cooperation and Development, or a political subdivision of any such country (each a “9.2(b)(x) Non-Purchaser Transferee”).

(y) The Purchaser may assign, sell or transfer the Series 2023B Bonds to any other Person not contemplated by clause (b)(x) above (each a “9.2(b)(y) Non-Purchaser Transferee” and together with each 9.2(b)(x) Non-Purchaser Transferee, each a “Non-Purchaser Transferee”); provided, however, that any assignment, sale or transfer to a 9.2(b)(y) Non-Purchaser Transferee shall be without the benefit of this Agreement and upon any such assignment, sale or transfer of the Series 2023B Bonds pursuant to clause (iii), this Agreement shall terminate (except for those provisions set forth herein which are incorporated into the Certificate of Determination by reference, including, without limitation, the definitions of “Base Rate”, “Default Rate,” “Failed Remarketing Rate,” and “Taxable Rate”).

(c) Certain Pledges. The Borrower hereby consents and agrees that the Purchaser may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of the Purchaser, including any pledge or assignment to secure obligations to a Federal Reserve Bank or the United States Treasury; *provided* that no such pledge or assignment shall release the Purchaser from any of its obligations hereunder or substitute any such pledge or assignee for the Purchaser as a party hereto.

(d) Participations. Each Bondholder shall have the right to grant participations in all or a portion of such Bondholder’s interest in the Bonds, this Agreement and the other Related Documents to one or more other banking institutions; *provided, however*, that (i) no such participation by any such participant shall in any way affect the obligations of the Purchaser hereunder and (ii) the Borrower and the Trustee shall be required to deal only with the Purchaser, with respect to any matters under this Agreement, the Bonds and the other Related Documents and no such participant shall be entitled to enforce any provision hereunder against the Borrower. The Borrower agrees that each participant shall be entitled to the benefits of Sections 3.1, 3.2 and 9.4 hereof to the same extent as if it were a Bondholder hereunder; *provided, however*, that a participant shall not be entitled to receive any greater payment under Sections 3.1 and 3.2 than such Bondholder would have been entitled to receive with respect to the participation sold to such participant, unless the sale of the participation to such participant is made with the Borrower’s prior written consent.

Section 9.3. Amendments. Any provision of this Agreement or the other Related Documents may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by (a) the Borrower, and (b) the Purchaser. Amendments to any provision of this Agreement (or any other Bank Document) shall be subject to approval by the New York Attorney General and the New York State Comptroller.

Section 9.4. Costs and Expenses; Indemnification.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Purchaser and its Bank Affiliates (including, without limitation, the reasonable fees, charges and disbursements of counsel for the Purchaser), and shall pay all fees and time charges and disbursements for attorneys who may be employees of the Purchaser, in

connection with the preparation, negotiation, execution, and delivery of this Agreement and the other Related Documents, or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated) and (ii) all out-of-pocket expenses incurred by the Purchaser (including the fees, charges and disbursements of any counsel for the Purchaser), and shall pay all fees and time charges for attorneys who may be employees of the Purchaser, in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Related Documents, including its rights under this Section, or (B) in connection with the purchase of the Series 2023B Bonds, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Series 2023B Bonds (including all such costs and expenses incurred in connection with any proceeding under the United States Bankruptcy Code involving the Borrower as a debtor thereunder).

(b) Indemnification by the Borrower. The Borrower shall indemnify the Purchaser, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnatee”) against, and hold each Indemnatee harmless from and reimburse each Indemnatee for, any and all losses, claims, damages, liabilities, costs and related expenses (including the fees, charges and disbursements of any counsel for any Indemnatee), and shall indemnify and hold harmless each Indemnatee from, and reimburse each Indemnatee for, all fees and time charges and disbursements for attorneys who may be employees of any Indemnatee, incurred by any Indemnatee or asserted against any Indemnatee by any Person (including any third party or the Borrower) arising out of, in connection with, or as a result of (i) the purchase of the Series 2023B Bonds, the execution or delivery of this Agreement, any other Related Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, and their Related Parties, the administration and enforcement of this Agreement and the other Related Documents (including all such costs and expenses incurred in connection with any proceeding under the United States Bankruptcy Code involving the Borrower as a debtor thereunder), (ii) any Series 2023B Bonds or the use or proposed use of the proceeds therefrom, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower, and regardless of whether any Indemnatee is a party thereto (including, without limitation, any settlement arrangement arising from or relating to the foregoing); provided that such indemnity and reimbursement shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnatee or (y) result from a claim brought by the Borrower against an Indemnatee for breach in bad faith of such Indemnatee’s obligations hereunder or under any other Related Document, if the Borrower has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This subsection (b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. Upon receiving knowledge of any suit, claim or demand asserted by a third party that the Purchaser believes is covered by this indemnity, the Purchaser shall give the Borrower notice of the matter; provided that that failure to give such notice shall not relieve the parties of any of its obligations hereunder. Nothing in this Section is intended to limit the obligations of the Borrower contained in Section 2. Without prejudice to the survival of any other obligation of the Borrower hereunder, the indemnities and

obligations of the Borrower contained in this Section shall survive performance of all obligations hereunder and the termination of this Agreement or the exercise by the Purchaser of any of its remedies hereunder or any other Related Document.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the parties hereto agree that they will not assert, and hereby waive, any claim against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Related Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Series 2023B Bonds, or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Related Documents or the transactions contemplated hereby or thereby.

(d) Payments. All amounts due under this Section shall be payable after demand therefor. All amounts required to be paid by the Borrower pursuant to this Section 9.4 are referred to herein as “Indemnification and Reimbursement Installments.”

(e) Survival. Each party’s obligations under this Section shall survive the termination of the Related Documents and payment of the obligations hereunder.

Section 9.5. No Waiver, Cumulative Remedies. No delay or failure on the part of the Purchaser, or on the part of the holder or holders of any of the Obligations, in the exercise of any power or right under any Related Document shall operate as a waiver thereof or as an acquiescence in any default, nor shall any single or partial exercise of any power or right preclude any other or further exercise thereof or the exercise of any other power or right. The rights and remedies hereunder of the Purchaser and of the holder or holders of any of the Obligations are cumulative to, and not exclusive of, any rights or remedies which any of them would otherwise have.

Section 9.6. Right of Setoff. In addition to any rights now or hereafter granted under the Related Documents or applicable law and not by way of limitation of any such rights, if an Event of Default or Mandatory Payment Event shall have occurred and be continuing, the Purchaser and any of its Bank Affiliates are hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by the Purchaser or any such Bank Affiliate, to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Related Document to the Purchaser or its Bank Affiliates, irrespective of whether or not the Purchaser or Bank Affiliate shall have made any demand under this Agreement or any other Related Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch, office or Bank Affiliate of such Purchaser different from the branch, office or Bank Affiliate holding such deposit or obligated on such indebtedness. The rights of the Purchaser and its Bank Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that the Purchaser or its Bank Affiliates may have. The Purchaser agrees to notify the Borrower promptly

after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 9.7. Survival of Representations. All representations and warranties made herein or in any other Related Document or in certificates given pursuant hereto or thereto shall survive the execution and delivery of this Agreement and the other Related Documents, and shall continue in full force and effect with respect to the date as of which they were made as long as any credit is in use or available hereunder.

Section 9.8. Counterparts; Integration; Effectiveness; Electronic Signatures.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Related Documents, and any separate letter agreements, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 6.1 hereof, this Agreement shall become effective when it shall have been executed by the Purchaser and when the Purchaser shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto and provided that in accordance with Section 112 of the New York State Finance Law, this Agreement shall not be valid, effective or binding upon the Borrower until it has been approved by the State Comptroller and filed in his office.

(b) Electronic Signatures. Delivery of an executed counterpart of a signature page of this Agreement or any Related Document, that is an Electronic Signature transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual manually executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement or such Related Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement or any Related Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual manually executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; *provided, further*, without limiting the foregoing, (i) the Purchaser shall be entitled to rely on an Electronic Signature purportedly given by or on behalf of the Borrower without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Purchaser, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation between the Purchaser and the Borrower, Electronic Signatures transmitted by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual manually executed signature page, or any electronic images of this Agreement, or any Related Document shall have the same legal effect, validity and enforceability as any paper original, (B) agrees that the Purchaser may, at its option, create one or more copies of this Agreement or any Related Document in the form of an

imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (C) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement or any Related Document based solely on the lack of paper original copies of this Agreement, or such Related Document, respectively, including with respect to any signature pages thereto and (D) waives any claim against the Purchaser for any liability arising solely from the Purchaser's reliance on or use of Electronic Signatures or transmissions by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page, including any liability arising as a result of the failure of the Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

Section 9.9. Headings. Section headings used in this Agreement are for reference only and shall not affect the construction of this Agreement.

Section 9.10. Severability of Provisions. Any provision of any Related Document which is unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction. All rights, remedies and powers provided in this Agreement and the other Related Documents may be exercised only to the extent that the exercise thereof does not violate any applicable mandatory provisions of law, and all the provisions of this Agreement and other Related Documents are intended to be subject to all applicable mandatory provisions of law which may be controlling and to be limited to the extent necessary so that they will not render this Agreement or the other Related Documents invalid or unenforceable.

Section 9.11. Construction. The parties acknowledge and agree that the Related Documents shall not be construed more favorably in favor of any party hereto based upon which party drafted the same, it being acknowledged that all parties hereto contributed substantially to the negotiation of the Related Documents. NOTHING CONTAINED HEREIN SHALL BE DEEMED OR CONSTRUED TO PERMIT ANY ACT OR OMISSION WHICH IS PROHIBITED BY THE TERMS OF ANY RELATED DOCUMENT, THE COVENANTS AND AGREEMENTS CONTAINED HEREIN BEING IN ADDITION TO AND NOT IN SUBSTITUTION FOR THE COVENANTS. AND AGREEMENTS CONTAINED IN THE RELATED DOCUMENTS.

Section 9.12. Excess Interest. Notwithstanding any provision to the contrary contained herein or in any other Related Document, no such provision shall require the payment or permit the collection of any amount of interest in excess of the maximum amount of interest permitted by applicable law to be charged for the use or detention, or the forbearance in the collection, of all or any portion of the Series 2023B Bonds or other obligations outstanding under this Agreement or any other Related Document ("Excess Interest"). If any Excess Interest is provided for, or is adjudicated to be provided for, herein or in any other Related Document, then in such event (a) the provisions of this Section shall govern and control, (b) neither the Borrower nor any guarantor or endorser shall be obligated to pay any Excess Interest, (c) any Excess Interest that the Purchaser may have received hereunder shall, at the option of the Purchaser, be (i) applied as a credit against

the then outstanding principal amount of Obligations hereunder and accrued and unpaid interest thereon (not to exceed the Maximum Rate), (ii) refunded to the Borrower, or (iii) any combination of the foregoing, (d) the interest rate payable hereunder or under any other Related Document shall be automatically subject to reduction to the Maximum Rate, and this Agreement and the other Related Documents shall be deemed to have been, and shall be, reformed and modified to reflect such reduction in the relevant interest rate, and (e) neither the Borrower nor any guarantor or endorser shall have any action against the Purchaser for any damages whatsoever arising out of the payment or collection of any Excess Interest. Notwithstanding the foregoing, if for any period of time interest on any of Borrower's Obligations is calculated at the Maximum Rate rather than the applicable rate under this Agreement, and thereafter such applicable rate becomes less than the Maximum Rate, the rate of interest payable on the Borrower's Obligations shall remain at the Maximum Rate until the Purchaser has received the amount of interest which it would have received during such period on the Borrower's Obligations had the rate of interest not been limited to the Maximum Rate during such period.

Section 9.13. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Related Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (a) (i) no fiduciary, advisory or agency relationship between the Borrower and its Affiliates and the Purchaser is intended to be or has been created in respect of the transactions contemplated hereby or by the other Related Documents, irrespective of whether the Purchaser has advised or is advising the Borrower or any of its Affiliates on other matters, (ii) the arranging and other services regarding this Agreement provided by the Purchaser are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Purchaser, on the other hand, (iii) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent that it has deemed appropriate, and (iv) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Related Documents; and (b) (i) the Purchaser is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person; (ii) the Purchaser has no obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Related Documents; and (iii) the Purchaser and its respective Bank Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and the Purchaser has no obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Purchaser with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.14. Governing Law; Jurisdiction; Consent to Service of Process. (a) THIS AGREEMENT, THE BONDS AND THE OTHER RELATED DOCUMENTS (EXCEPT AS OTHERWISE SPECIFIED THEREIN), AND THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE CONSTRUED AND DETERMINED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 AND SECTION 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK)

WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction and venue of the state and federal courts located in the City of New York, Borough of Manhattan and in Nassau County, New York, in any action or proceeding arising out of or relating to any Related Document, or for recognition or enforcement of any judgment, and each party hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such state or federal court or, to the extent permitted by applicable Legal Requirements. Each party hereto hereby agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Legal Requirements.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable Legal Requirements, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Related Document in any court referred to in Section 9.14(b). Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable Legal Requirements, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in any action or proceeding arising out of or relating to any Related Document, in the manner provided for by applicable Legal Requirements.

Section 9.15. Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LEGAL REQUIREMENTS, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY RELATED DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.16. USA Patriot Act. The Purchaser is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act") and hereby notifies the Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify, and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Purchaser to identify the Borrower in accordance with the Patriot Act.

Section 9.17. Confidentiality. The Purchaser agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Bank Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Related Document or any action or proceeding relating to this Agreement or any other Related Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of, or any prospective assignee of, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder; (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Affiliates or this Agreement or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to this Agreement; (h) with the consent of the Borrower; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section, or (y) becomes available to the Purchaser or any of its Bank Affiliates on a nonconfidential basis from a source other than the Borrower. APPENDIX A

STANDARD CLAUSES FOR LIPA CONTRACTS

For the purposes of this Appendix A, the Long Island Power Authority and its operating subsidiary the Long Island Lighting Company d/b/a LIPA are hereinafter referred to as “LIPA.”

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “*the contract*” or “*this contract*”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “*Contractor*” herein refers to any party other than LIPA, whether a contractor, consultant, licensor, licensee, lessor, lessee or other party):

NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of LIPA, and any attempts to assign the contract without LIPA’s written consent are null and void. Contractor may, however, assign its right to receive payment without LIPA’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

COMPTROLLER’S APPROVAL. In accordance with Section 112 of the New York State Finance Law (the “*State Finance Law*”), this Agreement shall not be valid, effective or binding upon LIPA until it has been approved by the State Comptroller and filed in his office.

WORKER’S COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this Agreement shall be void and of no force and effect unless Contractor provides and maintains coverage during the life of this Agreement for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

NON-DISCRIMINATION REQUIREMENTS. In accordance with Article 15 of the Executive Law (also known as the Human Rights Law) and all other New York State and Federal statutory and constitutional non-discrimination provisions, Contractor shall not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, age, disability, marital status, sexual orientation, genetic predisposition or carrier status. Furthermore, in accordance with Article 220-e of the New York Labor Law, and to the extent that this Agreement shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, national origin, sexual orientation, genetic predisposition or carrier status; (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee for the performance of work under this Agreement.

NEW YORK STATE EXECUTIVE ORDER NO. 177 (PROHIBITING STATE CONTRACTS WITH ENTITIES THAT SUPPORT DISCRIMINATION) CERTIFICATION. The New York State Human Rights Law, Article 15 of the Executive Law, prohibits discrimination and harassment based on age, race, creed, color, national origin, sex, pregnancy or pregnancy-related conditions, sexual orientation, gender identity, disability, marital status, familial status, domestic violence victim status, prior arrest or conviction record, military status or predisposing genetic characteristics.

The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work

environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices.

Generally, the Human Rights Law applies to:

- all employers of four or more people, employment agencies, labor organizations and apprenticeship training programs in all instances of discrimination or harassment;
- employers with fewer than four employees in all cases involving sexual harassment; and,
- any employer of domestic workers in cases involving sexual harassment or harassment based on gender, race, religion or national origin.

In accordance with Executive Order No. 177, the Bidder hereby certifies that it does not have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected status under the Human Rights Law.

Executive Order No. 177 and this certification do not affect institutional policies or practices that are protected by existing law, including but not limited to the First Amendment of the United States Constitution, Article 1, Section 3 of the New York State Constitution, and Section 296(11) of the New York State Human Rights Law.

WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law and shall comply with all requirements set forth in Article 8 or Article 9 of the Labor Law whichever Article applies.

NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 2878 of the Public Authorities Law, if this contract was awarded based upon the submission of bids, Contractor warrants, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further warrants that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to LIPA a non-collusive bidding certification on Contractor's behalf.

INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, Contractor agrees, as a material condition of the contract, that neither Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC app. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void.

Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

SET-OFF RIGHTS. LIPA shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, LIPA's option to withhold for the purposes of set-off any moneys due to Contractor under this contract up to any amounts due and owing to LIPA with regard to this contract, any other contract with LIPA, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to LIPA for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. LIPA shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by LIPA, its representatives, or the State Comptroller.

RECORDS. Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "*the Records*"). The Records must be kept for six (6) years following the expiration or earlier termination of the contract. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. LIPA shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "*Statute*") provided that: (i) Contractor shall timely inform LIPA in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

DISCLOSURE OF LIPA RECORDS OR INFORMATION. If any third party requests that Contractor disclose LIPA records or information, as defined in subdivision 4 of section 86 of the Public Officers Law, to the extent permitted by law, Contractor shall notify LIPA of such request and LIPA shall determine, in accordance with Chapter 39 of the Laws of 2010, whether such LIPA records or information may be disclosed.

EQUAL EMPLOYMENT FOR MINORITIES AND WOMEN. In accordance with Section 312 of the New York Executive Law: (i) Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation, genetic predisposition or carrier status and shall undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation; (ii) at the request of LIPA, Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation, genetic predisposition or carrier status and that such union or representative will affirmatively cooperate in the implementation of Contractor's obligations herein; and (iii) Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of this Agreement, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation, genetic predisposition or carrier status. Contractor shall include the provisions of (i), (ii) and (iii) above, in every subcontract over twenty-five thousand dollars (\$25,000.00) for the construction, demolition, replacement,
